## INCIDENTS.

On Sunday evening prior to the convening of the Annual Sessions of the Grand Lodge and Rebekah Assembly at Exposition Park, on Conneaut Lake, a large number of the Representatives, Delegates and visiting Odd Fellows and Rebekahs gathered in the pavilion for religious services.

In the absence of the Grand Chaplain of the Grand Lodge, the services were conducted by the Rev. W. O. Calhoun, pastor of the Methodist Church at Linesville, and a member of Linesville Lodge, No. 395, I. O. O. F.

A volunteer choir led the congregation in singing a number of familiar hymns, the first of which was "America."

Brother Calhoun delivered an eloquent and appropriate sermon. He spoke as follows:

You will find the text of the evening in the chapter from which we read the Scripture lesson.

Luke 10: 36 and 37. Which now of these three, thinkest thou, was neighbor unto him that fell among the thieves? And he said, He that shewed mercy on him. Then said Jesus unto him, Go, and do thou likewise.

A student of Hebrew law mingling with the varied company which thronged the person of the Master, partly out of curiosity and partly from honest motives, asked the question which through the ages has disturbed the philosopher and the theologian, Who is my neighbor?

The answer was given in the scholastic method of the day and literature is richer and the world infinitely better, because of the Parable of the Good Samaritan. This evening in harmony with the parable from which the text is taken, I desire to emphasize the close relation between fraternity and religion. There have been times and places, where it was loudly asserted that all of these institutions which have been enrolled under the banner of fraternal societies, were unnecessary and their very existence was a menace to the spiritual life of the community.

In the presence of these representatives of one of the oldest and most numerous of all fraternities, I wish to show that such is not the case, but that these societies are the result of the influence of the Christ upon the social world. The corner stone upon which this Order is founded is the eternal principle that as man came from the hand of a common parent, he is bound to cherish and protect his fellowman.

This idea of a universal brotherhood was unthought of until Christ came to the children of men with his gospel.

The civilized world up to the advent had no conception of one God, who was the Creator and Preserver of all things.

Each nation had its god, and the power of that god was not universal, but outside of the boundaries of their nation, his power, if he had any at all, was very limited. What was true of the gods was true of the race, and a Creator who was responsible for the existence of all was beyond their thought.

The Jew hated the Samaritan and the Samaritan hated the Jew.

The Jew looked with contempt upon all outside of his own family and called them gentiles. The caste of India, which has proved to be a mighty barrier to both civilization and christianity, is but a type of the spirit which held the world in its cold and selfish grip when the Man of Galilee began his earthly mission.

For almost 2000 years the influence which he created has continued to bless humanity and bring the world nearer to the Golden Age of Human History, and still there are multitudes who need and will continue to need the helping hand of a brother. There is a sense in which from the time we first opened our lips and gave a feeble cry for help until the last moment of the last hour of our life when we gasp our last request, there will not be a single day when we can afford to loosen our grip upon the hand of our fellowman.

How many and how varied are the burdens which crush the souls of men. There are the burdens which result from physical weariness, the father as he spends long hours in toil that he might be able to maintain the home he loves so well, but reaches its grateful shelter so exhausted that he is denied the pleasure which the happy home circle should bring to him. He needs the helping hand of a sympathetic and generous brother in this extremity which has been forced upon him.

The Mother with family cares multitudinous in addition to all these, must be the nurse for the little ones in the battle for life that is being waged against those maladies which are the deadly foes of childhood.

There comes a time when that mother needs the helping hand of a warm-hearted, unselfish sister, who will aid her in bearing those burdens which crush the physical powers.

There are the burdens of the head, the father and mother as they study how the limited income which they possess will enable them to provide for the actual needs of the home, and then when the strictest economy has not made possible a surplus, comes the dark day of sickness or accident, and the mind in taxed beyond endurance in the vain attempt to solve this new problem in the home, then is the hour when they need the practical ministry of sympathy and love which true fraternity makes possible.

There are burdens of the heart, that dark hour which is sure to come sooner or later to every home, when the loved one lies in the long sleep of death and the heart almost stands still in the presence of this awful loss, then it is that brothers and sisters are needed to aid in bearing the new burden which rests upon some soul.

No wonder that in this old world of sorrow and grief, the Master, who gave us the Parable of the Good Samaritan, is loved above all others, because he introduced himself to men as The Burden Bearer.

There are times when we may be in doubt as to the one who has the greatest claim upon our love and charity, but the parable will help us to answer that question.

In the temples and pyramids of antiquity there are blocks of stone so huge that they could not be lifted to their position by any machinery known at the present time, but they are light compared to the weight of misery and sorrow which is crushing hearts in the world about us. This splendid organization is one of the forces which the Heavenly Father is using to aid in lifting this load from human life. Let us look more closely at this parable which has received the plaudits of many generations and see if we can not better understand its message to us as members of the Order.

The road leading from Jerusalem to Jericho, a distance of eighteen miles, is a continual descent, and the traveler as he follows the winding path through the mountain pass is continually confronted with narrow paths which lead out to caves in the rocks, which as in the days of old are infested by thieves, ever ready to waylay the stranger and after taking his goods, leave him to die from the wounds they have inflicted.

The parable was likely founded upon an actual occurrence, as Josephus informs us that about this time Herod had discharged 40 000 men, who had been engaged upon the temple and other public works, and as many of them had been unable to secure employment, they had made the caves in this section their homes, and had joined the thieves who were from the lowest classes. A friend of mine who was traveling through the Holy Land a few years ago, said that he came near having a like experience to the traveler in the parable. The caravan with which he was making the trip from Jerusalem to Jericho passed on while he was tightening the girth to his saddle, and when he had remounted, and was hastening after them he came to a sharp turn in the path, and at this point another path led off in another direction. He called as loud as he could, and not receiving a reply, turned to the right and had only gone a short distance when a true son of the desert, with spear in hand halted him. He shouted as loud as he could, and fortunately was heard by one of the native guides connected with his caravan who hastened to his rescue, or else he might have fallen as did the Jew in the day of Christ.

The parable informs us in simple language of the traveler who was overtaken, clubbed into insensibility, stripped of his clothing, and left to die. A priest who lived in Jericho, and was on his way to his home, chanced upon the helpless form, he stopped and satisfied his curiosity, he saw that the man was not dead but would perish unless some one rendered him aid.

But he passed by on the other side and continued his journey.

Many have criticised the priest for his inhuman spirit. But it will be well for us to remember that his office and his conception of duty to God, made it an act of piety to keep himself ceremonially clean, and if his hands came in contact with a dying man or by chance touched a dead body, it would be impossible for him to minister in holy places.

Even if he was inclined to minister to this man, whom he believed to be dying, his sense of religious duty would forbid him the privilege.

The unfortunate man watched the receding form of the priest, and as it disappeared from view, his hope of aid vanished with it.

Another step is heard and behold a levite, who was the assistant of the priest and ministered in holy things, draws near. He pauses and notes the dying man and perhaps offers him words of sympathy, but he too passed by on the other side. As he hastens down the road the dying man is left in the most hopeless condition we can imagine. Both priest and levite, characters he has been taught to respect from his infancy, have left him to die without putting forth the most feeble effort to relieve his condition. But another form is approaching. The wounded man with a painful effort raises himself upon his elbow, that he might the better plead for aid, but the traveler is a Samaritan, an enemy of the Jew, he will only rejoice over the helpless man, so with a groan he sinks down upon the rocks of the highway. The Samaritan comes close to the wounded man, he stoops down to better examine his condition, but the old hate of generations fills his soul, and he too passes on and leaves the dying man to his fate. Then in the agony of his soul the unfortunate one, raises his voice and cries out in the language of the old Jewish prayer, "Give ear, Oh, Ye Heavens," and then falls back and closes his eyes in despair.

But that prayer was heard in the throne room of the Eternal King, and an angel winged his way to that departing Samaritan, and gave to him a revelation which neither priest or levite had received and as that new vision burst in upon the soul of the poor Samaritan he becomes the prophet of the new dispensation and cries out as, he thought of the dying Jew, is he not my brother? We see him as he hastens back, stooping beside the surprised and despairing man he takes the cloak from his own shoulders and places it tenderly upon the form that was so bruised and mangled, carefully raised him in his arms and places him upon his own beast, and with the greatest care takes him to an inn that was not far distant.

Not satisfied with this response to the new light which fills his soul he spends the long hours of the night ministering to the new found brother, and in the morning before he continues his journey, he places in the hand of the innkeeper a sufficient sum not only to pay for the lodging of the night but to insure the care of the wounded man until he shall have recovered his strength sufficiently to continue his journey.

There was joy in the soul of the man who was saved from death on the mountain road, but a greater joy in the soul of the Samaritan, as he realized the new ideal which had taken possession of his soul.

There are certain lessons which we should fix in our souls as taught by the Master in his answer to the Hebrew lawyer.

(1.) We are taught to regard the Great Author of our being as our Father. If God be the father of us all, then it must be true that the human race with all its distinctions of race and color, constitutes one great brotherhood, and the journey of life will bring us in close contact with its need and suffering.

If we are true to this ideal then it will be the purpose of each soul to reflect in our natures and relations the image of him after whose likeness man was formed.

(2.) The parable teaches us that much of the suffering of the race is the result of the selfishness of man.

The dying man on the Jericho road is an example of what selfishness and greed are doing at the present time.

The wrecks of manhood, physical, mental and spiritual to be found in almost every community, the result of the liquor traffic, are only so many travelers on the highway of life, overtaken by robbers, stripped of their choicest possessions and left to the charity of the world.

Is it any wonder that this society wars against vice in its every form, prompted in its efforts by love to humanity?

(3.) By this parable we are taught to be observant to go through life with our eyes open, that we may be able to discern the troubles we may aid in relieving.

We are reminded of one of the means of relieving sorrow and misery employed by this Order, for within a few miles of where this Grand Lodge will hold its session, stands the first Odd Fellows' Home, organized in the great Commonwealth of Pennsylvania.

Within the shelter of this home, hundreds of orphans have found the love and christian training which the death of parents had denied them in the home circle.

(4.) The last and greatest lesson taught by this parable is this, THE MOTIVE THAT IS BACK OF AND UPON WHICH THIS ORDER IS FOUNDED IS LOVE.

Study the life of the Man of Galilee, and there is only one key that will unlock the mystery of his life in this world, and that key is love to his earthly brothers and sisters.

And now, my brothers and sisters, let us make the parable of the Good Samaritan the foundation upon which we build the ideals of our lives, and as we come in contact with bruised and wounded humanity, let us at all times be ready to go to their relief actuated by the principles of Friendship, Love and Truth.

Monday was taken up with greetings and social features, and in visiting the Home at Meadville. The Home for Orphans of Odd Fellows, located on College Hill in the City of Meadville, was the first Home for Orphans to be established by a fraternal organization. Here, in 1872, the little beginning was launched which has resulted in the establishment of some fifty or more like institutions supported

by our fraternity, and a large number under the control of sister fraternities. The success attending the efforts put forth in this Home was made manifest when the children appeared before the Representatives of the Grand Lodge and rendered their charming little operetta, "Over the Rainbow." It was a feature which called forth many expressions of praise, not alone for the children, but also for the management which had cared for them in a manner to make them capable of such a production.

The excursion to Grove City, on Tuesday afternoon, gave many of the Representatives and Delegates their first opportunity to visit the Wayside Inn. A large number took advantage of the privilege to visit this noble institution of our Order and to see for themselves what has been accomplished during the few years of its existence.

On Tuesday evening, in the Pavilion, the First Degree of the Subordinate Lodge was exemplified before a large audience of Grand Officers and members by the Degree Staff of Lake Shore Lodge, No. 718, I. O. O. F., of Erie. The Degree Staff of this Lodge were declared the winners in the 1915-16 contest, in which sixteen Lodges were entered, having made an average of 98.54 in the final contest, and were awarded the prize and the appropriation made by the Grand Lodge to cover their expenses.

Wednesday evening, in the Pavilion, the Rebekah Degree was exemplified in full form by Laurel Rebekah Lodge, No. 101, of Erie, and Lilian Augusta Rebekah Lodge, No. 472, of Hartstown. The work of the Degree Staff of each of the above Lodges was most excellent and showed careful and earnest preparation. The large audience present was exulting in their praises. After the completion of the Degree work, and the closing of the Lodge, a dance was held which was enjoyed by a goodly number of Representatives, Delegates and Visiting Brothers and Sisters.

On Wednesday evening the Past Representatives' Association held their second annual banquet in the spacious dining room of the Hotel Conneaut. A feature of the occasion, which lent an added charm, was the presence of the ladies, wives and friends of the Representatives. About 230 Representatives and guests were present. The President, Wesley B. Beyer, Representative of No. 57, presided, and the guests of the evening were A. H. Peirce, Grand Patriarch, and F. C. Garrett, Grand Scribe, of the Jurisdiction of Ohio.

## RECEPTION CEREMONIES.

---

Prior to the opening of the Ninety-third Annual Session of the Grand Lodge the Officers and Representatives assembled in the Pavilion were addressed by the President of the local Committee on Entertainment, the Rev. W. O. Calhoun, who spoke as follows:

*Grand Master and Representatives of the Grand Lodge:*

It becomes my very pleasant duty this morning to introduce to you one or two who will express the formal welcome of this community to this distinguished Body. As in everything else there may be some little disappointment. So one who was to have been here has failed. And yet I imagine that our disappointments are of very little consequence. We welcome you to this place with the realization that the troubles of the time that has been spent in the arrangements are at an end, and that you are to have a most delightful week. You may doubt that somewhat, but I am reminded of a little story and they tell me that it is true. A couple were married in an English Church one day, and as the procession came from the Church a friend of the groom stepped out from among the bystanders to congratulate him. He said, "I want to assure you that your troubles are at an end." About three months later, after a somewhat rocky experience, the groom met this same man, and said to him, "I thought you said my troubles were at an end?" "I did," replied the friend, "but I didn't tell you which end." And now it is barely possible that some of you may have had some experiences that were not as agreeable as you would like, with the mud this morning, yet we have made arrangements. if they do not fail, that the clouds will be brushed away and the sun will shine presently, and your journey will be just as you would like to have it. In fact. our troubles are very largely imaginary. If you will just bear that in mind, I think we will have a most delightful time.

I said that troubles are largely imaginary, like those of a certain lady of an uncertain age. This lady was at divine service one Sunday listening to a new clergyman who felt he was a very very eloquent divine, and during his discourse he noticed her face bathed with tears, her emotions wonderfully stirred. So at the end of the service, he asked her "What was there in my discourse which so strangely stirred your soul. I want to know, it may be a help to me some other time, the same message may stir for good some other heart. At first she demurred, and hesitated by asking a question, but he insisted until finally she replied, "Well if you must know, I will tell you. While you were preaching I thought some day perhaps I would be married and then if I should ever have a son and that son should grow to manhood and become a preacher, if he couldn't preach any better than you do, how bad I would feel." That was simply imaginary, the troubles that loomed up before her. And so during this week your troubles are simply imaginary.

And now it gives we great pleasure to introduce to you the President of the Board of Trade, Mr. Reany, who will welcome you to the Park.

Mr Jas. E. Reany spoke as follows:

*Officers and Representatives of the Grand Lodge:*

I am somewhat abashed in looking upon such a large gathering of distinguished Representatives of this wonderful Order. We bid you a hearty welcome, and we trust that with the co-operation of the weather man. and your humble endeavors we will make your stay worth remember-

ing. We trust you will feel absolutely and perfectly at home, and that you will exercise the fullest and freest liberty in the accommodations and in the pleasures we have to offer you just now. We will have to beg your indulgence by reason of the fact that we are compelled to open here a trifle earlier than has been our custom heretofore, but we are going to do our utmost, each and every one of us, to make your stay a pleasure while attending the sessions at Exposition Park, bringing you gentlemen from all quarters of the State to a place which we think is the prettiest resort in Pennsylvania. We want you to carry back home with you our best remembrances. We want you to feel as if this resort belongs to yourselves, for that matter. It is the largest lake in Pennsylvania, and we are trying to do our utmost to bring a number of conventions here, and you will give wonderful impetus in our endeavors along the lines of convention work. Again I want to say to you that we as an organization have the pleasure to bid you a hearty welcome. The latch key is out and we want you to enjoy yourselves and to do very much as you please.

Brother Calhoun again addressed the assembly as follows :

We were to have had with us this morning a representative of the Associated Press. I know him very well, but I am very sorry to say that his familiar face is not here. I think you will forgive us even though you will not have the pleasure of listening to the men who were to have been here. Both of them are very busy men, and some circumstances have arisen which at the last moment have made impossible their presence. Will you then simply allow me to say that we welcome you to this historic lake, the largest in the State of Pennsylvania. We have in our midst. I believe I am right in saying, the oldest Odd Fellows' Home under the care of Odd Fellowship in the State of Pennsylvania. And then we are glad to welcome you here this morning to the Sahara Desert. It may be just a little moist outside but by the action of the Judge of this County a few weeks ago never a license was put out and you are in the very middle of the Sahara Desert. I knew that you would rejoice in that, for Odd Fellowship has always stood for those exalted principles which protect the home, and enable the individual to make the very best of its life. And now, my brethren, again I welcome you, Grand Master, Officers of this Grand Lodge and you Representatives, and I trust that this will be the very best session of this Grand Lodge in the old State of Pennsylvania.

The Grand Master, J. P. Hale Jenkins, in response to the addresses of welcome, spoke as follows :

I am sure our hearts go out in response to the very kind words which have been spoken to us, welcoming us to the shores of the largest lake in Pennsylvania; and I suppose the President Judge of the Quarter Sessions of Crawford County, having an eye single to the best interests of the Independent Order of Odd Fellows, concluded that he would decline to license a single place in Crawford County. This is the first time the Grand Lodge has come to Crawford County, and lo and behold! we are deprived of something to "wet our whistles."

The Independent Order of Odd Fellows with its 170,000 members in our grand old Keystone State, concluded to visit the chimney corner of Pennsylvania, that part of Pennsylvania which Penn did not purchase from the Indians, and which was not given to him by the King of England; but is a part and parcel of the grandest Commonwealth of all the forty-eight. When we take into consideration the historical associations connected with Pennsylvania, we bid defiance to every one of the thirteen original States that comprised the American Union.

But we are not here for the purpose of considering political or patriotic questions, the latter only so far as they affect our individual interest

in the grandest fraternity on the face of the globe. And I want to assure you, my Brothers, that Pennsylvania, with its 170,000 Odd Fellows, and every one of them three times seven, equals in population, when you take into consideration the wives and the children of these Odd Fellows, that of the State of Connecticut. The great State of Pennsylvania has had during the past year but five cases which came before its supreme tribunal in contrast with the State of Connecticut, which has many hundreds. Connecticut has thousands of petty and other judicial officers who are all the time endeavoring to thrash out the differences of its people. We have had but five cases to show that there are any contentions among the members of the Independent Order of Odd Fellows. My Brothers, what a contrast! Judges of the Courts, Judges of the Inferior Courts, Justices of the Peace, who live on the people by reason of the fact that they are selected for the purpose of arranging the difficulties which arise between its people, and, that of the grand fraternal army of Odd Fellows in Pennsylvania with its supreme judicial officers, of the Committee on the State of the Order and all others working in unison for nothing but the good of the Independent Order of Odd Fellows. What a contrast! We do not have the ugly contentions that they have among the ordinary rank and file of the people.

While we come from the ordinary, common class of people, yet we recognize the Fatherhood of God and the Brotherhood of Man. For the purpose of legislating and passing upon judicial questions that may come before us, we come here to this beautiful spot, and if the sun shines, I am sure that this will be one of the best sessions of the Independent Order of Odd Fellows that has been held since "the memory of man runneth not to the contrary."

I want to say, my Brothers, to Brother Calhoun, that the entire membership of Pennsylvania voices the sentiments expressed by me. We thank you from the bottom of our hearts. We believe what you may do for the purpose of making our visit here pleasant will result in great profit to our entire brotherhood. In their name and for the membership represented here, I gratefully thank you.

and a quorum of Representatives.

After the usual formalities the Deputy Grand Master, by direction of the Grand Master, proclaimed the Grand Lodge open for the transaction of business.

The Grand Master called upon the Rev. Fred. L. Jewett, Grand Chaplain, p. t., who offered the following prayer :

Almighty God, our Heavenly Father, we recognize Thee this morning as the Creator of mankind, the Father of men, and the Author of eternal life.

We would approach Thee, this morning hour, with reverence and with thanksgiving.

We gather here by the side of the peaceful lake, under the auspices of an organization having for its very center the teacher of the Master who went among men, who went about in his life doing good.

We thank Thee, our Father, for the providence that has been over us as we have left the four quarters of our Commonwealth. as we have crossed the rivers, spanned the valleys and climbed the mountains, the guarding angel of protection has been around and about us.

We pray, in this opening meeting of our annual session, that Thou wouldst bless all that Thou permitted us to do in Thy name. Give us wisdom and knowledge and discretion, so that what we do may be for Thy glory and for the uplift and the betterment of our fellow men.

We look over this audience this morning, and we find here and there a vacant place. Some that we have known in the years past have gone to join the great silent majority.

We pray, our Father, this morning for her who has been widowed during the last year, for the child orphaned by the reaper—Death. And as we gather here this morning may we remember the religion taught us that is pure and undefiled before God is that to visit the widow and the fatherless in their affliction.

And we pray Thee, our Father, as we go forth, this injunction may be put into practice in our everyday life.

Bless, we pray Thee, our Father, the Grand Master, and every member of his staff. Give them wisdom as they discharge the responsibilities we as members of the Order have placed upon them. Do thou lead our leaders so that what is done here, our Father may be done for the dissemination of the principles of Friendship, Love and Truth, and put into practice in our everyday life the teaching of benevolence and charity, so that at the close of life's workday, when its battles are fought, its responsibility borne, its victory won, we may hear Thee say unto us, "Well done." In Thy name we ask it: Amen.

James H. Avery, G. R., Rep. of No. 38, and Wilson K. Mohr, P. G. M., G. R., Rep. of 847, offered the following Resolution which was unanimously adopted:

*Resolved*, That the Grand Secretary be requested to forward on behalf of this Grand Lodge a telegram of regrets and sympathy to Charles Chalfant, P. G. M., P. G. R., for his enforced absence through sickness.

Hermann W. Roller, P. G. M., P. G. P., Rep. of No. 7, moved that the hours of the Session be from 9 A. M. to 12 M., and from 2 P. M. to 5 P. M., except this afternoon.

The motion was adopted.

Brother Irwin Fisher, P. G., No. 430, advancing to the front of the platform, addressed the Grand Master as follows:

*Grand Master*. You are about entering the close of your administration as the chief executive of the Independent Order of Odd Fellows in the State of Pennsylvania. Time passes so rapidly that it seems hardly possible that a year has elapsed since you were elevated to this high position, and yet during the intervening period the vast amount of work that has been done by you is reflected in the advanced position which we occupy in the fraternal world. A busy professional man you have at all times been ready to yield to the cause of Odd Fellowship, and at no time have you neglected any of those duties which as a good citizen you owe the Commonwealth, and to your family and to your God. And not the least of these civic duties has been the time and attention which you have given to the development of Valley Forge Park, a name which by an official act of yours has become known throughout the length and breadth of this Commonwealth. Your ancestors were a peace loving and law abiding people, and from them you inherited a gentleness of manner and softness of speech that have served you well in all your relations of life. And yet in the presence of such a vast assemblage these admirable tributes would be unable to enable you to satisfactorily fill the position of presiding officer of this assemblage, and with that thought in mind some of your friends down in the eastern corner of Pennsylvania have had carved from wood that grew on the historic hills of Valley Forge this gavel which they now present to you as the tongue of the Grand Lodge. In its use, remember that the historical associations of the past are linked with the history which we are making at this time in the interest of humanity, and as you use it, ever bear in mind that the privations and the sufferings of the men in the winter of 1778 at Valley Forge helped to lay the foundation upon which the greatness and the prosperity of this country of ours has been built.

Grand Master J. P. Hale Jenkins responded as follows:

*Brother Fisher and Members of the Grand Lodge*: I was quite overwhelmed last year when the Lodges of my home town presented me with a traveling bag which I carried into every section of the State, and little did I think that I would be presented with a gavel, which is the emblem of authority in the hands of the presiding officer of every Odd Fellows' Assembly, to control the actions of this Grand Lodge, representing the Grand Jurisdiction under the jurisdiction of the Sovereign Grand Lodge.

True it is I have taken some interest in the Park at Valley Forge. True it is that I have been identified with its development from the time nearly of its birth, and yet I cannot but courteously thank the givers of

this gavel, because it is symbolic of two things—fraternalism and patriotism—and you cannot be a good fraternal man unless you are a whole-souled people. Brother Fisher, take back to those who presented this gavel my heartfelt thanks, and say to them, “Beggar as I am in thanks, I thank you.”

Brother John A. O'Brien, Rep. of No. 585, then addressed the Grand Master as follows :

*Grand Master*: While the presenting is good, let me do some presenting. I am a man of few words, but I want to take this opportunity of discharging what to me is a very pleasant duty. During the term of our Grand Master the Orphans' Home at Ben Avon had the pleasure of many a visit, and I can truly say that we profited by his wise counsel. It has always been a pleasure to meet him at the Ben Avon Home. The little boys of the Industrial School at the Home last Sabbath gave me this specimen of their handiwork to present to the Grand Master. They encircled it with this beautiful ferule on which is inscribed “From the Boys of the Industrial School at the Ben Avon Home for Orphans.”

Without taking up any of your time, Brothers, allow me, Brother Jenkins, with the love and esteem of the children of the Ben Avon Home, as well as the entire Board of Directors, not forgetting our dear President, Henry Steuernagel, to present you with this gavel to show the love and esteem in which you are held at the Ben Avon Home. I earnestly hope with the aid of both gavels you will be able to keep order.

The Grand Master responded *vs* follows :

If I do not maintain order in this Assembly it is not because I haven't got a weapon. I want to thank the boys from the Ben Avon Home for their thoughtfulness, and why they should pick out a humble Brother from the southeastern part of the State I do not know. It was at the Ben Avon Home that they started the manual training business, and I want to assure you, my Brothers, that that Home is one of the best managed in the State. I go there whenever I get to Pittsburgh and have the opportunity, and I want to assure the Ben Avon Home, its Directors and everybody connected with it, that I thank you from the bottom of my heart. Let me say one word. An Assembly like this, upon a level floor, is not easily managed on the part of the Grand Master. I realize one thing, and that is if I fail to keep order I will be a miserable failure, and possibly if I do keep order I will be a Czar. Now I want you to help me keep order.

The Grand Master announced the following appointments :

Fred L. Jewett, Rep. of No. 46, Grand Chaplain, p. t.

Albert Gorman, Rep. of No. 200, Grand Conductor, p. t.

George A. Spoerhase, Rep. of No. 848, and Jesse C. Higgins, Rep. of No. 96, Assistant Grand Guardians.

Elmer Schuler, Rep. of No. 759, on Committee on Petitions and Statistics, vice Robert E. Erwin, absent.

The Grand Secretary announced the appointment of Samuel F. Bair, Rep. of No. 466, Custodian of the Secret Work.

James H. Avery, G. R., Rep. of No. 38, moved that the appointments be confirmed.

The motion was adopted.

Charles H. Maskell, Rep. of No. 36, moved that the Journal of 1915 be approved as printed.

The motion was adopted.

J. P. Hale Jenkins, Grand Master, presented his report as follows:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

REPRESENTATIVES AND BROTHERS: Another year has past and gone, and with it, its opportunities and its accomplishments. We are met pursuant to the regulations of our Order in our Ninety-third Annual Session, to take counsel with each other that we may, in the future, perform our duties better and avoid the errors and pitfalls which are ever a menace to the proper obedience of the divine command, to "do unto others as we would have others do unto us." Let us devoutly trust that the experiences of the past will serve our members in the future, as the lighthouse does the mariner during a storm at sea, and thereby all dangers be averted. Let us reconsecrate ourselves to the work that lies before us.

One short year ago, there was placed in my hands by my predecessor in office, he of blessed memory, the emblem of authority in this, the greatest of all Jurisdictions. During the year just closed, many new friendships have been formed and many old ones renewed. The many pleasant evidences of friendship and fraternal regard extended have moved my heart to an overflow of LOVE for my brethren. Be assured that each will be a most fragrant "forget-me-not" to endure while life lasts. But a few more days remain during which I will preside over your deliberations and then I will hand over the mantle of authority to a most worthy successor. To him, I know you will render all the assistance you so cheerfully gave me, making my administration of such help to the Brotherhood.

To the men behind the guns should all praise be given for results obtained. No brother, however, should accept this position without concluding to dedicate one year of his life to a fraternity, which, by its numbers, its influence for good, its accomplishments of the past and the possibilities of the future, make it the greatest fraternity on the face of the globe.

#### NECROLOGY.

Before presenting the report of the activities of the Grand Master for the year just closing and the several matters of interest to the membership at large, a brief moment should be taken to announce the death of those, who during the year have crossed over to the other side and joined the Grand Master of the Grand Lodge above.

#### ROBERT T. DANIEL, GRAND SIRE.

For many years the chosen representative of the Grand Lodge of the Empire State of the South, Robert T. Daniel was elected Grand Sire in September, 1914. In less than two weeks after his attendance at the Session of the Grand Lodge of Pennsylvania, held in Stroudsburg, May, 1915, and whilst in the performance of those duties which accompanied the honors which had been so worthily bestowed upon him, he laid down his life in his native State. His early demise has deprived the fraternity of that service, which he was so cheerfully rendering, and which was imbuing all Odd Fellows with the duties and responsibilities of the hour. His memorable address, given to the Grand Lodge and Rebekah Assembly

in joint Session, was a masterpiece of oratorical effort. Unfortunately it was not taken down stenographically. Had it been, it would have been read, re-read and admired by many of the Brothers, who were not fortunate enough to have been present and heard it.

#### PAUL A. BENSON, PAST GRAND MASTER.

The membership of the Order throughout the State was indeed startled by the information in the early summer of the sudden demise of our Junior Past Grand Master. It was less than two months before that he had, in apparently the best of health, given me the fraternal congratulation, as the mantle of authority fell from his shoulders, who had so worthily worn it, to my own, and I could scarcely realize that all that was mortal of my beloved friend and brother, had passed from here to that "undiscovered country from whose bourne no traveler returns."

By profession a lawyer, and by a most natural selection a Judge, he was devoted to a faithful and conscientious performance of duty. Of him it can be truthfully said that for justice, "every place was a temple and every season summer."

His place will be sorely missed. By reason of his great talents and suave manner, other positions of duty and responsibility would have been his. Peace to his ashes, he of blissful memory. His life was a simple devotion to duty. His death an inspiration to each of us to

"So live that when thy summons comes to join  
The innumerable caravan, which moves  
To that mysterious realm, where each shall take  
His chamber in the silent halls of death,  
Thou go not, like the quarry slave at night,  
Scourged to his dungeon, but sustained and soothed  
By an unfaltering trust, approach thy grave,  
Like one who wraps the drapery of his couch  
About him, and lies down to pleasant dreams."

#### WILLIAM A. WITHERUP, PAST GRAND MASTER.

A quarter of a century ago the name of William A. Witherup, and his efforts to advance the interests of the Order were familiar to all Odd Fellows. Grand Patriarch of the Grand Encampment during the years 1886-1887, Grand Master during the years 1891-1892, and Representative to the Sovereign Grand Lodge from the Grand Encampment during the years 1897-1900, he surely had honors conferred upon him. He served his Brothers well and was by them beloved.

#### WILLIAM H. ROSE, PAST GRAND MASTER.

The Lord in his wisdom called another Past Grand Master home, William H. Rose. The Brothers who attended the Session of the Grand Lodge at Gettysburg, 1901, will remember with what impartiality he ruled that Session, convulsed as it was with contending factions to secure the coveted position of Grand Secretary, made necessary by the death of that grand old man, Past Grand Sire, James B. Nicholson.

#### ABE A. MYERS, Representative of No. 855.

The death of this Brother is a severe loss to the Order. For years devoted to the orphans of the Order, his sphere was fortunately chosen. A member of the Committee on Homes and Kindred Charities, and later the Representative of the Grand Lodge to the Orphans' Home of Central Pennsylvania. He was ever the friend of the boys and girls and supported every measure presented in their interests. Let us lay upon his tomb a loving tribute to his memory.

## I. O. O. F.

## OFFICE OF THE GRAND LODGE OF PENNSYLVANIA

*To the Subordinate and Rebekah Lodges of Pennsylvania,  
I. O. O. F.*

In obedience to the request of J. B. A. Robertson, Acting Grand Sire, it becomes my sad duty to advise you of the death of our beloved Grand Sire,

ROBERT T. DANIEL

as conveyed in the following Proclamation:

*To the Officers and Members of the Sovereign Grand Lodge,  
and all Grand and Subordinate Bodies and to all Members  
of the Independent Order of Odd Fellows.*

It becomes my painful duty to announce to you, the death of our worthy and well-beloved Grand Sire, Robert T. Daniel, which occurred at Fitzgerald, Georgia, on Thursday, May 27th, 1915, while in attendance on the Session of the Grand Lodge of that Jurisdiction; his funeral was held at his home in Griffin, Georgia, on Sunday, May 30th, at 3.30 P. M.

In the death of Brother Daniel the Sovereign Grand Lodge has lost a presiding officer and member of rare and unsurpassed ability; the Order at large an enthusiastic and faithful Brother; his State and the Nation a wise and patriotic son and citizen; his wife a devoted and loving husband and companion, and we mourn because of his untimely decease.

Brother Daniel was admirably equipped by nature, education and training, with a high order of ability, and was giving the Order a splendid administration, and his record as Grand Sire although lamentably brief, is unsurpassed, and will reflect credit and honor upon his name as long as the Order exists. Stricken down while yet in the prime of life, before his noble work had been completed, he died a hero in the service of that humanity he loved so well and for which he had wrought so unselfishly and so valiantly.

As a tribute of respect, and in honor of his memory, it is ordered that the Charters of all Grand and Subordinate Bodies owing allegiance to the Sovereign Grand Lodge be draped in mourning for a period of sixty days from the date hereof.

Notice is also hereby given to all the aforesaid Grand and Subordinate Bodies and to all others whom it may concern, that the undersigned by virtue of the provisions of the Con-

stitution of The Sovereign Grand Lodge has assumed the powers and duties of the office of Grand Sire, until the next meeting of the Sovereign Grand Lodge at San Francisco on the third Monday in September next.

In assuming the responsibilities of this high office, I ask the kindly consideration and active support and co-operation of all the members of the Order everywhere, in my efforts to administer wisely the laws of the Order, and to promote the principles of Friendship, Love and Truth, and may our Father who is in Heaven, deal kindly with us and ever have us in His holy keeping.

Done in Oklahoma City, Oklahoma, U. S. A., this the first day of June, 1915.

J. B. A. ROBERTSON, *Acting Grand Sire*.

Attest:

JOHN B. GOODWIN, *Grand Secretary*.

It is hereby enjoined upon all Subordinate and Rebekah Lodges in the Jurisdiction of Pennsylvania to comply with the order of the Acting Grand Sire, that all Charters be draped for sixty days from the date of June 1st, and further

That J. B. A. Robertson be recognized throughout this Jurisdiction as Acting Grand Sire and that the obedience, support and respect of our several bodies be accorded him as such.

Done at the City of Philadelphia, this tenth day of June, A. D., 1915.

I. O. O. F.*

Fraternal Greeting:

The Grand Master desires to congratulate the members of the Order throughout this jurisdiction, on the peace, harmony and prosperity we now enjoy, which has been vouchsafed to us by the Giver of all good and perfect gifts. Such grand results are not obtained by slothful means. Industry and individual activity alone produce them.

May we be blessed during the coming year with a continuance of those precious favors showered on us during the past years by an All-Wise Providence, to the end that our beneficent Order may be increased in numbers and influence for good and thus our membership in particular, and the people of our grand old Commonwealth in general be benefitted. May the principles of Friendship, Love and Truth actuate all, that we may do our full share in uplifting mankind by doing unto others as we would have others do unto us.

That your Lodge may during the coming year be harmonious and prosperous, is the sincere wish of

Faternally yours,

## SECOND TUESDAY OF JUNE NEXT

being the 13th day of June, 1916, and engage in appropriate services respecting our honored dead, and thus fulfill our solemn engagement to cherish an abiding recollection of the virtues of our deceased members.

Our records show that during the year ending September 30, 1915, 2250 brothers and sisters in our jurisdiction passed "to that bourne, from whence no traveler returns." Let the roll of our dead be called on this Memorial day. Let us add a personal tribute to the memory of those who have gone before, remembering that we, who are left, are here for a very short time, and that we should devote our lives and earnest efforts in the furtherance of those benign principles, which have made our fraternity the foremost in all Christendom. It is only by fraternal services rendered, that we can make our Order a beacon light in the community in which we live. Then let us reconsecrate our lives to that service, that it may be said of us, as of those who have departed during the past year, "The world is better because they had lived."

Done at the City of Philadelphia, this twenty-ninth day of April in the year of our Lord, one thousand, nine hundred and sixteen.

### DECISIONS.

1. The By-laws of a Lodge provide that the Noble Grand shall appoint all committees. A motion prevailed (the N. G. presiding) that three members, naming them, shall be a committee to perform a certain duty for the Lodge. The Noble Grand having submitted the question to the Lodge, waived his prerogative, and the members named in the resolution are the committee.

2. The By-laws of a Lodge provide that the Trustees shall collect all monies due the Lodge. The Lodge cannot donate the rents due, and owing from a Rebekah Lodge, a tenant, to the said Rebekah Lodge. Donations may be granted by Lodges for a worthy purpose, but all monies due the Lodge must be collected by the Trustees.

3. It is improper for a Brother of the Order, a candidate for a local office, to forward communications to members of the Order, addressing them "Dear Sir and Bro.," asking assistance in his canvass because of his membership in an Odd Fellows' Lodge.

4. It is not lawful to photograph the Degree team of a Subordinate Lodge in costume.

5. The Employer's Liability Act, recently enacted, does not apply to Lodges, unless the Lodge owns or leases a Hall, in which event the Act does apply and janitors, firemen or other employees, rendering services, other than fraternal services, are protected by it, and the Lodge should be protected by insurance.

6. The service of a term as Chaplain in a Subordinate Lodge renders a member eligible to election as Vice Grand of the Lodge. (This was not the case before 1895).

7. All persons, otherwise qualified, are entitled to membership in our Order, who are bereft of the right hand or the right arm. The Lodge to which the application is made, is the only authority to pass upon such an application for membership.

8. A person deaf, but able to do lip reading, and fully competent to earn his own livelihood, is not eligible to membership.

9. The expense of a Representative to the meeting of the Central Pennsylvania Anniversary Association can be paid out of the general funds of the Lodge. This meeting is held for the good of the Order and in compliance with the proclamation of the Grand Sire, endorsed by the Grand Master.,

10. The By-laws of a Lodge provide that an assessment of \$1.00 per capita be levied on each member of the Lodge, upon the death of a member in good standing. An assessment levied upon the members of a lodge upon the death of a member, not entitled to benefits, is illegal and void.

11. It is illegal to use the stationery of a Lodge of Odd Fellows, have printed thereon, a circular letter over the names of 5 of the Brothers of the Lodge, giving the titles they are entitled to in the Order, appealing to members of the Order to support a member of the Lodge for a local political office.

12. The Grand Master cannot grant a dispensation to publicly install the officers of a Subordinate Lodge, on the third or any later stated meeting following their election. (See resolution of the Grand Lodge, Journal of 1914, pages 234 and 235).

13. A Lodge cannot entertain a motion expressing an opinion either for or against the licensing of a Hotel to sell liquors, or asking the Court to prescribe rules, fixing the hours for the opening and closing the bars, attached to the licensed houses.

14. The adoption by the Rebekah Assembly of the Rebekah Constitution and the Constitution for Subordinate Rebekah Lodges, so far as it relates to the 25 cents per capita tax for the support of Rebekah Homes, does not go into effect until 1916.

### THE ERIE FLOOD.

Upon receipt of the news through the Daily Press of the flood which destroyed much property and occasioned some loss of life in the City of Erie, I immediately requested Brother Charles A. Mertens to make an investigation to ascertain if any members of our Order had met with loss and were in distress, beyond what the local Lodges were able to relieve. Brother Mertens, after a thorough examination, reported that there had been considerable distress occasioned thereby and that he believed it would be well for the Grand Lodge to give such relief as might, upon further investigation, be deemed necessary.

I therefore on August 19, 1915, appointed the following Committee to investigate any cases of distress among the members of our Order, that might be reported or discovered by them, and to report the immediate relief required; also such financial aid as might be found necessary in individual cases to assist Brothers who had been rendered destitute, to gain a new start in life.

Charles A. Mertens, P. G., No. 871, Chairman.  
Hon. Emory A. Walling, P. G., No. 718,  
William R. Heiss, P. G., No. 107.

The Committee went promptly to work and upon their recommendation, after careful investigation, the sum of \$1400.00 from our Relief and Emergency Fund was distributed among seventeen of our worthy Brothers. I herewith present the Report of the Committee:

ERIE, PA., December 20, 1915.

J. P. HALE JENKINS,

*Grand Master of the Grand Lodge, of Penna., I. O. O. F.*

DEAR SIR AND BRO.:

The undersigned Committee on the Distribution of relief for the distress in the Erie Flood of August 3, 1915, beg leave to submit their final report, as follows:

That they have distributed the orders on the Grand Treasurer for the relief granted to each of the Brothers, and taken a receipt therefore, amounting to a total of fourteen hundred (\$1400.00) dollars.

The amount of money given to each individual, we deem best not to publish, but have placed a record of the same, together with the receipts, with the Grand Secretary to be filed in his office.

All of which is respectfully submitted,

CHARLES A. MERTENS,  
EMORY A. WALLING,  
WILLIAM R. HEISS.

*Committee.*

I approve of the report and action of the Committee and recommend that the thanks of this Grand Lodge be extended to Brothers Charles A. Mertens, Emory A. Walling and William R. Heiss for their very prompt and conscientious service.

#### GREENCASTLE LODGE.

Greencastle Lodge, No. 228, I. O. O. F., having refused to pay certain benefits claimed by John D. Hill, a member of said Lodge, appointed a Commissioner as requested by law, to take testimony on said claim, and on final action on the report of said Commissioner, declared the said John D. Hill not entitled to the benefits claimed. The Lodge brought charges against the said John D. Hill, which charges were duly tried before a Committee of the Lodge, appointed for the purpose, and upon the report of said Committee, the Lodge expelled the said John D. Hill. John D. Hill appealed from the action of the Lodge. In both cases, whereupon the papers were duly filed and the cases tried before Committee on Appeals District, No. 1, which Committee sustained the appeal in both cases. See Report of Committee, Journal 1914, p. 159.

Greencastle Lodge appealed from the judgment of the Committee on Appeals to the Committee on State of the Order, which Committee, after due trial, sustained the judgment of the Committee on Appeals in both cases and directed the Lodge to reinstate the Brother and pay the benefits claimed. See Report of Committee on State of the Order, Journal 1915, p. 600. Said decisions were approved by Grand Master Benson.

The Lodge having refused to comply with the directions of the Committee on State of the Order, within a reasonable time, I issued my mandate under date of June 10th, 1915, directing the Lodge to immediately proceed to carry out the judgment of the Committee on State of the Order within twenty days. This the Lodge failed to do, whereupon I suspended the Lodge and appointed the Committee of Investigation as per the following communications:

"Greencastle Lodge, No. 228, I. O. O. F.,

W. W. LOWMAN, Secretary, Box 174. Greencastle, Pa.

*Sirs and Brothers:*

Under date of June 10th, 1915, I addressed an official communication to your Lodge, directing you to comply with the judgment of the Committee on Appeals and Committee on the State of the Order, in the case of J. D. Hill's appeals from the action of your Lodge, and to reinstate J. D. Hill into full membership in your Lodge, and pay the amount of benefits found to be due him by said judgment, within twenty (20) days from the date of said letter; official notice under seal of the Lodge to be forwarded within said time of your compliance with said Mandate.

Notice of said action not having been received by me up to date, I am forced to the conclusion that the Lodge has decided to not comply with my Mandate of June 10th, 1915, and I am therefore obliged—much as I regret it—to further proceed in the matter, as required under the laws of the Grand Lodge of Pennsylvania.

Now therefore, I, J. P. Hale Jenkins, Grand Master of the Grand Lodge of Pennsylvania, do hereby issue my Mandate, and by authority vested in me as Grand Master, under Article XXX, Section 8, and Article XXXI, Section 1, of the By-Laws of the Grand Lodge of Pennsylvania, do hereby declare Greencastle Lodge, No. 228, I. O. O. F., suspended from all rights and privileges of the Order for improper conduct and violation of the laws of the Order as herewith set forth.

First. For failure to comply with the judgment of the Committee on Appeals, District, No. 1, (said judgment having been sustained by the Committee on the State of the Order under date of March 11th, 1915) in the appeal of J. D. Hill, from the action of Greencastle Lodge, No. 228, I. O. O. F., for failure to pay certain benefits, to wit:

That the Appeal be sustained and the Lodge directed to pay the benefits for the reason that the evidence fails to show that the Brother is not entitled.

Second. For failure to comply with the judgment of the Committee on Appeals, District, No. 1, (said judgment having been sustained by the Committee on the State of the Order, under date of March 11th, 1915), in the appeal of J. D. Hill from the action of Greencastle Lodge, No. 228, I. O. O. F., in expelling the said J. D. Hill, for conduct unbecoming an Odd Fellow, to wit:

That the Appeal be sustained and the Lodge directed to reinstate the Brother, that the for reason that the evidence is insufficient to prove the charges.

Third. For failure to comply with the Mandate of the Grand Master, issued to the Lodge under date of June 10th, 1915, to reinstate J. D. Hill into full membership and pay the amount of benefits found to be due him, within twenty (20) days from date thereof, viz.: June 10th, 1915.

And I do further command that the Officers of said Lodge appear before the Committee of Investigation to be by me appointed (due and timely notice of the time and place of meeting of said Committee to be given by the Chairman thereof), and then make answer to the above charges of violation of the laws, usages and customs of the Order.

And I do further command that the books and records of the Lodge be immediately placed in the hands of the District Deputy Grand Master, Daniel Suter, of Lodge No. 75, to remain in his possession until otherwise ordered.

The Officers and Members of the Lodge are hereby directed to strictly comply with this my Mandate.

Given under my hand and the seal of the Grand Lodge of Pennsylvania, I. O. O. F., this twenty-second day of July, A. D., 1915.

J. P. HALE JENKINS, *Grand Master*.

respectfully report:

That having given notice by registered letter mailed August 26th, 1915, to Greencastle Lodge, No. 228, I. O. O. F., W. W. Lowman Jr., Noble Grand and Dav. Martin, Recording Secretary, a copy of which is attached to the appendix, also to J. D. Hill, J. L. Dentler, H. C. Brewbaker, F. H. Rice, S. H. Eby, Jr., and S. W. Detrich, Greencastle, Pa., your Committee sat to perform the duties of its appointment at the office of the Chairman, 301 Chambersburg Trust Company Building, Chambersburg, Pa., on Wednesday, September 8th, 1915, at 1.30 o'clock, P. M., all members of the Committee being present except Samuel Gelwix. Present also, Usher A. Hall, Grand Secretary of the Grand Lodge of Pennsylvania; W. W. Lowman, Jr., Noble Grand Greencastle Lodge, No. 228; David Martin, Recording Secretary, Greencastle Lodge, No. 228; J. D. Hill, Greencastle Lodge, No. 228; J. L. Dentler, Greencastle Lodge, No. 228, and S. H. Eby, Greencastle Lodge, No. 228. The Committee heard the evidence presented, and made such further inquiry into the facts of the case as seemed proper under the circumstances.

Your Committee therefore submits the following finding of Facts and Conclusion based thereon:

#### FACTS.

First. In case No. 1467, Grand Lodge of Pennsylvania, I. O. O. F., appeal of John D. Hill, against the action of Greencastle Lodge, No. 228, I. O. O. F., in refusing certain benefits claimed on account of sickness, the appeal was on March 25th, 1914, heard before Committee on Appeals, District No. 1, the judgment of the Committee being "that the appeal be sustained and the Lodge directed to pay the benefits, for the reason that the evidence fails to show that the Brother is not entitled." On May 14th, 1914, Greencastle Lodge appealed from the action of the Committee on Appeals, District No. 1. and the appeal was heard on March 11th, 1915. The judgment of the Committee approved by the Grand Master, was "That the appeal of Greencastle Lodge, No. 228, I. O. O. F., be dismissed and the action of District Appeal Committee No. 1, be sustained, for the reason that the Lodge failed to show that the Brother was capable of following his usual or some other occupation whereby he could earn a sum equal to his weekly benefits." On April 16th, 1915, the Lodge was notified by the Grand Secretary of the action of the Committee on State of the Order.

Second. In case 1471, Grand Lodge of Pennsylvania, I. O. O. F., appeal of John D. Hill, against the action of Greencastle Lodge, No. 228, I. O. O. F., in expelling the said John D. Hill, for conduct unbecoming an Odd Fellow, the appeal was on March 25th and 30th 1914, heard before Committee on Appeals, District No. 1, the judgment of the Committee being: "That the appeal be sustained and the Lodge directed to reinstate the Brother for the reason that the evidence is insufficient to prove the charges." On May 14th, 1914, Greencastle Lodge, No. 228, I. O. O. F., appealed from the action of the Committee on Appeals, District No. 1, and the appeal was heard and the case reviewed, on March 11th, 1915. be-

fore Committee on State of the Order. The judgment of the Committee, approved by the Grand Master, was, "That the appeal of Greencastle Lodge, No. 228, I. O. O. F., be dismissed and the action of District Appeal Committee No. 1 be sustained and the Lodge directed to reinstate Brother J. D. Hill for the reason that the charges preferred have not been sustained by the evidence." On April 16th, 1915, the Lodge was notified by the Grand Secretary of the action of the Committee on State of the Order.

Third. On June 1st, 1915, S. W. Detrich, J. L. Dentler, H. C. Brewbaker, F. H. Rice, and S. H. Eby, Jr., members of Greencastle Lodge, No. 228, I. O. O. F., forwarded a complaint to the Grand Master, J. P. Hale Jenkins, against Greencastle Lodge, No. 228, I. O. O. F., for not complying with the judgment of the Committee on State of the Order to pay the benefits claimed by J. D. Hill, and to reinstate the said J. D. Hill. On June 10th 1915, the Grand Master, J. P. Hale Jenkins, directed Greencastle Lodge, No. 228, I. O. O. F., to proceed immediately to carry out the judgment of the Committee on State of the Order, in cases No. 1467 and 1471, and to reinstate Brother J. D. Hill into full membership and pay the amount of benefits found to be due him within twenty (20) days from date of notice. The Lodge received the said communication from the Grand Master. It was at a meeting of the Lodge held June 17th, 1915, read and considered. The action of the Lodge as shown by its Minutes was as follows: "Communication from Grand Master received and on motion, a ballot was taken for reinstatement of J. D. Hill which was unanimously rejected and the Secretary instructed to communicate results to Grand Master." Under date of June 19th, 1915, pursuant to the action of the Lodge, David Martin, Recording Secretary of Greencastle Lodge, No. 228, I. O. O. F. under the seal of the Lodge, notified Grand Master J. P. Hale Jenkins, of the action of the Lodge, as to the matter of the reinstatement of J. D. Hill, stating that the Lodge had by ball ballot unanimously rejected a motion to reinstate J. D. Hill. On July 22nd, 1915, the Grand Master issued his Mandate suspending Greencastle Lodge, No. 228, I. O. O. F., from all rights and privileges of the Order, and directing that the Officers of the Lodge appear before the Committee of Investigation to be by him appointed, and further directing that the books and records of the Lodge be immediately placed in the hands of Daniel Suter, D. D. G. M. This Mandate was complied with. Danl Suter, D. D. G. M. pursuant to direction of the Grand Master, under date of July 22nd, 1915, proceeded to Greencastle and took possession of the books and records of the Lodge and forwarded the same to the Grand Secretary. On August 19th, 1915, the Committee of Investigation was appointed by the Grand Master.

Fourth. The action of Greencastle Lodge, No. 228, I. O. O. F. in failing to comply with the judgment of the Committee on Appeals, in District, No. 1, in the matter of payment of certain benefits to J. D. Hill, and in failing to comply with the judgment of the Committee on Appeals, District, No. 1, as to the expulsion of the said J. D. Hill and his reinstatement, and the further action of the said Greencastle Lodge, No. 228, I. O. O. F., in refusing to obey the Mandate of the Grand Master with reference to carrying out the judgment of the Committee on State of the Order in cases Nos. 1467 and 1471, was deliberate, intentional and final, and with full knowledge that such action would probably result in the expulsion of the Lodge from the Order. No evidence has been produced before the Committee showing any likelihood of change in the action of the Lodge with reference to said matters.

Fifth. The present Officers of Greencastle Lodge, No. 228. I. O. O. F., are W. W. Lowman, Jr., Noble Grand; W. W. Lowman, Sr., Financial Secretary, and David Martin, Recording Secretary. The membership of the Lodge, when it was supposed that J. D. Hill's connection therewith had ceased, increased by some 18 or 20, making a total at that time of about 100. About sixty per cent. of the members dropped out when the action of the Committee on Appeals of the Grand Lodge became known to the membership of Greencastle Lodge. When the Lodge was suspended there were about 12 paying members or members that were beneficial. The Lodge is in a condition of hopeless disorganization and disruption as the result of the differences which arose therein with reference to said J. D. Hill, and the matter of his benefits and his reinstatement. The Lodge last met, July 22nd, 1915. The communication from the Grand Master, dated July 22nd, 1915, has never been acted upon by the Lodge, for the reason that on that night they gave up the books to the District Deputy Grand Master, and did not meet later. The Lodge did not, pursuant to the direction received by it pay any benefits to J. D. Hill, and did not reinstate him.

#### CONCLUSION.

Your Committee finds Greencastle Lodge, No. 228, I. O. O. F., guilty of improper conduct and violation of the Rules of the Order as herewith set forth:

First. For failure to comply with the judgment of the Committee on Appeals, District, No. 1, (said judgment having been sustained by the Committee on State of the Order under date of March 11th, 1915), in the appeal of J. D. Hill from the action of Greencastle Lodge, No. 228, I. O. O. F., for failure to pay certain benefits, to wit:

"That the Appeal be sustained and the Lodge directed to pay the benefits, for the reason that the evidence fails to show that the Brother is not entitled."

Second. For failure to comply with the judgment of the Committee on Appeals, District, No. 1, (said judgment having been sustained by the Committee on the State of the Order, under the date of March 11th, 1915), in the appeal of J. D. Hill, from the action of Greencastle Lodge, No. 228, I. O. O. F., in expelling the said J. D. Hill for conduct unbecoming an Odd Fellow, to wit:

"That the appeal be sustained and the Lodge directed to reinstate the Brother, for the reason that the evidence is insufficient to prove the charges."

Third. For failure to comply with the Mandate of the Grand Master, issued to the Lodge under date of June 10th, 1915, to reinstate J. D. Hill into full membership and pay the amount of benefits found to be due him, within twenty (20) days from date thereof, viz: June 10th, 1915.

Your Committee recommends as a proper penalty, the expulsion of the Lodge from the Order.

Respectfully submitted,

J. A. STRITE, Chairman.

DANIEL SUTER, D. D. G. M.,

D. J. RHEA, P. G.,

E. S. HOKE, P. G.

November 30th, 1915.

I approve of the findings and recommendations of the Committee.

In this connection I desire to state that I have been obliged to take possession of the effects of the Lodge and have had them shipped to the Grand Lodge Office in Philadelphia, in order to vacate the premises formerly occupied for Lodge meetings and stop the rent. The payment of back rent and expenses of packing and shipping the books and effects, together with the expense of the Committee on Investigation, amounted to \$39.90.

#### FRANCONIA LODGE CASE.

The case reported to the last Session of the Grand Lodge by my predecessor in office; his action in the matter of suspending the Lodge and appointing a Committee of Investigation was approved. See Journal 1915, pp. 529-531, 688. The Committee appointed have performed the duty assigned to them, and presented the following Report:

J. P. HALE JENKINS,

Grand Master, I. O. O. F., of Penna.

*Dear Sir and Brother:*

The Committee appointed by Paul A. Benson, Grand Master, as a Committee of Investigation, to examine into and report upon the facts in the case of Franconia Lodge, No. 189, I. O. O. F., would respectfully report:

That in accordance with Section 3, Article XXXI, of the By-Laws of the Grand Lodge, the Committee notified the Lodge and all parties interested, of the time and place of their meeting. The first meeting of the Committee was held at the office of the Grand Secretary, 1723 Arch Street, Philadelphia, April 30th, 1915, proof of notice of the time and place of meeting of said Committee on the Lodge and all parties interested was made. Brother Louis Bergman, Secretary of the Lodge was present, and also Ferd. Glaesser, Joseph P. Wilde and Henry Ritzius, members of the Lodge, the Secretary of the Lodge informed the Committee that Brothers August Gross and Franz Mayer were deceased.

The testimony taken at the meeting proved that the specifications set forth in the Mandate of the Grand Master were true. The members of the Lodge in their testimony expressed their belief that they could get together and revive the Lodge. In order to give them an opportunity to see what could be done, the Committee adjourned to meet June 3rd, and hear the report of the members. On that date, but one Brother—Joseph P. Wilde—appeared, and the Committee again adjourned to meet June 10th, On that date Brother Wilde again appeared, gave the Committee a check for \$50.00, the amount he had received of the funds of the Lodge. A letter was received from Brother Bergman, the Secretary, informing the Committee of the inability of the members to get together. he enclosed a check for \$104.50, balance of amount in treasury of the Lodge.

The Committee thereupon took action, and as to the first specification in the Charges of the Grand Master.

First. For not holding a regular meeting of the Lodge for a period of three months, the Committee find this specification of the charges fully sustained, the testimony of the Secretary of the Lodge being to the effect that no regular meeting of the Lodge had been held since April, 1914.

As to the second specification of the charges as presented by the Grand Master,

Second. For paying over to each of the seven remaining members of the Lodge the sum of \$50.00, out of the common funds of the Lodge, in violation of the laws of the Order as set forth in Section 2, of Article XXIII, of the Constitution for Subordinate Lodges, whereby each of said seven members violated their obligation taken at initiation.

The Committee find this specification of the charges fully sustained and that the testimony establishes that the following members of the Lodge violated not only their obligation, but also the laws of the Order in participation of the illegal distribution of the funds.

C. Fred Wagonbauer who received	\$50.00	
Franz Mayer who received	50 00	(Now Deceased)
Ferdinand Glaesser who received	50 00	
August Gross who received	50 00	(Now Deceased)
Henry Ritzius who received	50 00	
Louis Bergman who received	50 00	
Joseph P. Wilde who received	50 00	at the request
of the Committee returned the \$50 which he had received.		

The Committee therefore recommend that the Lodge be expelled, and that the Grand Master take such steps as may be required by the laws of the Order for the surrender of the Charter of the Lodge, and the return of the Secret Work, Paraphernalia and other property of the Lodge to the Grand Lodge.

The Committee further recommends that steps be taken against such of the members above named, as are alive, to secure the return of the amounts paid.

Fraternally submitted,

ROBERT GRAHAM, P. G. M., Chairman,  
WILLIAM E. McCALL, Jr.,  
LOUIS J. SUESS,  
VINCENT SCHNEIDER,  
JOSEPH T. TAYLOR.

Under date of February 11th, 1916, I approved of the above report of the Committee and appointed Brother Joseph T. Taylor, Attorney for the Grand Lodge, with instructions to proceed under due process of law, to collect from C. Fred. Wagonbauer, Ferdinand Glaesser, Henry Ritzius and Louis Bergman, the amount of money illegally received, and still in their possession.

Under date of April 10th, 1916, Brother Joseph T. Taylor Attorney in the case, reported the receipt by him of \$50.00 from Henry Ritzius, being the full amount of the claim against said Brother, and which amount was paid over to the Grand Secretary. He further reported in the case of Ferdinand Glaesser, that said Brother is 75 years of age, his wife is sick, and he cannot work except in the spring or summer, at gardening, at \$1.50 per day. This is not regular work. He has absolutely no money and finds it hard to exist.

The cases against C. Fred. Wagonbauer and Louis Bergman are still pending.

The above monies amounting to \$204.50 have all been credited to the Defunct Lodge Fund.

I recommend that Brother Taylor be instructed not to proceed further against Brother Ferdinand Glaesser.

## LADY WILDEY REBEKAH LODGE.

At a regular meeting of Lady Wildey Rebekah Lodge, No. 156, I. O. O. F., held February 20th, 1914, the Lodge did, after due trial, expel Sisters M. Ida Shuler, Susan B. Richelderfer, Emma Hall and Brother J. F. Shuler, members of said Lodge, for conduct unbecoming a member of the Rebekah Degree, as per specifications set forth in the Charges.

Appeal was taken against said expulsion and the case heard before District Appeal Committee, No. 2, at Williamsport, September 29, 1914, when the appeal was sustained and the action of the Lodge reversed, and directed to reinstate the Appellants. See Journal 1915, p. 597.

Appeal was taken by the Lodge against the findings of District Appeal Committee, No. 2, said appeal being acted upon by the Committee on State of the Order, at Philadelphia, March 11th, 1915, when the appeal of the Lodge was dismissed and the action of District Appeal Committee, No. 2 sustained, and the Lodge directed to reinstate Sisters M. Ida Shuler, Susan B. Richelderfer and Emma Hall and Brother J. F. Shuler, on account of irregularities in the proceedings and for the reason that the charges and specifications were too vague, indefinite and uncertain. See Journal 1915, p. 600. Said report was approved by the Grand Master.

Complaint having been made to me that the Lodge refused to comply with the findings of the Committee on State of the Order, I issued the following order:

J. P. HALE JENKINS, G. M.	} CHARGES.
Grand Lodge of Penna.	
v. s.	
Lady Wildey Rebekah Lodge, No. 156, I. O. O. F.	

First. For failure to comply with the judgment of the Committee on Appeals District, No. 2, in the Appeal of M. Ida Shuler, et. al., vs. Lady Wildey Rebekah Lodge. No. 156, I. O. O. F., said judgment having been sustained by the Committee on State of the Order under date of March 11th, 1915, when the Lodge was directed to reinstate Sisters M. Ida Shuler, Susan B. Reichelderfer, Emma Hall and Brother J. F. Shuler, on account of irregularities in the proceedings and for the reasons that the Charges and Specifications are too vague, indefinite and uncertain.

Second. For refusing to comply with the Mandate of the Grand Master, issued under date of July 8th, 1915, directing the Lodge, within one month from said date, to reinstate the Appellees. M. Ida Shuler, Susan B. Reichelderfer, Emma Hall and J. F. Shuler.

I also appointed Brother Walter E. Ritter, P. G., to represent me as Grand Master in the investigation.

The following is the report of the Committee:

WILLIAMSPORT, PA., March 8, 1916.

To J. P. HALE JENKINS,

*Grand Master, I. O. O. F., Norristown, Pa.*

*Dear Sir and Brother:*

Your Committee appointed to try Lady Wildey Rebekah Lodge, No. 156, I. O. O. F., at Montgomery, on Charges preferred by the Grand Master, would respectfully submit the following report:

#### FINDING OF FACTS.

We find that the Lodge in good faith preferred Charges against four of its members and proceeded to try them, finding them guilty of the Charges and consequently expelling them.

From this finding and sentence, the four members appealed and their appeal was referred to the Committee on Appeals, District, No. 2. This Committee reported as follows:

Finding gross irregularities in the procedure of the Lodge, the appeal was sustained and the action of the Lodge reversed and the Lodge directed to reinstate the Appellants.

From this this decision the Lodge appealed and the case went to the Committee on the State of the Order. This Committee reported as follows:

Appeal dismissed and the action of District Appeal Committee No. 2 sustained, and the Lodge directed to reinstate Sisters M. Ida Shuler, Susan B. Reichelderfer and Emma Hall and Brother J. F. Shuler, on account of irregularities in the proceedings and for the reason that the Charges and Specifications were too vague, indefinite and uncertain.

The Lodge, feeling that it would be doing the Order a wrong to reinstate these four members whose expulsion had not been condemned by other reasons than irregularities in the procedure of the trial, disregarded the finding of the two Committees, not with any thought of rebellion, but with the hope that in some way the whole matter would be set right; this delay caused the four persons interested to complain to the Grand Master. He at once directed the Lodge to reinstate the four members by a certain date; a motion was made in open Lodge to comply with the Grand Master's Mandate and reinstate the four members. This action was defeated by nearly unanimous vote whereupon the Grand Master suspended the Lodge on August 10th, 1915, and the suspension was put into effect on August 13th, 1915, by District Deputy Grand Master, Charles W. Huntington.

Without any expression of opinion as to the guilt or innocence of the four members expelled, we suggest that perhaps a more happy conclusion of the matter might have been attained had the Committees have remanded the case for re-trial on more perfect a course of procedure in accordance with the laws of the Order.

We are fully persuaded that the vote of the Lodge on August 6th, 1915, refusing to reinstate the four members was so taken because of a settled conviction that the four members were guilty and that simply because the charges were not properly drawn and the case properly tried, the right and duty of the Lodge to expel unworthy members was being overthrown, forgetting the fact that after complying with the Mandate of the Grand Master they could have again proceeded with charges and trial in proper form. We believe that it was with this conviction and no thought of insubordination or recalcitrancy or contumacy that they so voted. They did so perfectly innocent of any intention to defy the Grand Master's Mandate; they were also under the impression that they were simply taking advantage of the fact that the four members had not asked to be reinstated and therefore it was not necessary to reinstate them; of course this was an erroneous idea, but one nevertheless which influenced them for the moment. When however this error was called to their attention they recognized it, and made apology therefor to the Grand Master, and recalled their vote and voted unanimously to reinstate the four persons, as cited in our original report.

In view of the foregoing, our finding in the case, is guilty with extenuating circumstances, that is, the Lodge did not defy the Grand Master's Mandate with any malice aforethought; though, under a misapprehension they did vote down a motion to obey said Mandate; later, however, they reconsidered their action and extended to the Grand Master their apologies and regrets accompanied by their best wishes. They have expressed sorrow that they unintentionally did disobey the Mandate of the Grand Master in having voted down the action to reinstate, on what has already been stated, that a failure on the part of the four members who had been expelled, to ask for reinstatement, opened the way for them to refuse to reinstate, oblivious for the time to the fact that such action would constitute disobedience; thus the principle of contumacy or that of a defy was entirely absent. They also assured us that they had never intended, in the past, to defy the authority of the Grand Master or the Grand Lodge and that they will never do so in the future.

#### RECOMMENDATION.

In view of these extenuating circumstances and in recognition of the teachings of the Golden Rule, we earnestly recommend to the Grand Master that if in his judgment this Lodge deserve more punishment than they have suffered in being deprived of their Charter and paraphernalia for more than seven months, that he administer such reprimand as his sense of justice may determine, either in person or by his duly accredited Representative, tempering his justice with mercy and so rule that the Lodge may be restored and these Sisters and Brothers be afforded another opportunity to conduct themselves in the administration of their Lodge affairs in strict conformity with the wise and wholesome, but not inexorable laws of our beloved Order. The Brothers in this Lodge are among the best, most earnest and active Odd Fellows in this District; they are influential in our Encampment and Military branches, and we here should extremely regret to see the Lodge expelled. They as well as ourselves have the best interests of the Order and its principles at heart, and they are actuated as we believe by the pure principles of Odd Fellowship as embodied in the teachings of our various degrees.

Respectfully submitted,

CHARLES W. HUNTINGTON, P. G.. No. 662,  
Chairman, D. D. G. M.,  
W. HARRY DENNIS, P. G., No. 1007,  
D. D. G. P., District No. 27,  
CHARLES F. GILMORE, P. G., No. 662,  
Secretary of the Committee,  
ROBERT A. QUIGLEY, P. G.. No. 729,  
D. D. G. M., District, No. 1,  
ELMER E. SHAFFER, P. G., No. 236.

This report has not been approved by the Grand Master. He has hesitated in consequence of the fact that he cannot agree with the statement, made by the Committee, that the Lodge did not defy the Grand Master's mandate, under the misapprehension that they hoped, in some way, to be relieved from the difficulty under which they were laboring. The order of Grand Master Benson, that the expelled members should be reinstated, was defied. Later, the present Grand Master, under date of July 8th. 1915, directed the reinstatement of the suspended members.

This was not complied with, and then the paraphernalia of the Lodge was sold for \$1.00; the piano, which the Lodge owned, was sold for \$2.00, and a note for \$25.00 being delivered at the same time. A balance in a general fund, raised by all of the members, for the purpose of extending the good of the Order, was used to pay for a supper of which all of the members, except the four who were suspended, partook, the four suspended members having contributed to this fund as well as the members who attended. The earnest and conscientious efforts of the Committee, appointed to try this Lodge, particularly those of its chairman, in endeavoring to secure an adjustment of its difficulties came to naught. They persistently refused to reinstate the four members, and to this day, their purpose is, if the Charter be restored and the suspended members reinstated, to immediately prefer charges against them, which would make additional and immediate trouble for the Lodge and probably the same trouble for some succeeding Grand Master.

The judgment of the Grand Master is that this Lodge should be expelled, and I recommend that this action be taken by the Grand Lodge at this Session. I assume there will be an appeal made in behalf of the Lodge, but if made, it is made in behalf of members who, for several years, have defied repeatedly the instructions and definite mandates of this Grand Lodge and who have persisted in this conduct up to the present writing. The matter, however, is submitted to the Grand Lodge for its consideration.

#### FARMERS' AND MECHANICS' LODGE.

Complaint having been received from the Grand Master of the Jurisdiction of Maryland, that on or about May 21st, 1914, Farmers' and Mechanics' Lodge, No. 185, I. O. O. F., located at Linwood, County Delaware, had unlawfully initiated one Joseph Perkins, a resident of Havre-de-Grace, Maryland, I took up the subject with said Lodge and learned that they had initiated Joseph Perkins at a time when he was a resident of the Jurisdiction of Maryland, the Lodge, however, acting in ignorance of the full law on the subject, believing that the Brother was to remove to Linwood and take up his residence there. I was therefore compelled to enforce the penalty provided for the violation of the law on the subject, and to require the said Lodge to pay over the fees and dues received from the Brother, amounting to \$25.90, to the Jurisdiction of Maryland. Brother Perkins has since been transferred to Morning Star Lodge, No. 20, I. O. O. F., of Havre-de-Grace, Maryland.

I desire to warn all the Lodges of our Jurisdiction against any violation of the law on the subject, which is as follows:

"No citizen of any State, District or Territory wherein Lodges or Encampments are established, shall be admitted to membership in a Lodge or Encampment of another State, District or Territory without the previous consent of the Grand Lodge or Grand Encampment or Grand Master or Grand Patriarch of the State, District or Territory wherein such citizen is a resident." S. G. L. Constitution, Article XVI, Section 3.

#### SPRING HOUSE LODGE.

Spring House Lodge, No. 329, I. O. O. F., formerly located at Spring House, County of Montgomery, surrendered its Charter on May 5, 1915, owing to lack of interest in the few remaining members and their inability to meet the constantly increasing demands for benefits. The Hall formerly owned by the Lodge was sold by the Sheriff on March 1st, 1915, to satisfy the Mortgage thereon.

I directed the former Secretary of the Lodge, Brother Morris L. Thoman, to sell the personal property of the Lodge, other than that required to be returned to the Grand Lodge, which was done, and the

receipts of the sale, together with the balance received from the Sheriff on account of the sale of the real estate, less the expenses incurred, amounting to \$140.76 were turned over to the Grand Secretary.

There were also presented three claims against the Lodge for sick and death benefits due prior to the surrender, amounting to \$226.00. Finding these claims valid, I directed that the claimants be paid a proportionate share of the money received from the sales as above noted, providing they agreed to receive said share, in full for their claim. This they each agreed to and the Grand Secretary has paid the claims and taken receipts in full in accordance with said directions.

This Lodge has had an experience which is likely to happen to any Lodge, similarly located. When instituted, the Lodge was located at the junction of four or five roads, and before the advent of the railroad it was in a prosperous village, and, immediately after its institution, had flattering prospects and was doing very desirable work. With the advent of the railroad however, the village did not progress and the Boroughs of North Wales and Ambler, located along the line of the North Pennsylvania Railroad, in the immediate vicinity, became important Boroughs, in each of which a Lodge was instituted, and in both of which the Lodges became prosperous. These not only took away from Springhouse Lodge some of its active members, but the young men of the immediate community naturally drifted to the Boroughs and Springhouse Lodge soon dropped from a membership of one hundred and eighty to a mere handful, many living at quite a distance from the Lodge room, and very few of these attempted to attend the meetings. This condition existed for some time. The Lodge was directed to hold meetings or surrender its Charter, but it seemed impossible to hold the meetings. The Lodge during the time of its prosperity erected a Hall. Subsequently money was borrowed on a mortgage, the proceeds of which were used to pay the benefits and the current expenses of the Lodge. Finally the mortgagee not receiving any interest on his investment, foreclosed the mortgage and the property was sold at Sheriff's Sale during the past year. The Lodge then had no habitation and the few remaining members concluded to surrender the Charter.

The following is a statement of the assets of the Lodge as collected by the Secretary of the Lodge, in accordance with instructions received from the Grand Master, and the disposition of the proceeds thus collected, as rendered by the Grand Secretary. I trust the Grand Lodge will ratify the action of the Grand Master in this regard.

## PAUL KETTERLINUS LODGE.

Shortly before the last Annual Session of the Grand Lodge, certain of the books of Paul Ketterlinus Lodge, No. 673, I. O. O. F., of Philadelphia, were delivered at the office of the Grand Secretary, by acting Secretary of the Lodge, and the Grand Secretary notified that the Lodge had, at their last meeting, decided to surrender. The District Deputy Grand Master of the District in which the Lodge was located was notified to collect the Charter, Rituals and effects of the Lodge remaining in the Hall where meetings had been previously held, and the Lodge was reported at the Session of the Grand Lodge as having surrendered under date of April 29, 1915.

Shortly after the Session of the Grand Lodge, and before the Charter and effects had been secured, certain of the members of the Lodge made application for the return of the books surrendered to the Grand Secretary, on the grounds that the Brother acting as Secretary at the time had been given no authority to surrender the same, and that there was good prospects of the Lodge receiving some new members and becoming active. After exacting a pledge from said members to use an earnest effort to renew the activity and increase the membership of the Lodge, the Grand Secretary was directed to return the books in his possession, and to place the name of the Lodge on the roll of active Lodges. The District Deputy Grand Master was also directed to see that a regular election was held for Officers of the Lodge, and to have the same properly installed. This has been done. I therefore ask the approval of the Grand Lodge in directing the name of this Lodge to be replaced upon the roll of Lodges.

## MASON AND DIXON LODGE, NO. 914.

At the Annual Session of the Grand Lodge held May, 1913, the Report of the Committee appointed to try Mason and Dixon Lodge, No. 914, was included in the Report of the Grand Master, Hermann W. Roller. That Report was approved by him and he recommended that Brother Jacob A. Strite, Past Grand of No. 75, be instructed to proceed to collect the Charter, books, papers, assets and other property of the said Lodge, in behalf of the Grand Lodge.

Brother Strite has been engaged in this work from that time, he securing a dissolution of the State Line Hall Association, the Lodge holding twenty-five shares of its capital stock. The property was sold and the fund reported to the Court for distribution, and after the payment of the debts on record and the necessary cost of proceeding, \$600.00 was paid to Brother Strite, being all of the pecuniary assets of the Lodge. This Brother Strite collected, and paid, as is shown by the Report of the Committee, certain expenses amounting to \$175.00 (receipts for which are on file in the office of the Grand Secretary) and the balance placed to the credit of the Defunct Lodge Fund.

I recommend that the final report of the Committee be approved, and the payments made, ratified and confirmed.

The following is the report of the Committee:

To J. P. HALE JENKINS,

*Grand Master of the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee consisting of Edward S. Hoke, P. G., of No. 75; George W. Klee, P. G. of No. 75, and J. A. Strite, P. G., No. 75, Chairman, heretofore appointed in accordance with the laws of the Order, to try Mason and Dixon Lodge, No. 914, I. O. O. F., sup-

plementary to its report hitherto made in which it recommended the expulsion of the Lodge from the Order pursuant to further authority granted to the Committee as to proceedings with the turning of the property of the Lodge into money for the benefit of the Grand Lodge, I. O. O. F., of Pennsylvania, respectfully reports:

### FIRST.

That through its Chairman and Attorney, J. A. Strite, it instituted proceedings for the dissolution of the State Line Hall Association in which Mason and Dixon Lodge was the owner of twenty-five (25) shares of the capital stock, which in its report it had estimated to be probably worth par or a total of \$500, and succeeded in bringing about a dissolution of the corporation and in effecting an advantageous sale of its property with the result that upon distribution of the assets of the corporation by an Auditor in the Court of Common Pleas of Franklin County, Pa. there was awarded to the Grand Lodge of Pennsylvania, I. O. O. F., as its share of the assets of the corporation, the sum of Six Hundred (\$600.00) Dollars.

### SECOND.

Your Committee finds as a fact that Mary A. Kuhn., widow of George W. Kuhn, deceased, should receive out of the fund realized, the sum of Fifty (\$50.00) Dollars, to which she is entitled as death benefits, the Committee being satisfied that her husband was a member in good standing of the Lodge at the time of his death, and that her failure to receive the death benefits was due to the demoralized condition of the Lodge. The Committee also finds that there should be allowed to J. A. Strite, the Attorney who conducted the proceedings, the sum of One Hundred Dollars (\$100.00) as counsel fees, and Twenty-five (\$25.00) Dollars, a reasonable allowance for stenographic services and other expenses, separate vouchers for which are herewith forwarded, and the forwarding of the remainder of the amount realized to the Grand Lodge of Pennsylvania.

### THIRD.

Pursuant to the above, statement follows and remittance is herewith enclosed.

Amount received as per report of Auditor ..		\$600 00
Amount paid Mary A. Kuhn, death benefits ..	\$50 00	
Amount paid J. A. Strite, Counsel Fees .....	100 00	
Amount paid J. A. Strite, stenographic services and other expenses .....	25 00

### LAPORTE LODGE

The insurance on the Baptist Church property at La Porte, against which the Grand Lodge holds a mortgage—the mortgage being the property of late LaPorte Lodge—having expired, a new policy for five years has been purchased the premium \$7.00 having been paid out of the fund.

In other respects, this matter is in the same condition as existed when Grand Master Benson reported the facts last year.

DAUPHIN LODGE, NO. 160, *vs.* HARRISBURG LODGE, NO. 68.

A complaint was received from Dauphin Lodge, No. 160, against Harrisburg Lodge, No. 68, with reference to a proper accounting for rent due. This matter was referred to the Grand Warden, Robert W. Montgomery, who had the trouble amicably adjusted.

The Grand Master is under obligations to the Grand Warden for his diplomatic skill in adjusting the controversy.

## DORMANT REBEKAH LODGES.

At the Annual Session held in Stroudsburg last year, the Grand Master was instructed to secure the Charters and paraphernalia of certain Rebekah Lodges, named in a report submitted to the Grand Lodge by the President of the Rebekah Assembly. They were fourteen in number. Of the fourteen Lodges thus named in the report, I have secured the Charter, Ritual, and effects of the following named Lodges:

Olivia Rebekah Lodge, No. 241, Wrightsville, York County.  
Narcissus Rebekah Lodge, No. 298, Shrewsbury, York County.  
Henrietta Rebekah Lodge, No. 17, Aldenville, Wayne County.  
Juniata Rebekah Lodge, No. 185, Newton Hamilton, Mifflin County.  
Sunshine Rebekah Lodge, No. 203, Bedford, Bedford County.  
Primrose Rebekah Lodge, No. 243, East Benton, Lackawanna County.  
Victoria Rebekah Lodge, No. 39, Centralia, Columbia County.

From the remaining seven, the Deputy Presidents were unable to obtain their Charters and effects. I suggest that this matter be referred to the incoming Grand Master with instructions to have the Charters of these several Lodges, practically defunct, returned to the Grand Secretary.

## HOME FOR THE AGED AND THEIR WIVES.

The Committee to whom was referred this very interesting question as to the provision to be made by the Order at large for the maintenance of a Home or Homes for the aged of the Order and their wives, was materially changed by reason of the resignation of two of its members, Grand Representative James H. Avery and Past Grand Master, Fred C. Hanyen. Brother Avery wrote me under date of June 22, 1915, as follows:

"In view of the fact that I am a Grand Lodge Officer, I deem it inadvisable for me to continue as a member of the Special Committee of Aged Odd Fellows' Homes. I therefore tender you my resignation as a member of said Committee."

Brother Hanyen tendered his resignation in a letter, dated August 23, in the following words:

"I desire herewith to tender my resignation as a member of the Grand Lodge Special Committee on Aged Odd Fellows Home. I have reached this conclusion with great reluctance, as my heart and soul were thoroughly wrapped up and enlisted in the service I might be able to render the Brotherhood through the work of this Committee. However, having been elected to the office of Grand Treasurer of the Grand Lodge, and by virtue thereof made a member of the Board of Grand Lodge Officers, I have been forced to the conclusion that in all fairness to our membership I should relinquish my position on said Committee, and avoid all occasion for the bringing of the charge of duplicity on my part, which

might have a tendency to hinder or retard a full, free and fair consideration of the very important matters delegated to said Committee.

Expressing the hope and conviction that one more capable than myself will be found to take my place upon this Committee, and that the questions involved will be solved to the entire satisfaction of all concerned, I remain,"

Both resignations were accepted because both of the Brothers felt that owing to the fact that they were members of the Board of Grand Lodge Officers some question, in the consideration of this interesting subject, might arise which would be referred to the Board of Grand Lodge Officers.

In their places were appointed P. G. Irwin Fisher, of No. 430 and P. G. Charles N. Wagner, of No. 71. This Committee has had several meetings and will present a report with certain recommendations to the Grand Lodge. The nature of these recommendations is not, at present, known to the Grand Master.

Several of the Grand Lodges throughout the jurisdiction of the Sovereign Grand Lodge have already taken the step, which secures to the aged and their wives, a haven of rest in the decline of years, and Pennsylvania should no longer hesitate to do the same thing. The Grove City Home is a most admirable institution. Its benefits are confined, however, to the Lodges that are members of the Corporation. The Philadelphia Home does not make provision for the wives of Odd Fellows. This last named Home was started years and years ago, and at that time the necessity for making provision for the wives and widows of our members was not realized. As at present organized and managed, no Odd Fellow and his wife can become residents of the Grove City Home unless the Lodge to which the Brother belongs, is a member of the Home. Hence this great charity is confined to those Lodges, about two hundred and sixty in number, that have been impressed with the necessity of taking the action, which is now suggested that the Grand Lodge take. We cannot stand idly by and have this great charity restricted to one-fifth of our membership. We are thus depriving the other four-fifths from securing that boon, which is so greatly to be desired.

The Home at Grove City is supported by the voluntary act of its members. This, in time, may be withdrawn or may be in part withdrawn. It certainly is advisable to have the Home placed on such a stable foundation that the care and maintenance of our old brothers and their wives would not be dependent on the voluntary act of the members of those Lodges which support the Home. From time to time, they may withdraw. That has been the experience of the Philadelphia Home. In case of an epidemic, the Treasury of the Lodges might be depleted by the payment of ordinary sick and funeral benefits. The Lodges might then conclude to withdraw their membership from the Home. The Grand Lodge, by its legislation, can require each member in the State to contribute his mite toward the support of a worthy charity of this kind.

Feeling, therefore, that the voluntary method is not to be compared with that method, which brings stability and absolute security in its place, I earnestly recommend the adoption of such legislation at this Session of the Grand Lodge, which will procure permanency. This step would insure to the fraternity a place, wherein the old Odd Fellows and their wives could be received and maintained during the declining years of their lives. Certainly it is a consummation devoutly to be wished.

The adoption of the recommendation just made, would render impossible what now can and too frequently does happen, i. e., an Odd Fellow's spending the last days of his life in the almshouse. I look forward to the time when it can be truthfully said that no Pennsylvania Odd Fellow, nor his aged wife or widow shall die in the almshouse.

This recommendation is merely a reiteration of the recommendation made by Past Grand Master Benson. I recommend it to the favorable considerations of the Representatives.

### SUSPENSIONS.

This question is a very serious one for the several Lodges throughout the Jurisdiction to consider. In very many instances, members are lost to the Lodges by suspension for the non-payment of dues, owing to the carelessness of the secretaries, and frequently it is those in the best of health, who are lost to the Lodge, whilst those whose health has been impaired, are careful to keep their dues within the limit prescribed by law. In other words, the selection is against the Lodge. The member in the best of health is the one likely to become indifferent about his membership. With proper care on the part of its officers, he might become an active member, while he whose health has become impaired, or who realizes that some insidious disease has begun to make inroads on his health, carefully retains his membership and probably becomes a burden to the Lodge. The healthy member, who might be a valuable member of the Lodge, is lost to the brotherhood and the delicate member retains his membership.

In a conversation with P. G. Clarence G. Place, of Economy Lodge, No. 397, located in Montgomery County, Pennsylvania, on the question now being considered, he stated that he had made a correct record of the membership of his Lodge, since its institution in 1850, which showed that of the entire membership of four hundred and sixty-eight since its organization, it had, April 1, 1915, a membership of one hundred and fifty-two, or 32½ per cent. of the entire membership. The average age at the time of admission was twenty-seven and one-half (27½) years; and the average lodge life of a member was eleven years, eleven months. He also informed me that of the membership, nine and one-quarter per cent. withdrew by card; eleven and one-tenth per cent. lost their membership by death and that forty-seven and one-tenth per cent. were suspended for non-payment of dues, or nearly one-half of those admitted lost their membership in the lodge in this manner.

Carlisle Lodge, No. 91, has a most admirable record of the membership of the Lodge. It is an eminently successful Lodge and yet their record shows that the average Lodge life of a member is thirteen years, one and a half months and that a larger percentage of members are lost by suspension than are lost in every other way. It is apparent, therefore, that there is something radically wrong, not with the laws of our Order, requiring suspension, but with the carrying out, in a fraternal spirit of those we have.

How to correct this error is not yet apparent, but very much like the activity of the Lodge, it depends upon the personal activity of its members. By that activity, fewer members would be lost by suspension, and more would be gained by initiation. With neglect of the members to personally take an active interest in Lodge matters, the number of suspensions increases and the number of initiations decreases. The appointment of a Committee to visit those, whose dues are in arrears for a period, exceeding thirteen weeks is suggested as one of the means of avoiding the fearful loss annually by suspension for non-payment of dues.

### CONCLUSION.

My report is ended. Not that it contains all that transpired, during the year just closing, but those more important matters which should be placed on record for the inspection and approval of the Representatives. That I have not erred is not claimed by me, but be assured that what errors

have been committed were of the head and not of the heart. I sought to do right. I craved the guidance of God to lead me aright, and throughout the year sought those of greater experience to advise and guide me.

During the past year the corps of Grand Lodge Officers have been loyal and true. At no time did any of them, by excuse, or otherwise, decline the performance of any duty assigned them. Indeed in some instances they anticipated my desires and offered such assistance as could only have been prompted by brotherly love. This is especially true during the month or six weeks that I was unable to carry out certain purposes, owing to the slight disability under which I labored, the result of the accident which rendered my right arm useless. To all of these Brothers, thanks, gracious thanks are extended, but I realize that thanks cannot repay them. If during the remaining days of my life an opportunity affords, like services from me are at their command.

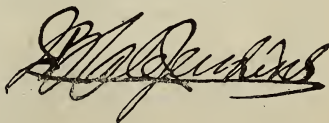

I am especially indebted to Grand Secretary Usher A. Hall, for the many valuable suggestions made during my term of office. I fail to see how any Grand Master can properly serve this Grand Lodge without the valuable assistance of Brother Hall. Always on duty and with the experience which time and opportunity have afforded him, he was to me simply invaluable. To him, I say, not profusely, but honestly, that his services to this Order are of that character that cannot be bought. The many suggestions of proper actions to be taken, were always worthy of consideration, and when dispassionately considered, usually adopted. My labors were lessened by his ever willing offers to help. To him I again say, Thanks, many, many thanks.

The District Deputy Grand Masters were, in like manner, willing to perform any duty required of them. All were not appealed to, but in every instance that I called, I called not in vain. Efficiency in the District Deputies is a most valuable asset, and the Grand Lodge during the year just closing was richly blessed.

This Session should accomplish something in the way of remedial legislation, which will redound to its glory, and be a forerunner of greater things for the future.

And now we come to the parting. Your Grand Master to lay down his little brief authority (which he does very willingly) to again take that place he so long occupied, a member of a Subordinate Lodge, with zeal for the promotion of the good of our world-wide fraternity, others to take the place vacated by him, and assume the great responsibility of government. May the administration of my successor be crowned with magnificent success, and our Order march on and on, continuing its fight against selfishness and greed, until the battle, which begins with life and ends only in death, shall have been won, and the sweet garlands of victory be placed on all consistent and zealous members of our fraternity.

Fraternally submitted,

Grand Master.

Together with the following Supplemental Report :

To the Grand Lodge of Pennsylvania:

Since writing my report, I have had presented to me the report of the Committee, to whom were referred the charges, made by Hughesville Lodge, No. 331, against Greater Pittsburgh Lodge, No. 1159, I. O. O. F. On this Committee, I appointed George F. Bainbridge, of No. 1037, Robt. Mullen, of No. 34, and W. H. Werner, of No. 748. Later Brother Bain-

bridge left the jurisdiction, his business calling him away from Pittsburgh, and I appointed A. D. Schmid, of No. 530, in his place. This Committee was assiduous in the performance of its duties and effected a settlement which proved to be acceptable to both Lodges. The report is as follows:

PITTSBURGH, PA, May 8, 1916.

Mr. J. P. Hale Jenkins, Grand Master, Grand Lodge of Pennsylvania, Independent Order of Odd Fellows.

*Dear Sir and Brother.* Your Committee having been appointed to investigate and report upon the claim of Hughesville Lodge, No. 331, I. O. O. F., in re. claim for certain benefits unpaid to Brother B. A. Buck, of Greater Pittsburgh Lodge, No. 1159, I. O. O. F., of Pittsburgh, herewith submit the following report:

Your Committee having met and organized according to your instructions, prepared a list of interrogatories to Hughesville Lodge, wherein they verified their investigations that the account for services rendered to Bro. B. A. Buck, by the Mercy Hospital of Pittsburgh, remained unpaid, and that the charge of \$282 was due and owing. After a number of meetings with Greater Pittsburgh Lodge, and letters written to Hughesville Lodge, and investigation at the Hospital, your Committee deemed it advisable for the Fraternity at large to see if some arrangement could not be made wherein the Hospital bill would be straightened out satisfactorily to the Hospital and to the Lodges. Upon investigation it learned that the bill against Brother Buck was as follows:

From November 19, 1911, to January 14, 1912, for a period of eight weeks at \$15.00 per week, making a total of .....	\$120 00
During which time he had a special nurse, for which services were chargeable at .....	162 00
Making a total bill of .....	\$282 00

From this charge it is shown that the services rendered to Brother Buck were special in that he had a private room and a special nurse, and having been taken to the Hospital under the care of one of the Subordinate Lodges of the Fraternity, it was no more than fair that the services as rendered by the Hospital should have been paid, in that he was not placed in the Hospital as a charity patient, but with the full supposition and agreement that the special services would be paid for. After correspondence and a number of hearings, and further investigation by the committee, a solution was attempted, which was carried out in every detail.

It was arranged that if Greater Pittsburgh Lodge would have the Hospital bill paid and satisfied without any extra charge to Hughesville Lodge, then Hughesville Lodge would be willing to withdraw its complaint in toto against Greater Pittsburgh Lodge. This matter was then left up to a representative of Greater Pittsburgh Lodge, to work out the details and see if it could be arranged, and after some time, it was arranged with the Hospital that this matter could be satisfactorily adjusted in terms satisfactory to Greater Pittsburgh Lodge, and on April 29th, 1916, a representative of Greater Pittsburgh Lodge turned over to your committee a receipt in full of the charges against Brother Buck, thereby relieving Brother Buck of the charges for services which he incurred, and which he, under all fairness from the treatment he received, should have paid, and which Hughesville Lodge, un-

der its directions to have Brother Buck cared for, was morally responsible for.

Your committee therefore respectfully reports that since Hughesville Lodge, as per its letter to the committee of April 14, 1916, that they would accept this settlement, and Greater Pittsburgh Lodge having made the settlement upon their agreement to accept, that the charges of Hughesville Lodge against Greater Pittsburgh Lodge are therefore withdrawn and the matter amicably straightened out with the Lodges and that Greater Pittsburgh Lodge has paid the account and settled the same in accordance with the understanding with Hughesville Lodge, and under the direction of your Committee. Your Committee further states that this case appears nowhere in Greater Pittsburgh's records, in that the records were destroyed, but that all the correspondence with Hughesville and Greater Pittsburgh Lodge seems to have been through one Wm. T. Brooks, who was then Treasurer of Greater Pittsburgh Lodge. Since the affair started, it has been ascertained that Wm. T. Brooks has embezzled the funds of Greater Pittsburgh Lodge, and that no record was ever made of the amount of the funds charged against Wm. T. Brooks, of the funds received from Hughesville Lodge, and your committee feels that had Brother B. A. Buck acted in all fairness in this matter, he should have made immediate report to Greater Pittsburgh Lodge of the delinquency, and then the members of the Lodge would have had this matter up at such a time when the same could have been investigated, but owing to the lapse of time and no records in the Lodge having been kept, it was extremely difficult for your committee to learn all the facts, and has judged the facts from the inferences and other matters that have arisen in connection therewith, and believe that the settlement by Greater Pittsburgh Lodge is absolutely fair and deserves commendation, and that Hughesville Lodge deserves the same commendation in realizing that under the circumstances as had arisen, to consent to the settlement of the differences, and that the matter is therefore settled to the best advantage of all persons concerned, and that the settlement is extremely favorable to Brother Buck in this matter; that it not only preserves the good name of the Fraternity at large in the Hospital, but that everything is therefore satisfactorily arranged and Brother Buck relieved from an obligation greater than the amount he received; and the sad incident is, that the arrangement between Brother Buck and Wm. T. Brooks seems to have been based more upon personal grounds than Lodge affiliation, and that in all cases like this, the communication should be made direct to Lodges instead of to individual members.

In conclusion, your committee therefore recommends that the complaint be dismissed, and the matter is therefore closed in accordance with the agreement of the Lodges.

Respectfully submitted,

(Signed) A. D. SCHMID,  
ROBERT MULLEN,  
WILLIAM H. WERNER.

Approved, May 10, 1916.

(Signed) J. P. HALE JENKINS, *Grand Master*.

This report was approved May 10, 1916, and I recommend its adoption by the Grand Lodge.

I desire to say in conclusion that this committee labored earnestly in the performance of its duties and exercised true diplomacy in the management of the case and its satisfactory settlement speaks volumes in its favor.

Respectfully submitted,

J. P. HALE JENKINS, *Grand Master*.

Wilson K. Mohr, P. G. M., G. R., Rep. of No. 847, moved that the appointments in the report be confirmed and the balance of the report referred to the Committee on Distribution.

The motion was adopted.

Wilson K. Mohr, P. G. M., G. R., Rep. of No. 847, moved that all other printed reports be received without reading, excepting such parts of the Grand Secretary's report as he desires to read, and the reports of the Election Committee and referred to the Committee on Distribution.

The motion was adopted.

### OUR FUTURE MEMBERSHIP.

The industrial conditions in our State at this time naturally indicate a few years of prosperity. That this condition has already affected our Order is clearly indicated by the substantial addition during the winter just past to the membership of a large number of our Lodges, an addition that has been a steady growth rather than the result of the large class initiations that gave us the increase in membership some three or four years ago. There is to-day a more general effort being put forth, by a far greater number of Lodges, to bring into our ranks the young men of our communities, who will not only make valuable additions to our ranks, but whom we believe need the restraining and elevating influences of our Order. The questions we should ask, are: Are we using sufficient efforts along these lines? Are we individually using to the full extent this means of increasing the influence of our Order in our several communities? Are we forgetting our Slogan

### "PENNSYLVANIA, 1919—200,000 MEMBERS."

We have just three years in which to make this good. A net increase of 30,000 members in that time, is a stupendous task, but not one impossible to a Jurisdiction numbering 170,000. During the last five years we have lost in membership, through death, withdrawals and suspensions, an average of 9,000 per year, which together with an average net increase of 10,000 per year required to reach our goal in 1919, will mean a gross addition to our membership of 19,000 per year. An average addition, however, of but seventeen to each Lodge. It would seem to be a reasonable accomplishment when we also consider that it would require but 19,000 of our 170,000 members to each bring one new member per year into their Lodge during the next three years.

In receiving applications for membership it may be well for us to recall the words of our late Grand Master, Paul A. Benson, in his report of one year ago, wherein he wrote "We have now reached a point in the history of our Order where it behooves us to look to the character and standing of those who seek to be admitted into our ranks." Lodges cannot be too careful in the admission of members. Too many knock for admission through selfish and personal motives, and inducements held out to them of benefits to be received, and not for the ennobling purposes which our Order enjoins, that of learning the divine lesson that "It is more blessed to give than to receive."

The world was never more in need of the influences of Odd Fellowship than it is to-day. Never before in its history has strife and contention, born of selfishness blotted out so much of the spirit of charity in the motives of mankind. Let us each then go forward with renewed intent to use our efforts, feeble though they may be, to extend the principles of Friendship, Love and Truth.

## NECROLOGY.

In compliance with the standing Resolution of the Grand Lodge, reports have been received from our several Subordinate Lodges, giving the names of Brothers of our Order who have died during the year ending with March 31, 1916. The names of all such reported, together with the date, will be published in the appendix to the Journal of this Session.

Among the number we particularly note the following:

Hon. Paul A. Benson, P. G. M., who died at his home in Erie, on Monday, July 21, 1915, in the fiftieth year of his age. His death was a shock to our Jurisdiction, coming so soon after the close of his administration as Grand Master. He will long be remembered for his faithful efforts to uphold the high standard of our Order, as well as for his marked ability displayed in the administration of its affairs.

William A. Witherup, P. G. P., P. G. M., who died September 12, 1915, in the seventy-first year of his age. Brother Witherup served as Grand Master in 1891-1892.

William H. Rose, P. G. M., who died January 6, 1916, in the sixtieth year of his age. Brother Rose served as Grand Master in 1899-1900.

We also here call to mind the sudden death of our late Grand Sire, Robert Towns Daniel, which occurred on Thursday, May 27, 1915, just one week from the day of his visit to our Grand Lodge in Annual Session at Stroudsburg. Brother Daniel will ever be remembered by those who were privileged to listen to the eloquent address he delivered before the members of the Grand Lodge and Rebekah Assembly. The Order lost, in the prime of his life, a leader of rare and unsurpassed ability.

## SPECIAL DUTY OF GRAND SECRETARY.

## ACKNOWLEDGMENTS.

## REPORTS OF HOMES.

In accordance with the legislation of the Sovereign Grand Lodge at the Annual Session of 1915, the new form of blanks for reports on Homes, Asylums and other Benevolent Institutions owned and controlled by the Order, were received from Grand Secretary John B. Goodwin. The duplicate copy of said form was forwarded to each of the several Homes in our Jurisdiction to be filled out, with the information required. Complete reports were returned from the four Homes for Orphans, The Odd Fellows' Home of Philadelphia, the Wayside Inn, at Grove City and

the Rebekah Home at Philadelphia, from which the original blank was filled out and duly signed and forwarded to the office of the Grand Secretary of the Sovereign Grand Lodge, as per the requirements of the law on the subject.,

The relief amounted to \$2,421.07 per day during the entire year, or \$100.89 per hour.

The average weekly sick benefits paid amounted to \$3.20%.

The average cost of relief to each member per annum was \$5.36, the cost per week was 10% cents.

The average cost of working expenses was \$2.76 per member, per annum.

The cost per week was .05% cents.

The combined cost of relief and working expenses for each member during the year was \$8.12, or 15% cents per week.

The average ratio of sickness per member was 1 week, 5 hours, 28 minutes; an increase of 3 hours, 3 minutes and 23 seconds.

During the past forty-eight years the Lodges of Pennsylvania have distributed for relief of distress and actual want the sum of \$25,590,221.72.

It is worthy of note, and should demand the serious attention of the great number of our Lodges that are working on a low rate of dues, that the average cost for relief and working expenses amounts to a little over *fifteen and a half cents* (15½ cts.) *per week, per member*. With but few exceptions, unless favored by local conditions, no Lodge can hope to reach a successful financial condition on a rate of dues and assessments lower than the above average. We have to-day too many financially weak Lodges in our Jurisdiction. Sooner or later they are unable to meet their obligations. Members become discouraged and drop out. The Lodge loses its standing in the community and is unable to recruit its thinning ranks. And the day soon comes when it ceases to exist.

The remedy is in a safe amount of receipts to cover the outlay in each particular Lodge. As Lodges we assume obligations to provide certain financial relief. As Odd Fellows we are bound by obligations, individually assumed, to protect the honor of our Lodge.

## MEMBERSHIP RECORD.

In accordance with the requirements of the legislation adopted at the last Annual Session on the subject of Membership Records, blank forms were prepared and addressed to the Secretary of every Lodge in the Jurisdiction for a return of a list of members as their names appeared on the roll of the several Lodges on September 30, 1915, together with the date of the initiation or admission of each into the Lodge, and their age at such date. A large majority of the Lodges were prompt to make the return as requested; while others, owing to the fact that their past records had been destroyed or mislaid or had not been properly kept, found the task a difficult one and were obliged to make considerable search of old minutes, or to obtain the information requested from the individual members. In most cases the Secretaries of the several Lodges have undertaken this extra work with a willingness that is commendable, feeling as many of them have expressed in letters on the subject, the establishment of a General Record was a good move on the part of the Grand Lodge, and one that ought to have been started years ago, one Secretary going so far as to say that it was the "best move ever made by the Grand Lodge."

The necessity for the undertaking has to my mind been clearly shown from the correspondence received on the subject, the Secretaries of some forty or more Lodges reporting that their records had been entirely destroyed by fire during the past few years, while upwards of seventy reported that in the past no records had been kept or that the records were so incomplete that it was impossible for them to furnish but a part of the information requested. In some cases, in checking up the list of members, it was found that the number annually reported to the Grand Lodge for some years back, exceeded the number of members actually on the roll, in one case the excess number reported amounting to sixteen.

We are pleased to note also that in many such cases the Secretary has recognized the importance of perfecting a record of at least the present membership of the Lodge, and to provide for more complete record for the future. To all such we have recommended the purchase of a membership record book. There are a number of these books

published in a convenient form, and when once started, requires but little labor to keep up. We are also glad to note that in very many of our Lodges a system of records has been followed during the life of the Lodge which readily and with no labor except the copying of the list, gave all the information asked.

Good progress has been made in indexing the names of the members from the lists so received. Some fifty thousand records having been type-written on individual cards. Steel cabinets have been purchased and guides for a card index capable of holding some 200,000 cards. It will be of interest to know that this work of writing and filing these individual record cards has been performed in a very satisfactory manner by a young lady who was a former resident of the Home for Orphans, located in Philadelphia, and who received a good business education in the public schools of that city. It is desired that she be retained to continue this work.

Personally, I desire to here recognize the valuable aid rendered by the Secretaries of so many of our Lodges, who have furnished complete and carefully prepared lists of the members and to thank them for so readily assisting in the work. To the few who have not yet complied with the resolution adopted by the Grand Lodge, I would ask that they endeavor to do so at an early date.

I have requested the Committee on Finance to recommend an appropriation of \$600.00 to continue this work during the ensuing year, and trust that the same will be approved.

#### FLOOD at GALVESTON, TEXAS.

Upon receipt of the news of the disastrous flood in Galveston, Texas, in August of last year, the undersigned acting under instructions of the Grand Master, wired under date of August 19th, 1915, to W. H. Walker, Grand Secretary, offering to forward one or two thousand dollars from the Relief and Emergency Fund if the same was required for immediate relief. Brother Walker replied by wire, extending his thanks for the offer, but saying that the situation had not developed sufficiently to judge of the relief required. Under date of August 23rd, 1915, the following letter was received, showing that no further action was required in the matter.

DALLAS, TEXAS, August 23, 1915.

MR. USHER A. HALL,

Grand Secretary, Grand Lodge of Penna.  
Philadelphia, Pa.

Dear Brother Hall:

In behalf of the Grand Lodge I. O. O. F., of Texas, I desire again to thank you, and through you, the Grand Jurisdiction of Pennsylvania, for your very kind offer to come to our assistance in the hour of distress. I beg however, to advise that the Grand Master has just returned from Galveston, and after a consultation with a number of the brethren in the afflicted District, the decision was reached that no call would be made for relief in this instance.

The Grand Lodge of Texas has a Special Relief Fund and it is believed by those who have looked into conditions at Galveston and other places, that this fund is sufficient to take care of all matters of relief, in consequence of the storm through which we have just passed.

Again thanking you, I beg to remain,

Yours fraternally,

W. H. WALKER, *Grand Secretary.*

### CONCLUSION.

Looking back over the year just brought to a close, we cannot but feel encouraged for the future, when we note the increased interest displayed in a large majority of Lodges scattered throughout our entire Jurisdiction. The handsome gain in membership in the last six months is not confined to any one section of our State, nor does it seem to be the result alone of any great industrial boom in certain sections. While industrial prosperity is no doubt making possible the increase, yet on closer observation we are led to believe that men are everywhere recognizing the worth of Odd Fellowship in the general efforts that are being put forth all over our country for the elevation and the purifying of the social relations of mankind. Fraternity, in its true sense is held in higher esteem to-day than ever before.

In closing this report, I desire to acknowledge the generous support received from the Secretaries of our several Lodges and the Deputies of the Districts throughout our Jurisdiction, as well as to my associate officers. To all I am indebted for their kind assistance and ready counsel and encouragement.

Fraternally submitted,

*Clifford A. Hall*

The Grand Representatives presented the following report which was referred as per Resolution of the Grand Lodge :

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Grand Representatives to the Sovereign Grand Lodge beg leave to make the following report of the proceedings of the Ninety-first Annual Communication held at San Francisco, California, September 20th to 25th inclusive :

It was the fourth time that the "Golden State" entertained the Sovereign Grand Lodge, I. O. O. F., and the very name "California" is interwoven with many adventurous and romantic times that makes its history interesting and peculiarly fascinating to the stranger, especially when he experiences its matchless climate, views its picturesque scenery and lofty mountains and enjoys its beautiful flowers and sheltering palms. It was the third time that San Francisco, the "Jewel City" was chosen for its annual session. Forty-six years ago this Body, then known as the Grand Lodge of the United States met here. Again in 1904, when our late Past Grand Sire Robert E. Wright was elected Grand Sire. Since that time a fearful disaster fell upon the city and its people, and almost the entire city was wiped out of existence by earthquake and fire in 1906, but to-day few evidences remain of that colossal disaster and the city is truly named the "Jewel City" with its many and beautiful buildings, its magnificent parks, its well paved streets and with its thrift and prosperity evidenced everywhere among its people. In the words of another, "With her hills, San Francisco is Rome, with her harbors, she is Naples; with her hotels she is New York, but with her clubs and her people, she is San Francisco—which comes near being the apotheosis of praise." At this time she is the host to the nations of the world in the celebration of the completion of the Panama Canal, and the wonders of the Panama-Pacific International Exposition, located in a natural amphitheatre, fronting on the wonderful island-dotted bay of San Francisco, just inside the famous Golden Gate, are beyond description, but which in magnificence and splendor, number of palaces, beauty of grounds, and diversity of exhibits is entirely adequate to the great contemporaneous event it celebrates.

At this historic period, with these beautiful surroundings, under sunny skies, and most favorable circumstances, the Ninety-first Annual Session of the Sovereign Grand Lodge will mark an important epoch in the history of Odd Fellowship, as a new revised Constitution as well as a new code of laws were adopted for the future government and guidance of the membership of our great Order.

Sunday morning, September 19th, the officers and Representatives of the Sovereign Grand Lodge, visiting Odd Fellows and their ladies, attended divine services in Calvary Presbyterian Church, corner Fillmore and Jackson Streets, where the Pastor, Rev. Josiah Sibley, D. D., preached an eloquent sermon on the subject "A Great Career, through Loyalty to a Great Cause."

A public reception to the Sovereign Grand Lodge was given at Lodge Room, Scottish Rite Temple, on Monday morning, September 20th, at 9 o'clock. Welcome addresses were made by Mayor James Rolph, Jr.; Grand Master Frank D. Macbeth; President Rebekah Assembly Adele Stockwell; Department Commander, Major General J. K. Ritter, and the Venerable Grand Scribe of the Grand Encampment William H. Barnes, the only surviving Grand Representative of the session of 1865. Acting Grand Sire, J. B. A. Robertson responded.

Wednesday, September 22nd, was designated as "Odd Fellows' Day" at the Exposition, and the fete was inaugurated with a monster parade in the morning. The pageant was fully five miles long and was said to have included more than 20,000 Odd Fellows and Rebekahs. The numerous floats in line were special attractive features. The parade entered the Exposition Grounds, where it was reviewed by the officials and later on in the day a medal was presented to the Grand Sire by the Exposition authorities, which has been placed in the archives at Baltimore.

The Sessions of the Sovereign Grand Lodge were held in the Auditorium of the Scottish Rite Temple, opening on Monday morning September 20th, and continued at intervals until Friday noon, September 24th, during which time the following business was transacted:

## EXTRACTS FROM REPORTS OF GRAND OFFICERS.

### GRAND SIRE.

#### CONDITION OF THE ORDER.

Notwithstanding the general depression in the business world, and the untoward conditions that confront our brethren overseas, the Order, taken as a whole, is in a fairly prosperous condition.

In North America, with very few minor exceptions, peace and harmony prevail, and late reports show a substantial gain in membership, while our finances are in good condition.

The so-called "club" or "class" membership fallacy has had its day, and while the reaction, which such unnatural efforts to secure members always brings, has been marked in some Jurisdictions and the evil effects of which will be felt for years to come, yet the lessons taught thereby will be of value to us in future years. One of these lessons, patent to all observers, is that Odd Fellows cannot be made simply by taking men's money and conferring the degrees upon them. Quality in Odd Fellowship, as in most other things is more valuable than mere numbers. Let it be generally understood, anew, that Odd Fellowship seeks to improve and elevate the character of men, and that too much care cannot be taken to improve and preserve the high standard of our membership, and this happy condition can best be brought about and maintained by a zealous watchfulness in our subordinate bodies.

#### MEMBERSHIP.

December 31, 1914, there were 18,179 subordinate lodges, 3604 subordinate encampments, 9740 Rebekah lodges, 759 cantons, 68 Grand Lodges, 57 Grand Encampments. December 31, 1914, there were 1,686,176 subordinate members, 234,438 encampment members, 744,176 Rebekah members, and 26,882 canton members, or a total membership (without duplication) of 2,194,773.

An examination of reports shows that for the year ending December 31, 1914, there was an increase in membership in the various subordinate bodies as follows: Subordinate, 12,307; Encampment, 628; Rebekah, 11,165; Canton, 175.

#### REVENUE AND FUNDS.

For the year ending December 31, 1914, the total revenues amounted to \$18,848,205.01, as compared with \$18,950,609.48 for the previous year, a decrease of \$102,404.47. During the year 142,011 brothers and 8250 widowed families were relieved, at a cost of \$6,177,492.13. The total invested funds of the Order December 31, 1914, were \$68,284,512.59.

## DECISIONS BY GRAND SIRE.

DECISION 1. *Question 1.*—Referring to Report 124, pages 153 and 154 of the Daily Journal, session at Atlantic City, on the subject of transfer certificates, how is the fee of 25 cents to be paid? Is it to be paid by the lodge, encampment or Rebekah lodge, or by the applicant for transfer?

*Answer.*—By the applicant for the transfer.

*Question 2.*—Also, when does the law requiring payment of 25 cents for the transfer go into effect? Does it go into effect immediately, or on the first of January, 1915?

*Answer.*—On the first of January, 1915.

DEC. 2. *Question 1.*—Do Sections 2 and 12 of Article XXII, of the by-laws of the Sovereign Grand Lodge, (Journal, 1910, Report 111, page 795; adopted page 827, and 1911, Report 96, page 376, adopted page 404) authorize a brother lawfully in possession of an honorable veteran jewel to wear the same in lieu of regalia?

*Answer.*—Yes, unless occupying official station.

*Question 2.*—If so, may such jewel be so worn in an encampment or Grand Encampment?

*Answer.*—Yes in both, unless occupying official station.

*Question 3.*—Under the amendment to Section 25, of the Rebekah Code, relating to the wearing of Past President's Jewel in lieu of regalia, adopted in 1911 (Journal, page 430, Report 153, adopted page 434) may a Past President, who, before January 1, 1909, was in possession of a Past President's jewel of the design adopted in 1905 (Report 136, page 348, adopted page 360) which jewel was purchased from the Sovereign Grand Lodge, wear said jewel in lieu of regalia in a Rebekah Lodge or in a Rebekah Assembly?

*Answer.*—Yes, in both, unless occupying official station. See Journal 1911, Report 96, page 404.

DEC. 3. *Statement.*—At the next session of the Grand Lodge of Michigan, I. O. O. F., a revised constitution duly and regularly submitted at the last session and laid on the table under the law for one year, will be considered for adoption. Article VI, Section 1, of the our present constitution provides as follows: "No alteration or amendment shall be made to this constitution, except at the annual session, and unless the same has been proposed in writing by not less than five representatives at a previous regular session, in which case it may be passed by the votes of three-fourths of the representatives present, and shall take effect and

be of force as soon as approved by the Sovereign Grand Lodge of the I. O. O. F."

*Question.*—Will it be legal to adopt this revised constitution, section by section, and reject any particular section and adopt the balance, or is it absolutely necessary to either adopt or reject the entire revised constitution as a whole?

*Answer.*—That in the matter of revising the Constitution of a State Grand body, the procedure is controlled by such State Constitution, and when a revised Constitution, such as mentioned, is submitted for adoption, same must be adopted or rejected as an entirety.

DEC. 4. *Statement.*—The by-laws of a subordinate lodge provide that pecuniary benefits shall not be paid to members admitted to membership on withdrawal cards until three months after date of their admission.

*Question.*—Is it legal to include members admitted by transfer card in the same provision?

*Answer.*—Yes, if transfer card is specified in the by-laws.

DEC. 5. *Statement.*—A withdrawal card issued from a subordinate lodge of the Jurisdiction of Illinois in October, 1914, to a member 62 years of age. The brother to whom the withdrawal card was granted, applies for membership to a subordinate lodge in the Jurisdiction of Arkansas, in which Jurisdiction he is now a resident. The lodge in Arkansas refused to consider his application for the reason that said lodge, has a by-law of age limitation, limiting all applicants for membership to not over sixty years.

*Question 1.*—Is such a by-law, even if approved by the Grand Lodge of any Jurisdiction, constitutional,

*Answer.*—No.

*Question 2.*—Does not the Sovereign Grand Lodge constitution prohibit an old age limit, if otherwise qualified?

*Answer.*—The Sovereign Grand Lodge alone has power to fix the qualifications of membership in the Order, and an old age limitation is not one of the qualifications. See Journal, 1912, page 515.

DEC. 6. *Statement.*—A brother, a member in good standing, of one of the lodges of Honolulu, was taken sick in December, 1913, and was placed on the sick list and received benefits for a number of weeks; the brother then requested to be taken from the sick list, which was done. After an interval of about six weeks. the brother filed with the lodge a doctor's certificate, which stated it was necessary for the brother's health that he go to the mainland and refrain from following his occupation for at least six months. On the filing of this certificate, the brother was declared sick and paid benefits until he sailed for San Francisco. The brother went to Denver and there consulted physicians who advised him to remain at least three months in a high altitude. While he was away, the brother from time to time notified the lodge of his condition. On his return to Honolulu the brother filed with the lodge an additional certificate from the Denver physician and claimed sick benefits, inasmuch as he was sick and received sick benefits when he left Honolulu, temporarily, on his physician's advice. The lodge refused to pay sick benefits to the brother basing their action on Article III, Section 3, of their by-laws, which reads:

"Sec. 3. Any brother, residing at a distance from this city, claiming benefits under this article, must send to this lodge a true statement of his sickness and its cause, verified by his oath, attested by the Noble Grand of the Lodge nearest to the place where he may be, under the seal of said lodge; or if no lodge be near, then his sickness and its cause, shall be stated in a certificate from a respectable physician, magistrate, notary public or master of a vessel."

The brother claims this section does not apply to his case inasmuch as his absence was temporary and that the lodge knew he was sick and that he only left on his physician's advice.

*Question*—Is the brother entitled to sick benefits from the time he left Honolulu until he was well enough to return to his occupation in Honolulu?

*Answer*.—Yes.

DEC. 7. During his lifetime, Bro. Otto Hartung, Past Grand of Reno, Lodge, No. 14, I. O. O. F., placed in his will the following provision:

"To the Independent Order of Odd Fellows of the State of Nevada, the income from my estate, to be paid over to them, by my executors and trustees annually, if, within five years from the date of my death, the said Independent Order of Odd Fellows of the State of Nevada, does establish a Home worthy of its name, for orphans and foundlings near Reno, Nevada, and to be known by the name of the Royal D. Hartung Home for Orphans and Foundlings."

On June 21, 1911, at Carson City, Nevada, the Grand Lodge, I. O. O. F., of Nevada, adopted the following resolution:

"*Resolved*, That the Hartung Estate willed to the Independent Order of Odd Fellows of Nevada be utilized for the purpose for which it was given, and that the trustees of this Grand Lodge be instructed to co-operate with the trustees of the Rebekah Assembly in building an Orphans' Home, with the money in the Orphans' Home Building Fund, in such way as to use the income from said estate for its support."

The following resolution was submitted to the Grand Lodge, I. O. O. F., of Nevada, at its session on June 17, 1914, and was indefinitely postponed by a vote of 74 to 23.

"WHEREAS, The Grand Lodge I. O. O. F., of Nevada, at its session held at Carson City, on the 20th and 21st days of June, 1911, adopted the following resolution, to wit:

"*Resolved*, That the Hartung Estate willed to the Independent Order of Odd Fellows of Nevada be utilized for the purpose for which it was given, and that the trustees of this Grand Lodge be instructed to co-operate with the trustees of the Rebekah Assembly in building an Orphans' Home, with the money in Orphans' Home Building Fund, in such way as to use the income from said estate for its support."

CHAS. H. BURKE, P. G., of No. 14."

and

"WHEREAS, The trustees of this Grand Lodge and the trustees of the Rebekah Assembly have not carried said resolution into effect; and

"WHEREAS, On the 21st day of January, 1915, the time for erecting said Orphans' Home, in order to obtain said estate, now of the value of at least thirty-seven thousand dollars (\$37,000), will expire; therefore, be it

"*Resolved*, That the Grand Master and a committee of three be instructed to carry said resolution into effect, and in doing so is hereby given full power to act and is further empowered to use the money and property in the Orphans' Home Fund of the Rebekah Assembly of Nevada, for the purpose of erecting said Orphans' Home.

E. U. HOOPER, of No. 39."

After reading of preamble and resolution as amended, John Lothrop, P. G. R., of No. 5, moved indefinite postponement of same.

Past Grand Master P. H. Mulcahy, of No. 14, moved as an amendment, that said preamble and resolution be referred to the Committee on State of the Order.

The Grand Master ruled amendment out of order; whereupon Past Grand Master Mulcahy appealed from decision of the Grand Master.

The Grand Master asked, "Shall the decision of the Grand Master

stand as the decision of the Grand Lodge?" On vote being had the chair was sustained.

After considerable time spent in discussion, Representative H. Brewster Adams, of No. 14, asked for information in regard to clause in will bequeathing the amount of money stated in preamble and resolution.

The Grand Master instructed the Grand Secretary to read that section of said will, which appears on page 63, Journal of 1911, and reads as follows:

"Tenth. I give, devise and bequeath all the residue of my estate, both real and personal, as follows:

"(a) To the Independent Order of Odd Fellows of the State of Nevada, the income from my estate to be paid over to them by my executors and trustees annually, if within five years from the date of my death, the said Independent Order of Odd Fellows of the State of Nevada does establish a Home worthy of its name, for orphans and foundlings near Reno, Nevada, and to be known by the name of the Royal D. Hartung Home for Orphans and Foundlings."

After reading the same the question was called for. On vote being had, the Grand Master decided that the motion to indefinitely postpone was carried.

*Question.*—Did the postponement of the foregoing resolution set out in C in any manner amend, change or repeal the law of 1911, as expressed in B? Is not the resolution set forth in B still a law, and ought it not to be obeyed?

*DECISION.*—When the Grand Lodge takes affirmative action on a question to do a certain thing, that action stands as the action of the Grand Lodge until it is reconsidered. It not appearing from the statement of facts submitted that the action of the Grand Lodge at its Carson City session of 1911 has ever been repealed, or any effort made to reconsider the same, that action still stands, and the postponement of resolution set out in C does not repeal the action of the Grand Lodge session of 1911.

DEC. 8. *Question.*—Has the Secretary or other officer of a lodge the right to fill out a certificate which is to be forwarded by the member of the lodge to an insurance company, showing the period during which member is under the care of the lodge, provided he is requested to do so by the member who has been so disabled?

*Answer.*—No.

DEC. 9. *Question.*—Will you kindly give us your opinion in regard to Decision 39, page 515, of the 1912 JOURNAL OF PROCEEDINGS OF THE SOVEREIGN GRAND LODGE? Does this decision mean that no lodge can provide for the admission of anyone over fifty years of age as a non-beneficial member, whether same be by initiation or by card or by transfer?

*Answer.*—In my opinion the decision refers only to admission by initiation, and does not prohibit a lodge, in proper case, from receiving as a non-beneficial member a brother over fifty years old by card or transfer, provided your local law grants the privilege.

DEC. 10. *Statement.*—At the November session, 1913, of the Grand Lodge of Indiana, a proposition was presented which provided that "In cities and towns where two or more lodges exist, such lodges shall organize a General Relief Committee," and provisions governing such committee were a part of the resolution. This was referred to the Legislative Committee. At the same session, and on the next and second day of said session, the Legislative Committee reported favorably to its adoption, the matter having laid over. under the rules, to the second day for action. After discussion, and on motion, the whole matter was referred to a Special Committee of Three appointed by the Grand Master, with instructions to report at the May, 1914, session. On

the first day of the May, 1914, session, the Special Committee reported and submitted a proposition which provided that all cities and towns in the Jurisdiction of Indiana where two or more lodges exist, such lodges shall organize a General Relief Committee, etc. This proposition was laid over under the rules, until next day. The next day the report was taken up for consideration and on motion was laid over until 1 o'clock of the same day. At the stated time the matter was taken up and on motion was postponed for further consideration until the afternoon of the first day of the next communication, November, 1914. At the time set in the November session, the matter was again taken up and the Special Committee made the following report:

"Your Special Committee, to whom was referred at the November session, 1913, the subject of reporting on the advisability of a law creating and governing General Relief Committees in the State of Indiana, recommend that the law be amended to provide for a General Relief Committee in every city and town in the State of Indiana in which there are *three* or more lodges located. etc."

In considering this report the question was raised and some contended that action could not be taken by the Grand Lodge until the matter had again been referred and reported on by the Legislative Committee (the regular committee). The chair ruled that the Special Committee to whom the matter had been referred was a Special Legislative Committee, and any action taken by the lodge on the report of the Special Committee would be binding. The report was submitted to the Grand Lodge and on motion adopted.

*Question 1.*—Was the ruling of the chair, that "the Special Committee to whom the matter was referred on the recommendation of the Legislative Committee was a Special Legislative Committee vested with all the powers of the regular Legislative Committee," correct?

*Answer.*—No. It was not a Special Legislative Committee, but it was vested with powers to submit amendments to the report presented by the Legislative Committee.

*Question 2.*—It will be noted that the matter reported by the Legislative Committee, and on its recommendation referred to the Special Committee; *provided*, "that all cities and towns where *two* or more lodges exist, such lodges shall organize a General Relief Committee, etc.," and when the Special Committee made its report, which was finally adopted, the proposition was changed by it and said final report reading, "that in all cities and towns where *three* or more lodges exist, etc.," thus changing the number of lodges necessary to require the organization of a General Relief Committee in any city or town from *two* to *three*. Had the Special Committee the right to make said change, no definite action having been taken on the proposition prior to the time of its final adoption and fixing the number of lodges at three?

*Answer.*—The Special Committee had the right to offer an amendment providing that the organization of General Relief Committees would apply to cities and towns having three or more lodges therein.

*Question 3.*—Was the law legally amended, and is it now binding on the lodges of Indiana?

*Answer.*—Yes.

DEC. 11. Section 120 of our subordinate lodge constitution reads as follows:

"The lodge shall not hold any anniversary or other celebration ball or party, or attend any public procession, lecture or other public display of the Order, where the regalia of the Order may be worn, or the name of the Order assumed, without a dispensation from the Grand Master in writing."

*Question.*—Just what is meant by public procession? Has a Grand

Master the right to grant a dispensation to a lodge or lodges to wear the regalia in a parade of a local fair, the day to be known as Odd Fellows' Day?

*Answer.*—A Grand Master has the right to grant a dispensation to a lodge to wear the regalia of the Order in a parade of the lodge to a local fair, on a day to be known as Odd Fellows' Day, unless prohibited by local law.

DEC. 12. Your letter asking for a ruling as to whether the resolution introduced at the 1912 session of the Sovereign Grand Lodge to be found on page 774, of the Journal, providing that Grand Lodges of various Grand Jurisdictions have the power to permit subordinates to set aside any per cent. not to exceed 10 per cent. of their income from all sources, as a contingent fund, applies to subordinate lodges under the jurisdiction of the Sovereign Grand Lodge received. In reply I will say that the resolution applies to subordinate lodges under the immediate jurisdiction of the Sovereign Grand Lodge.

DEC. 13. *Question.*—Have I the authority as District Deputy Grand Sire, to grant a dispensation to a subordinate lodge, a Rebekah lodge or encampment, to hold a public installation of officers, or does that authority have to come directly from you as Grand Sire?

*Answer.*—You must get authority from the Grand Sire to grant a dispensation to a subordinate to hold a public installation of officers. See Busbee's Digest, Section 1201.

DEC. 14. *Statement.*—A member of Eureka Lodge, No. 177, of New York City, is now and has been for a period of about five years a resident of an Odd Fellows' Home of this Jurisdiction, he being unable to support himself and family, and during that period of time has not contributed any dues to his lodge. For some time prior to his admission into this Home he had been separated from his wife and family. He is still a resident of said Home and his clothing, etc., are and have been furnished to him by his lodge. Some weeks ago his wife died, and he demanded that the lodge pay the death benefit due, as provided by the by-laws of said lodge, upon the death of a member in good standing. I refer to Section 32 of the by-laws of said lodge, which will be found on page 29, thereof. The funds of this lodge are obtained from weekly dues paid by its members, and the members pay at the rate of 18 cents per week, and that subject will be found on page 27, Section 23, of the by-laws of the lodge. The by-laws of the Grand Lodge of our State require that a member shall contribute as dues the sum of not less than five cents per week. See Section 3, Article IV, page 54, laws and code of the Grand Lodge of the State of New York, and also please read Section 10, of Article IV, of constitution of subordinate lodges, which will be found on pages 58 and 59 of said constitution. The question is as follows: Is a non-contributing member of a lodge, who is a resident of an Odd Fellows' Home entitled to a death benefit on the death of his wife?

*Answer.*—Yes, unless the local law provides otherwise.

DEC. 15. *Question.*—A brother living in a city where there are three lodges, all meeting in the same hall, he being a member of one of the lodges, said lodge meets on Friday night, said brother is also a member of a church choir, which meets for practice on Friday night, the brother does not change his residence but wishes to transfer to another lodge which meets on Thursday night, so as to attend his lodge. Is there any law prohibiting this transfer?

*Answer.*—The Transfer Law does not apply to the case stated; change of membership in such cases should be made by *applying on* withdrawal card, official certificate or visiting card as the applicant may elect.

DEC. 16. *Question*.—Would it be legal for the Grand Lodge to adopt and enforce a resolution for a funeral benefit fund, independent of the funeral benefit authorized and required by its subordinate lodge constitution; such funeral benefit fund to be managed and operated by the elective officers of a Grand Lodge; the scheme of said funeral fund providing a death benefit to members belonging to it, and such benefit to be raised or derived from assessment to be levied upon its members, upon the death of a member; its members being Odd Fellows in good standing in subordinate lodges under the said Grand Lodge, who voluntarily join it?

*Answer*.—No. Such legislation would be in violation of the laws of the Order.

DEC 17. *Question*.—Is a Past Grand of a subordinate lodge eligible to be elected Noble Grand of a Rebekah Lodge, having held no elective office in a Rebekah Lodge?

*Answer*.—No. Unless it is a new lodge, and the first Noble Grand. See Rebekah Code, Section 12, Busbee's Digest, page 695.

DEC. 18. *Statement*.—The Rebekah Past Noble Grands of Connecticut have, in different cities and sections of Connecticut, associations composed of Rebekah Past Noble Grands, which they term "Past Noble Grands' Associations," as "The Elm City Past Noble Grand' Association," "The Katherine Past Noble Grands' Association," etc. These associations are inter-related with each other by a common password, which is changed each term and which is prescribed respectively in turn by each Association. Said word covers all such associations in the State. Said Associations also have a secret sign and a degree or initiation of new members and an installation ceremony for the induction of their officers into office. They adopt official pins or emblems to wear which designate their membership in such associations. They restrict their membership to Past Noble Grands of the Rebekah Branch of the I. O. O. F., and they only take in such Past Noble Grands of the Rebekah Branch as they desire to associate with, debarring the others by use of the ballot box and the blackball, so that while Past Noble Grands only are eligible, still even those who are eligible have to successfully encounter a vote of the members before they can join. And such associations have other secret work.

*Question 1*.—Have such associations any legal right to use the name "Past Noble Grands' Association," or the letters, "I. O. O. F." either?

*Answer*.—As above constituted, no. Past Noble Grands can organize an association for social purposes, membership in which must be open to all Past Noble Grands.

*Question 2*.—To use a secret password?

*Answer*.—No.

*Question 3*.—To have an initiation ceremony or degree?

*Answer*.—No. These can only be provided by the Sovereign Grand Lodge.

*Question 4*.—To have an official installation ceremony?

*Answer*.—No.

*Question 5*.—To restrict their membership to Rebekah Past Noble Grands?

*Answer*.—As constituted, the organization is illegal and cannot be recognized by the Order. The restricting membership to members of the Order makes it illegal, as it is an effort to organize a side degree, which cannot be done except by the Sovereign Grand Lodge.

*Question 6*.—To employ or use a ballot box or a vote upon the applications of Past Noble Grands who desire to join and to blackball or refuse admission to such as they do not desire, although qualified by rank?

*Answer*.—As the organization is illegal, this law or rule is illegal.

*Question 7.*—To use an official pin or emblem which the members wear to designate their membership in such association and which contains letters or initials "P. N. G.," etc?

*Answer.*—The only pin or emblem recognized by the Order are those prepared and sold, or authorized to be sold by the Sovereign Grand Lodge?

*Question 8.*—To employ or use any secret practices whatever of whatever kind?

*Answer.*—The Associations as constituted are illegal, and their acts and practices are illegal.

DEC. 19. *Question.*—Is it permissible to organize a new Rebekah lodge without any card members?

*Answer.*—Yes, unless prohibited by local law. Busbee's Digest, 702, Journal, 1914, page 589.

DEC. 20.—One who was elected and installed as Vice Grand of a Rebekah Lodge, and served only one night during the term, is not eligible to the office of Noble Grand. If she has been elected and installed in the office of Noble Grand, such election was illegal. The office should be declared vacant and a new election held, and one eligible for the position should be elected.

DEC. 21. *Statement.*—After a member of the Order has become sixty years of age, and has been a contributing member for twenty-five consecutive years, he or she shall not be suspended by virtue of being more than one year in arrears for non-payment of dues, but shall be retained as a non-contributing member. Please advise me if twenty-five consecutive years' membership might be in two or more lodges, deducting necessary time for a withdrawal card or transfer certificate?

*Answer.*—Contributing member for twenty-five consecutive years includes the time an unexpired withdrawal card, or transfer certificate in life may be held. Such membership may be in two or more lodges, under the above limitations. See Sec. 7, page 18, Journal 1903; also Busbee's Digest. Section 2685.

DEC. 22. *Statement.*—The rituals of the subordinate and Rebekah lodges provide that when balloting upon applications for membership or degrees it is not permissible to exhibit the ballot to any member, except to the Noble Grand and Vice Grand.

*Question.*—Does said provision make it obligatory to exhibit the ballot to both Noble Grand and Vice Grand, regardless of any legislation to the contrary by local Grand Bodies?

*Answer.*—The ballot must be exhibited to both the Noble Grand and the Vice Grand and no local law that contravenes this is legal.

DEC 23. *Question.*—Has a Grand Master the authority to grant a dispensation to a subordinate lodge to wear the regalia of the Order, that is, the collars and sashes, in a public parade at a county fair, or rather a day called "Odd Fellows' Day," as designated by the program committee of a fair association? The subordinate lodge constitution providing:

"No lodge shall hold any anniversary or other celebration, ball or party, or attend any public procession, lecture or other public display where the regalia of the Order is worn or the name of the Order assumed, without a dispensation from the Grand Master, in writing; such permission to be predicated only upon the direct promise through the officers of the lodge seeking the permission, that no intoxicating liquors of any kind shall be offered by them to the members or guests present on the occasion."

*Answer.*—Yes. The Grand Master has the authority to grant such dispensation.

DEC. 24. *Statement.*—The subordinate lodge constitution of the Jurisdiction of Oklahoma was approved by the Sovereign Grand Lodge on September 21, 1911. Article VII, Section 6, of said constitution reads:

"The District Deputy Grand Master shall not be eligible to nor hold any office in the lodge so long as he shall continue as D. D. G. M."

*Question 1.*—Is this section in conflict with Section 1310, page 364 of Busbee's Digest?

*Answer.*—Yes.

*Question 2.*—If so, which shall be followed since the constitution has been approved by the Sovereign Grand Lodge?

*Answer.*—The law embodied in the Digest.

#### DECISIONS BY THE ACTING GRAND SIRE.

DEC. 1.—Subordinate lodges under the immediate jurisdiction of the Sovereign Grand Lodge. are not entitled to representation in the Sovereign Grand Lodge. (Constitution, Article II.). (Hawaii).

DEC. 2.—It is within the powers of the Grand Lodge "to provide for a certain minimum joining fee in cities of over 100,000, another and different minimum joining fee for cities of over 50,000, and still another and different minimum joining fee for all other lodges within its Jurisdiction," the subject being clearly within the powers delegated to Grand Lodges and in nowise prohibited by the constitution and laws of the Sovereign Grand Lodge. The wisdom of such a policy being a question for the Grand Lodge is not here considered. (Ontario).

DEC. 3.—The funeral ceremony adopted by the Sovereign Grand Lodge at the 1912 session, Journal 1912, pages 758, 773, 804, 807, is exclusive in its requirements. No provision is made therein for depositing a regalia (denoting rank of deceased) in the coffin and burying same with the remains, and a resolution by a Grand Lodge requiring this to be done is void and of no effect. (South Carolina).

DEC. 4.—A section of a Rebekah Assembly constitution reading:

"A Past Noble Grand to be eligible for election as representative, or recommended as Deputy President, shall have been present at a majority of the regular lodge meetings of the preceding term, unless excused for sickness or some unavoidable occurrence; *and provided*, that a District Deputy President must hold a certificate of perfection in the secret work," is void in so far as it attempts to add to the qualifications of members of the Rebekah Assembly. same being in conflict with the provisions of Section 33, Rebekah Code. The last clause of said section is a proper exercise of legislative authority by a Rebekah Assembly that has been granted full legislative powers by its Grand Lodge. (Oklahoma).

"The Section of the Rebekah Assembly Constitution quoted in decision 4, of the Acting Grand Sire does not contravene any general law of the Order."

DEC. 5.—Section 20, Article XVI, Grand Lodge constitution of Oklahoma provides that "Rebekah Assembly and officers thereof shall have and possess all of the rights, powers and privileges that it is possible to confer upon them by the Grand Lodge under the laws of the Sovereign Grand Lodge." *Held*, That the Rebekah Assembly, and its officers have the power to issue defunct certificate to members of defunct Rebekah lodges. (Oklahoma).

DEC. 6.—A lady, who had joined a Rebekah lodge, and after a few years took a withdrawal card, and thereafter marries a non-Odd Fellow, is, nevertheless eligible to membership, by petition on her expired withdrawal card. (Vermont).

DEC. 7.—It is not legal for a subordinate lodge to hire a physician to attend sick members and their families and pay him by the year out of the funds of the lodge. However, a lodge may employ a physician to attend sick members in good standing, and pay said physician a certain sum per member per year, provided, same is authorized by local law." (See 1889 Journal, pages 11483, 11728, 11786; 1896 Journal, pages 15003, 15071, 15087; 1903 Journal, Report 14, pages 284, 314).

DEC. 8. *Statement*.—A new lodge is started at the city of A, and in securing applications for initiates of the new lodge, some of the applicants were nearer to another lodge than the new lodge when it was instituted; that is, they did not reside in the jurisdiction of the new lodge as established after institution. Can the lodge of whose jurisdiction they were after so established claim the fees from the new lodge for such applicants who petitioned for membership in the new lodge when instituted?

*Answer*.—Yes. (Michigan).

DEC. 9.—There is no law authorizing a joint public installation of the officers of a Grand Lodge and the officers of a Rebekah Assembly; therefore, the same is not permissible. (Kansas).

DEC. 10.—A person who is an owner or a person who is employed as a clerk or cashier in a pool room which is open to the public and which operates pool tables, tenpins and boxball alleys for a profit is not necessarily a professional gambler nor is he thereby rendered ineligible to membership in the Order. It is useless to here attempt to define the term "professional gambler." Suffice it to say that pool tables, tenpins, and boxball alleys may be owned and operated for profit without the element of chance or gambling, and to hold otherwise would be to place an unnatural, narrow, illogical and unwarranted construction upon such occupation and games. It depends altogether on the manner in which the profit accruing from the games or occupation is derived, and how the games are conducted. It is a matter of common knowledge that such games, more frequently than otherwise, are clean, wholesome sport, and the profit derived from the use of such instrumentalities as may be used in playing such games may be perfectly legitimate and not subject to any of the elements of "gambling." (Tennessee).

DEC. 11.—Unless especially authorized by the constitution and laws of the Grand Encampment a Grand Patriarch has no authority to grant a dispensation authorizing semi-annual terms for subordinate encampments in lieu of annual terms provided by the Grand Encampment Constitution. (Oklahoma).

DEC. 12.—Where the Grand Lodge constitution provides for the election of representatives to the Grand Lodge on the second meeting night in June, apportionment based as follows: One hundred or less, one representative, above that amount, two representatives, and the Grand Lodge meets in October of each year, the January semi-annual report is the one upon which the apportionment of representatives to the Grand Lodge shall be based, and not the July semi-annual report. (New Mexico).

DEC. 13.—Sec. 56, of the General Code of Laws for the Grand Lodge of Texas, reads as follows:

“Every bona-fide member who shall be qualified as required by the By-Laws shall in case of sickness or disability, be entitled to receive as weekly benefits not more than half the amount of yearly dues; provided further that a lodge having a productive interest bearing fund, consisting of moneys at interest, notes, bonds or real estate, or any combination of same, which shall produce an annual revenue actually earned and turned annually into the treasury of the lodge, in the sum of not less than \$5.00 per capita, shall not be confined to the rates of dues and benefits fixed in the foregoing provision while such moneys, notes, bonds and investments shall continue to produce an annual revenue of \$5.00 per member, but no lodge shall fix its dues at less than \$5.00 per year.”

A lodge which had been charging \$10.00 per year dues received and rejected a resolution which sought to reduce its dues from \$10.00 to \$6.00 per year; said rejection being based upon a report of the By-Laws committee to the effect that the proposed amendment was in conflict with Section 56, supra; the lodge had 420 members and an income from investments of \$9,756.00 per annum or \$23.22 per member; the lodge has a fixed indebtedness of \$3,912.00 leaving a balance of \$3,844.00, and for the past six years has received from dues, initiations, degree fees, reinstatements, etc., an average income of \$3,847.00, while the annual disbursements out of the fund during that time has been \$3,323.00, leaving a net annual surplus of \$504.00, HELD that said proposed amendment to reduce the By-Laws was not in conflict with said Section 56 of the General Laws of the Grand Lodge of Texas. (Texas).

DEC. 14. A brother was afflicted with rheumatism and was treated with the “new serum” treatment and the physician in using the same gave the treatment too strong and the brother had a nervous breakdown and was unable to work through the month of April and three weeks in the month of May, but the last week of May and the first day of June he worked at his usual vocation, but the nervous trouble returned and he was compelled to stop work again; he was paid benefits until the 13th day of July, when he was declared not entitled to benefits. and was stricken from the sick list by virtue of Section 4. of article 13, of the subordinate lodge constitution which reads as follows: “Any member having been on the sick list and ordered off by the Noble Grand because of having become well, shall not again be placed on the sick list within three months after such convalescence, unless it be for sickness or disability of a different nature than that for which he drew sick benefits.

*Answer.*—Under the facts stated the second illness was not a sickness or disability of a different nature than that for which the brother had previously been paid benefits, and if he had been ‘Ordered off,’ the sick list by the authority and in the manner provided by the Constitution, Section 4, Article 13, quoted would prevent his being again placed on the sick list for said second disability within three months thereafter, but if his name had not been ‘ordered off’ the sick list in the manner provided by law, until after his illness in June, he would be entitled to sick benefits continuously as for one sickness.”

DEC. 15.—A, B and C are members of a Michigan lodge and move to California. A conducts himself in a manner unbecoming an Odd Fellow, and B and C desire to prefer charges against him. The law of Michigan provides that a brother must be tried in his own Lodge; that the

trial committee shall be appointed at the next regular meeting after the charges have been received and held to be in proper form; that the accused shall be notified by registered mail of said charges and to be present at the next regular meeting to exercise his right to challenge the committee or any member thereof; that the laws gives the accused brother the right to be present when such committee is appointed. In view of the self-evident fact that it is a physical impossibility for a registered letter to be delivered from a Michigan lodge to a brother in California, in time for said member to exercise his rights and also of the almost prohibitive provisions by which a brother could defend himself in his home lodge, how can a brother under such conditions be legally tried?

*Answer.* The law does not require impossibilities. If the letter cannot be delivered in one week, a reasonable time should be allowed and that not only for the delivery of the letter, but also for the accused to be present in person or to arrange for an attorney or representative to challenge the committee or to do any other act that he might do if present in person. The evidence can be taken by deposition. The record should affirmatively show that the letter of the law has been complied with so far as it is possible to comply with the same and where it is impossible to comply strictly therewith, reason and common sense should be employed to carry out its manifest intention and design. If the brother fails to appear after having had due notice that is his business. The lodge should not be a party to any plan or effort that has for its ultimate result the shielding of an unworthy member no more than it should be a party to any improper effort to unlawfully or unfairly convict without a fair hearing. (Michigan).

DEC. 16.—A member of the Order as editor of a monthly journal alleged to be devoted to the interests of the Order, and which carries upon its title page the name and a portion of the Emblems of the Order, devoted a large portion of each issue of his paper throughout a period of years to repeated attacks upon a religious organization, in which its motives and practices were condemned. The paper had a large circulation among the members of the Order, and the editor openly espoused the articles against the religious body. Question: Has the Grand Sire, the facts stated above being conceded, power to direct the body having jurisdiction to expel the editor of the paper, and to discipline such body for its failure to obey his direction?

*Answer.*—Yes.

DEC. 17.—*Statement.* The constitution of subordinate lodges provides that at the time of electing Representatives to the Grand Lodge, each lodge shall also elect a District Deputy Grand Master, whose name shall be presented to the new Grand Master for confirmation. The Grand Lodge Constitution provides that the Grand Master shall appoint a District Deputy Grand Master in each District (in this State each lodge is a district), that all District Deputies shall represent him and act under his instructions, and he may, for cause, remove any Deputy and appoint a successor. The Grand Lodge constitution further provides that each District Deputy Grand Master shall be representative of the Grand Master within his district; that among other duties he is to require lodges to have their reports for the past term made out in duplicate, by the first meeting in the new term; and "the moneys due the Grand Lodge to be placed in his hands, or be actually in transit to the Grand Secretary." The following questions are submitted, based upon a case where the subordinate lodge has elected the District Deputy Grand Master, and presented his name to the new Grand Master for confirmation,

and pursuant thereto the Grand Master has duly appointed said member of the lodge to act as such Deputy.

*Question 1.*—When the tax due the Grand Lodge is placed in the hands of the District Deputy Grand Master, on the night of installation, is the claim of the Grand Lodge satisfied and fully paid at that moment, or does it only become satisfied when the tax actually reaches the Grand Secretary?

*Answer.*—The claim of the Grand Lodge, so far as the subordinate lodge is concerned is fully satisfied when the money is paid to the District Deputy Grand Master.

*Question 2.*—If the District Deputy Grand Master, after receiving the per capita tax from his lodge, fails, through dishonesty or any other cause, to forward same to the Grand Secretary, shall the Grand Lodge look to the subordinate lodge for payment, or must it credit that lodge in full for payments made to its Deputy, and then seek collection from said Deputy?

*Answer.*—The Grand Lodge, after the tax has been properly paid to the District Deputy Grand Master, is bound to give proper credit to the subordinate lodge.

DEC. 18.—WHEREAS, A member of the Order, and a member of His Majesty's permanent force makes application for admission by transfer of membership; and

WHEREAS, The said Brother is a sergeant and in his turn has charge of the canteen and in this capacity sells alcoholic liquors to military men,

*Question.*—Can the lodge to which he applies for admission by transfer debar him the right to transfer other than by ballot box?

*Answer.*—No.

## REVISED CONSTITUTION OF THE SOVEREIGN GRAND LODGE.

The revised Constitution, as submitted in 1915, and contained in the report of your Grand Representatives found in Journal of the Grand Lodge of Pennsylvania, for the year 1915, pages 576 to 583 inclusive, was adopted, without any amendments, alterations or changes by vote of 205 ayes to 2 nays.

## THE NEW CODE.

The Special Committee on Codification of the Laws submitted a Code of the Sovereign Grand Lodge, which was referred to a Committee consisting of the Past Grand Sires and sixteen Grand Representatives to consider the same, to recommend such changes as may be feasible and to inquire into the purpose and significance of all new legislation therein proposed. The Special Committee, after careful consideration, recommended certain changes and with these changes the code was adopted.

It will be observed that the work is both a code and in many res-

pects a digest. Only by writing the law as concisely as possible and appending thereto the decisions and rulings of the Sovereign Grand Lodge as pre-interpretations could the work be made fully useful. A code containing no reference to our previous laws, would, in view of the fact that uncertainty as to meaning and differences in interpretations are sure to arise, probably stimulate inquiry into the former state of the law, and, without a guide to the contents of the Journals, a digest would be almost as necessary as if no code had been written.

The By-Laws of the Sovereign Grand Lodge, are, on the adoption of the code, entirely superseded as every provision contained in them is now in the revised Constitution or in the Code.

The Sovereign Grand Lodge is to be congratulated that at last our Order may be able to work under a Code wherein all of our laws may be conveniently found, and a Code that is so complete and reliable.

The following sections in the Code are new legislation or the interpretation of such resolutions or decisions as make practically new law, to wit:

#### AMOUNT OF WEEKLY BENEFITS—MAXIMUM.

Grand Bodies or subordinate bodies when so authorized or in the absence of regulations by their Grand Bodies shall have power to prescribe the maximum weekly benefit that shall be paid by their subordinates.

#### AGED ODD FELLOW'S FUND—HOW CREATED.

Grand Lodges shall have power to create, maintain and dispense an Aged Odd Fellows' Fund. Such fund may be derived from the assets of subordinate lodges, whose charters have been surrendered, from voluntary contributions and from such other sources as are not inconsistent with the laws of the Order.

#### BENEFICIARIES OF AGED ODD FELLOWS' FUND.

Any Odd Fellow over fifty years of age and in good health who has been in continuous membership for twenty-five years or more and whose subordinate lodge has forfeited or surrendered its charter and effects to the Grand Lodge and who was in good standing at the time of such forfeiture or surrender, may be admitted as a beneficiary of said fund.

#### GRAND LODGES MAY PRESCRIBE REGULATIONS.

Grand Lodges shall have full power to prescribe the form and extent of proof that shall be required to admit aged Odd Fellows to participate in said fund, and shall require all applicants to be admitted to membership in a subordinate lodge within the jurisdiction in the manner prescribed in the next succeeding section.

#### HOW ADMITTED TO SUBORDINATE LODGES.

The applicant shall present to the subordinate lodge having territorial jurisdiction, his application for admission to membership accompanied by the requisite proof of his former membership in the Order, and shall pay to the Secretary of said Lodge, to be transmitted to the Grand Secretary, the admission fee prescribed by the Grand Lodge for such members, and, if elected to membership, shall, if all other requirements of the Grand Lodge have been complied with, be admitted to participate in said fund.

#### DUES.

Grand Lodges shall have the power to prescribe the amount of dues that such members shall be required to pay to the Aged Odd Fellows' Fund and to determine the time and manner of payment and affix penalties for delinquency.

## FEES AND DUES TO GO TO AGED ODD FELLOWS' FUND.

All fees, dues and other contributions required of such members by the Grand Lodge shall be payable to the Secretary of the Lodge in which membership may be held and shall be transmitted to the Grand Secretary and placed to the credit of the Aged Odd Fellows' Fund.

## DUES TO SUBORDINATES.

Subordinate lodges may be authorized to fix by by-law the annual dues to be paid by such members, for the use and benefit of the lodge in which membership shall be held.

## LODGE NOT LIABLE FOR PECUNIARY BENEFITS.

No subordinate lodge shall be liable to any such member for pecuniary benefits of any character, but such members shall be entitled to receive attentive benefits.

## GRAND LODGES MAY FIX BENEFITS TO BE PAID.

Grand Lodges shall have power to prescribe the amount of weekly sick benefits that shall be paid to such members out of the Aged Odd Fellows' Fund, and may allow funeral and widow's and orphan's benefits from the same; provided, no obligations shall rest upon a Grand Lodge to pay the benefits prescribed out of any other fund, and no Grand Lodge shall obligate itself to pay or provide for the payment of such benefits after said fund shall have been exhausted.

## BENEFICIARIES OF FUND TO BE UNDER CARE OF LODGE—REPORTS.

The beneficiaries of the Aged Odd Fellows' Fund shall be under the care of the lodge of which they are members, and in case of sickness or disability shall receive attention as other members of the lodge. It shall be the duty of such lodge to notify the Grand Secretary of the commencement, duration and termination of the sickness of any such beneficiary, and the Grand Secretary may be authorized to pay benefits from the Aged Odd Fellows' Fund upon the certificate of the Noble Grand and Secretary under the seal of the lodge.

## PRIVILEGES OF SUCH MEMBERS.

Aged members who shall be received into subordinate lodges as herein provided, shall be entitled to all the privileges of other members, except that they shall not be entitled to vote or speak on any question which shall involve the disposition of the funds or property of the lodge.

## ATTENTIVE BENEFITS DEFINED.

The term "attentive benefits" shall be construed to include all those attentions to the needs and wants of a brother who is sick or disabled in body or distressed in mind required by the laws of the Order, and the precepts of the Ritual. It shall include the obligation of subordinate bodies to visit and wait on the sick, to inter their deceased members with the honors of the Order and to minister and give comfort to the widow and the orphan. It shall not include the payment of any stipulated pecuniary benefit, either to the brother himself or the members of his family, or the payment of nurses or watchers.

## ATTENTIVE BENEFITS—TO WHOM RENDERED.

Every member of the Order without regard to the date of his admission, arrearages or other circumstances, so long as he shall not have been actually dropped from the roll, shall be entitled to receive from the officers and members of his lodge "attentive benefits" as defined in the next preceding section.

## DUTIES OF LODGES TO SOJOURNING MEMBERS WHO ARE ENTITLED TO BENEFITS

When a sojourning member shall become entitled to benefits, it shall be the duty of any lodge or encampment within whose territorial jurisdiction he may be, after ascertaining that he is entitled to benefits, (and to the services of a nurse, should he need one), to provide a nurse any pay therefor the amount allowed by his own lodge or encampment, and to advance benefits to him at the rate prescribed by the laws of his own lodge or encampment, and the lodge or encampment of which the brother is a member shall immediately, upon proper statements of the amount expended, reimburse said lodge or encampment; provided, that no lodge or encampment shall be required to advance more than four weeks' benefits or nurse hire unless reimbursed by the lodge or encampment to which the brother shall belong.

## VISITING CARD—EFFECT OF SUSPENSION OR EXPULSION.

When a member shall be in possession of a visiting card, and shall, during the period for which such card was granted, be suspended or expelled, such suspension or expulsion shall work a forfeiture of said card, and of all the rights and privileges thereunder, and the holder of a visiting card who shall attempt to visit or claim benefits thereon after his expulsion or suspension, even though the suspension be for a shorter period than the life of the card, shall be guilty of an offense against the laws of the Order.

## EFFECT OF SUSPENSION OF SUBORDINATE BODY.

When a subordinate lodge, encampment or Rebekah Lodge shall be suspended or shall voluntarily surrender its charter, all visiting cards issued by it shall become and be null and void from and after the date its charter shall be recalled or surrendered, and the holder of a visiting card issued by such subordinate body who shall thereafter attempt to visit or claim benefits thereunder, shall be guilty of an offense against the laws of the Order.

## SUSPENDED OR EXPELLED MEMBER OF LODGE CANNOT RECEIVE VISITING CARD FROM ENCAMPMENT OR REBEKAH LODGE.

A member who shall be expelled from his subordinate lodge shall not be entitled to receive a visiting card from his encampment or Rebekah lodge and a member who shall be suspended for a definite period from his subordinate lodge shall not be entitled to receive a visiting card from his encampment or Rebekah lodge during the period of such suspension, although he may be free from all charges and in good standing in his encampment or Rebekah lodge.

## THE OFFICIAL CERTIFICATE—RECEIPT FOR DUES AND ASSESSMENTS

When a member of a subordinate lodge, encampment or Rebekah lodge shall pay dues or assessments to such lodge, encampment or Rebekah lodge, and shall request a receipt therefor, the officer of such lodge, encampment or Rebekah lodge, authorized by law to receive and receipt for dues and assessments shall issue to such member a receipt upon the form prescribed in the next succeeding section, which form shall be denominated the "official certificate," and shall be furnished by the Sovereign Grand Lodge as hereinafter provided; provided, when a Grand Body having jurisdiction over any subordinate body shall decline to communicate the A. T. P. W. or current term word to any such subordinate body, it shall be unlawful for such subordinate body to issue the receipt prescribed by this section to any of its members who shall pay dues or assessments.

## EFFECT OF EXPULSION.

When a member shall be in possession of an official certificate and shall, during the period for which dues are shown to be paid be expelled, such expulsion shall work a forfeiture of said official certificate and of all rights and privileges there under except its character as a receipt for money paid.

## EFFECT OF SUSPENSION OF BODY.

When a subordinate lodge, encampment or Rebekah lodge shall be suspended or shall voluntarily surrender its charter, all official certificates issued by it shall become and be null and void except as a receipt for money paid from and after the date such charter shall be recalled or surrendered, and the holder of an official certificate who shall thereafter attempt to visit or procure membership thereon shall be guilty of an offense against the laws of the Order.

## TRANSFER CERTIFICATES—TO WHOM ISSUED.

A member of the Order who shall change his residence from the territorial jurisdiction of his subordinate lodge, encampment or Rebekah lodge to the territorial jurisdiction of another subordinate lodge, encampment or Rebekah lodge, or who may be transferred from the territorial jurisdiction of one subordinate body to another by a change of the territorial jurisdiction in which he shall reside, and who shall be in possession of an official certificate or visiting card showing his dues paid not less than four weeks in advance of the date of his application for membership as hereinafter provided, and who shall desire to unite with a subordinate lodge, encampment or Rebekah lodge at the place of his new residence, may do so by making application for such membership in the branch of the Order from which he holds such official certificate or visiting card, accompanied by his official certificate or visiting card and a fee of twenty-five cents, and by complying with the law applicable thereto. If elected to membership, as provided by the local law, the Secretary of the subordinate or Rebekah lodge or the Scribe of the encampment, as the case may be, shall immediately send notice of such election together with the said fee of 25 cents to the lodge, encampment or Rebekah lodge issuing the visiting card or official certificate and request such lodge, encampment or Rebekah lodge to issue a transfer certificate for the member as provided by this chapter. The lodge, encampment or Rebekah lodge, upon receiving such request and fee, shall, unless charges are pending against such member, issue such transfer certificate without ballot and send the same at once to the Secretary of the subordinate or Rebekah lodge or Scribe of the encampment making such request. Upon the receipt of such transfer certificate the member shall be entitled to sign the constitution and become a member of the new lodge, encampment or Rebekah lodge without the payment of any additional admission fee, and the lodge, encampment or Rebekah lodge issuing such transfer certificate, shall, upon receiving notice from the new lodge of the date of signing the constitution of such lodge, refund to such member all dues paid in advance of such date; provided, that if a physician's certificate shall be required, the applicant shall pay the expense thereof; provided further, that nothing herein contained shall be construed to entitle a brother transferring or those claiming under him to receive benefits from his new lodge or encampment, until such time as he shall become beneficial under the laws of such lodge or encampment.

## TRANSFER CERTIFICATE SEVERS MEMBERSHIP—EXCEPTION.

The issuing of a transfer certificate by a lodge, encampment or Rebekah lodge shall immediately sever the membership of the person to whom

the same shall be issued from such lodge, encampment or Rebekah lodge; provided, that if the member shall become sick or disabled so as to become entitled to benefits, or shall die, or shall return to reside within the territorial jurisdiction of the lodge granting the transfer certificate within the period for which dues have been paid in advance and before completing membership in his new lodge or encampment by signing the constitution thereof, the transfer certificate so issued shall be ipso facto canceled and the member shall retain his beneficial standing in his old lodge or encampment the same as though no transfer certificate had been issued.

#### DEFUNCT CARDS.—GRAND OFFICERS MAY REFUSE CARD.—WHEN

The officers of a Grand Body shall not be required to issue the card provided by the next preceding section if they shall have knowledge, or it shall be made to appear to their satisfaction, that the applicant for such card has been guilty of conduct unbecoming an Odd Fellow, either prior or subsequent to the date on which the charter of his lodge, encampment or Rebekah lodge was surrendered or recalled.

#### CHARGES AGAINST SUCH MEMBERS—HOW PREFERRED AND TRIED.

The holder of a withdrawal card issued pursuant to the provisions of Section 165 of this chapter shall be amenable to all the laws and usages of that Branch of the Order from which the same shall be issued, and any subordinate body of the Branch of the Order issuing such card shall have authority to entertain charges against such member and try him upon such charges as fully to all intents and purposes as if he were a member of such subordinate body.

#### SHALL REPORT RESULT OF TRIAL.

trict or Territory in which the Grand Lodge or Grand Encampment electing said Grand Representatives, is located." So that the section as amended will read as follows: "Section 1. WHO ARE MEMBERS OF SOVEREIGN GRAND LODGE—Qualifications: This Sovereign Grand Lodge shall be composed of the following members, to wit: A Grand Sire, Deputy Grand Sire, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Guardian, Grand Messenger, Assistant Grand Secretary, and Grand Representatives from the several Grand Lodges and Grand Encampments working under legal unreclaimed charters granted by this Sovereign Grand Lodge, together with all Past Grand Sires. Each member shall be a Past Grand in good standing and a member of a subordinate lodge and Rebekah lodge in good standing and must have received the Royal Purple Degree, and be a member in good standing of an Encampment in good standing. The qualifications of Grand Representatives to be certified by the Grand Secretary, Grand Scribe and Secretary of the Rebekah Assembly of the State, District or Territory in which the Grand Lodge or Grand Encampment electing said Grand Representatives, is located."

*Resolved*, That Section 1, of Article XII, which reads as follows:

"Section 1 This Sovereign Grand Lodge shall meet annually on the third Monday of September, at 9 A. M., at such place as the Sovereign Grand Lodge shall from time to time determine. It may also meet on its own adjournment. It may also meet specially on the call of the Grand Sire of which the Grand Sire shall cause three months' notice to be given to the Representatives of the several Grand Lodges and Grand Encampments, communicating to them the purpose for which the special meeting is called, and in no case shall any business be transacted at a special meeting unless such notice has been given; provided, that if it shall be impracticable, from the prevalence of contagious disease or any other cause, for the annual session to be held at the place designated, therefor, the Sovereign Grand Lodge shall have the power to determine at what date or place said session shall be held, or if the Sovereign Grand Lodge be not in session when such emergency occurs, such power may be exercised by the Grand Sire," be amended by striking out the word "annually" and inserting in lieu thereof the word "biennially:" so that when amended the section will read as follows:

"Section 1. This Sovereign Grand Lodge shall meet biennially, on the third Monday of September at 9 A. M., at such place as the Sovereign Grand Lodge shall from time to time determine. It may also meet on its own adjournment. It may also meet specially on the call of the Grand Sire, of which the Grand Sire shall cause three months' notice to be given to the Representatives of the several Grand Lodges and Grand Encampments, communicating to them the purpose for which the special meeting is called, and in no case shall any business be transacted at a special meeting unless such notice has been given, provided, that if it shall be impracticable, from the prevalence of contagious disease or any other cause, for the annual session to be held at the place designated therefor, the Sovereign Grand Lodge shall have the power to determine at what date or place said session shall be held, or if the Sovereign Grand Lodge be not in session when such emergency occurs, such power may be exercised by the Grand Sire."

BE IT ENACTED BY THE SOVEREIGN GRAND LODGE, that section 511, of chapter 4, Article XIII, of the Code of Laws, be amended by striking out in the sixth line thereof, the word NON-BENEFICIAL and inserting in lieu thereof the word BENEFICIAL so that the section when amended shall read as follows:

"Section 511. After a brother has become sixty years of age, and has been a contributing member of a subordinate lodge or encampment for twenty-five (25) consecutive years, his name shall not be dropped from the roll by virtue of his being more than one year in arrears for dues or other charges, but he shall be retained as a member, and as such shall be entitled to all of the privileges of active members, and subordinate bodies shall not be compelled to pay a per capita tax on such members. Such members may be reinstated in the manner provided by the Constitution and laws for the reinstatement of dropped members."

*Resolved*, That Section 617, of Code of the Sovereign Grand Lodge I. O. O. F., be amended by the addition of the words "and Subordinate," so that the Section shall then read:

"At sessions of Grand and Subordinate Bodies, in lieu of any regalia hereinbefore described, a ribbon may be worn of the color of the highest degree the member has attained, having attached thereto any jewel which he is entitled or required to wear."

### LEGISLATION.

All of the Amendments to the Constitution of the Sovereign Grand Lodge submitted at the last session for action this year were not considered as the Grand Sire ruled that they were not germane to the Constitution now in effect.

Questions of law arising out of appeal cases were decided as follows:

1. *Charge must state the facts.* A charge against a brother must state the facts alleged to constitute the offense with reasonable particularity. Legal conclusions will not suffice.—Thomas E. Atkins *vs.* Grand Lodge of West Virginia.

1. *No evidence to support findings.* In an appeal from the action of a subordinate lodge, under the immediate jurisdiction of the Sovereign Grand Lodge, when it appear that there was no specific evidence to support the findings of the subordinate lodge that the accused was guilty, such action will be reversed.—C. E. Helvie *vs.* Manila Lodge, No. 1.

The officers and all of the Past Grand Sires were constituted a Committee to prepare a uniform and appropriate program of commemoration of the one hundredth anniversary of the founding of Odd Fellowship on the Continent of North America, to be observed universally so far as possible.

A Special Committee of five was appointed to inquire into and report to the next session of the Sovereign Grand Lodge on the condition of the Encampment branch of the Order, including in their report a recommendation of any legislation that may to them seem wise, for the purpose of improving the conditions of and promoting interest in said branch, with a view to making it an instrumentality for increasing interest in and lending added positive strength to the Order as a whole.

A Grand Master cannot declare a vacancy in the office of Grand Representative; there must be an actual vacancy before the same can be filled by election or appointment.

All laws of the Sovereign Grand Lodge inconsistent with the new Code are hereby repealed.

### ELECTION OF OFFICERS.

By reason of the death of our beloved Grand Sire, Robert T. Daniel, an election was held to fill the vacancy which resulted as follows:

J. B. A. Robertson, of Oklahoma, Grand Sire.

Frank C. Goudy, of Colorado, Deputy Grand Sire.

The Representatives of Pennsylvania did not present the name of Wilson K. Mohr, Past Grand Master and Grand Representative, for the office of Deputy Grand Sire at this time, but let it be known that Pennsylvania will have a candidate for this office next year, when the regular election will be held.

Chattanooga, Tennessee, was chosen as the next place of meeting.

The Grand Representatives from Pennsylvania received the following Committee assignments: Mohr, Judiciary and Special Committee on Code; Avery, Finance; Heiston, Patriarchs Militant; Vetter, Correspondence.

Fraternally submitted,

*Wilson K. Mohr*  
*James H. Avery*

The following letter will show the result obtained in the case of Brother Wright's portrait:

MR. A. N. LINDENMUTH,

My Dear Sir:

I want to thank you for the opportunity you so kindly offered me to see the portrait of my husband you have just completed. I was very much pleased with it, and consider it an excellent likeness, and in every way a pleasing picture.

You have asked me to criticize its short comings; but I find nothing to find fault with, and am glad to know, or believe that it will give satisfaction to those of his friends who honor his memory and in this way help it to be a lasting one.

I congratulate you in your success in the portrait.

Very sincerely yours,

MARY D. WRIGHT.

Allentown, Pa., January 11, 1916.

Your Trustees request authority to procure additional portraits of our worthy deceased Brothers who have faithfully served the Grand Lodge said portraits to be hung in the Grand Lodge Building, and would recommend that an appropriation of \$600.00 or as much thereof as may be necessary, be granted to procure portraits of Howell Hopkins, P. Your Committee respectfully offer the following recommendations:

We recommend that special appropriations be made to meet the deficiency in the following appropriations:

Mileage . . . . .	\$1,501 98
Competitive Degree Work . . . . .	40 49
D. D. G. M.'s Jewels . . . . .	20 00

We recommend that special appropriations be made to meet the following expenditures for which there were no appropriations, paid by order of the Board of Grand Officers:

Funeral Paul A. Benson, P. G. M. . . . .	58 00
Funeral William H. Rose, P. G. M. . . . .	30 00
Expenses Board of Officers Meetings . . . . .	284 00
Expenses Trial Greencastle Lodge, No. 228 . . . . .	39 90
Expenses Trial Franconia Lodge, No. 189 . . . . .	6 50

In compliance with Resolution of Board of Grand Officers, we recommend an appropriation of \$600.00 for additional portraits to be painted and hung in the Grand Lodge Office Building.

The Mortgage on the Grand Lodge Office Building has been reduced to \$6,000.00 by the payment on account of the sum of \$7,000.00 appropriated for said purpose at the last Session of the Grand Lodge. We would therefore approve the recommendation of the Board of Trustees that this sum be set aside from the receipts of the ensuing year when available for the cancellation of this mortgage; this money to be placed under the control of the Trustees for said purpose.

The above can be accomplished, we believe, without any increase in the Per Capita Tax, and we therefore recommend that the Per Capita Tax for the ensuing year be fixed at 12 cents for each contributing member on the Roll of each Subordinate Lodge, on the last meeting night of each preceding term.

We have examined the estimate of the Committee on Homes and Kindred Charities and based on that estimate we recommend an Orphans' Home Tax for the ensuing year of twenty cents per term, said tax to be computed on the membership the same as the Per Capita Tax.

The Committee on Appeals, District No. 1, presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Appeals, District, No. 1, respectfully present the following report. Three appeal cases were before the Committee Two for benefits and one on charges. The cases were disposed of as follows:

Appeal No. 1482. W. L. Baumgartner *vs.* Montana Lodge, No. 653, claim for 16 weeks benefits. Lodge refuses to pay for the reason that the Brother was in arrears at the time he was reported sick, and that the Brother failed to appeal within thirty days of the notice given him by the Lodge. See Art. 7, Sec. 5, Subordinate Lodge constitution. A member who is over 13 weeks in arrears for dues is not entitled to benefits until he shall have paid up in full all dues, and assessments and fines that have accrued up to date of payment, if the By-Laws so provide, etc., etc. Appeal dismissed and the Lodge sustained for the reason that the evidence shows that the Brother was in arrears and that he failed to appeal within 30 days.

Appeal No. 1484. Alexander Gans *vs.* General Steuben Lodge, No. 578, claim for 5 weeks benefits. Lodge refuses to pay for the reason that the Brother was attending to his business. Sec. 14. Page 11, Pennsylvania Digest: A Brother who is suffering with a chronic complaint, but is yet able to go to his place of business and apparently able to superintend it, and to participate in it to a degree, is *prima facie* not entitled to benefits as a sick Brother; but this presumption may be rebutted by positive evidence that he is incapacitated to such an extent as to entitle him to sick benefits. Appeal dismissed and the Lodge sustained for the reason that the evidence shows that the Brother is not entitled.

Appeal No. 1478. Charges: Cornelius T. Allen *vs.* Penn Township Lodge, No. 319. Said case was first heard October 20, 1913, and was referred back to the Lodge for the reason that the penalty of expulsion was excessive. Said case was again heard January 8, 1915, and again referred back to the Lodge for the reason that the penalty was illegal, viz: suspension for three years. Said case was again before the Committee February 21, 1916, and the verdict of the Lodge of suspension for two years was sustained and case dismissed.

On April 14th, 1916, the Appeal Committee convened in Odd Fellows' Temple, corner of Fourth and William Streets, and was called to order at 11 o'clock by Brother Henry Meister, P. G., Chairman, *pro tem.*

The following members of the Appeal Committee were present:

Brother Henry Meister, P. G., Luzerne Lodge, No. 721, Pittston, Pa.; Brother Britton W. Horne, P. G., Shamokin Lodge, No. 1092, Shamokin, Pa.; Brother Fred Newell, P. G., Canton Lodge, No. 321, Canton, Pa.; Brother William S. Ward, P. G., Robert Burns Lodge, No. 859, Clark Summit, Pa.; Brother Samuel L. Chambers, P. The meeting was declared open for the transaction of business.

It having been stated that no cases were referred for consideration to this Appeal Committee, verifies the fact that peace and harmony reigns supreme throughout District No. 2.

It was ordered that the Secretary report the proceedings of this meeting to the Grand Master.

The Committee on Appeals, District No. 3, presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Appeals, District, No. 3, respectfully submits the following report:

One meeting of the Committee was held at Pittsburgh, Pa., on November 27, 1915.

Two appeals were before the Committee for consideration. No. 1483, Funeral Benefits, Mrs. L. B. Johnson *vs.* Zion Lodge, No. 1057.

Mrs. L. B. Johnson claimed the funeral benefit of two hundred (\$200) dollars on account of the death of her husband, E. C. Johnson, a member of Zion Lodge, No. 1057.

The Lodge refused to pay the funeral benefit, claiming E. C. Johnson was in bad standing when he died.

The records of the Lodge showed he owed \$2.78, which was eighteen cents over 13 weeks dues, and thus only a fractional part of a week, the weekly dues of the Lodge being twenty cents.

Under Section 1820, p. 204, of the Penna. Digest, the appeal was sustained, and the Lodge ordered to pay the funeral benefit.

No. 1485, Charges: John O'Brien and Hugh A. Gorley *vs.* Fort Necessity Lodge, No. 254. John O'Brien and Hugh A. Gorley were charged with conduct unbecoming an Odd Fellow: (1) attempting to prevent the Lodge from getting new members, (2) conspiring to break up the Lodge, (3) violation of the initiatory degree.

John O'Brien was expelled and Hugh A. Gorley was suspended for two years.

The Committee finding gross irregularities in the procedure of the Lodge, and in the preparation of the charges, the appeal was sustained, and the action of the Lodge reversed and directed the Lodge to reinstate the appellants.

Detailed statements of the above cases together with transcripts of the action of this Committee will be found in the papers on file in the office of the Grand Secretary.

The Committee on Appeals, District No. 4, presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Appeals for District, No. 4, respectfully submits the following report:

Since the submission of the last report of the Committee, one meeting was held at Erie, Penna., at which the case of 1481, Philip Levy *vs.* Latonia Lodge, No. 1018, I. O. O. F., was considered. Philip Levy was the appellant from the decision of the Lodge, suspending him on charges. The dispute involved in the case was the right of a Lodge to suspend a member who by reason of financial embarrassment had failed to pay debts to the members of the Order. The Committee found that the Law of the Order is that the refusal of a member to pay a debt due another member of his Lodge, does not constitute sufficient grounds for preferring charges against him, and accordingly the Committee sustained the appeal and reversed the judgment of the Lodge.

Another meeting of the Committee was held at Warren, Penna., at which the case No. 1480, New Bethlehem Lodge, No. 725, I. O. O. F., *vs.* Samuel Cowan, was considered. Samuel Cowan was the appellant from the decision of the Lodge, on the claim for benefits and charges which resulted in a denial of the claim for benefits by the expulsion of the appellant. The case involved the making of fraudulent representations as to the condition of health at the time of admission to the Lodge and the trial of the Brother in his absence. The Committee found the conduct of the case so confused as to be unable to arrive at the true facts. There was gross irregularity and disregard of the Law of the Order, and the confusion ensuing led the Committee to sustain the appeal and reverse the judgment of the Lodge and refer the case back for retrial.

A detailed statement of the cases together with full transcripts of the action of the Committee, will be found in the records on file in the office of the Grand Secretary.

The Committee on the State of the Order respectfully submits the following report:

It is with pleasure that your Committee is able to report that it did not have any appeal cases to act upon during the past year.

The Committee on Homes and Kindred Charities presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Homes and Kindred Charities have visited all the Homes in the State, and have carefully inquired into the management and audited the books of the four Orphans' Homes, as required by the Grand Lodge, on our visitation from September 8 to 17. We had the Grand Master J. P. Hale Jenkins to accompany the Committee. We believe it would be a benefit to the Homes and the Order throughout the State, if the Grand Master, Deputy Grand Master and Grand Warden would annually accompany the Committee.

Your Committee of five have existed for five years with Past Grand Master Robert Graham as chairman, and W. F. Dixon as secretary. During the five years we lost by death Brothers Frank McLean of Union City, and Brother Past Grand Master Elmer E. Craumer, of Pittsburgh. These places were filled by Brothers John McLean, of Union City and August Loch, of Pittsburgh.

We have, in addition to reporting the Annual Financial condition of each Home, prepared a report for five years, and ask your careful study of the same, that you may know what our great Order of Odd Fellows are doing in this jurisdiction.

The Homes are a moral asset which cannot be estimated in dollars. The profits from the Homes, in educating the children so that they may become useful men and women, is not only an honor to the great fraternity of Odd Fellows, but to the State of Pennsylvania. Their usefulness is growing daily.

The Committee would also recommend that no additional buildings be added to any of the Homes, without first complying with the law, by having the approval of the Committee on Homes and Kindred Charities and the Board of Grand Lodge Officers.

The Ben Avon Home is beautifully located, and the property is kept in good condition, with a board of officers that are careful for all comforts of the Home.

The Meadville Home has secured a new Matron, Miss Maud Newman who had given good service for several years secured a more lucrative position in Pittsburgh. Her successor, Miss Eager, appears in all respects well qualified to fill the position. They have a surplus of children, which it is absolutely necessary to reduce, and the Board, together with the new matron are endeavoring to do this. The President, Brother McCollum, with the other officers, are alive for the best interest of the Home, and if they are retained in their positions, will place Meadville Home in a better condition in a few years.

The Sunbury Home. Brother Chubbuck and his wife always have the Home; with the 169 children in good command and are worthy to be congratulated in the work they are doing. The band of boys and orchestra of girls, give much entertainment to the Home, and develop a musical talent in many of the children. Everything about the Home and farm is kept in an attractive appearance.

The Philadelphia Home is one of the most modern buildings in the State, and will require but little expense for many years. They have accommodations for one hundred children in single beds, and the Management is active for the best interest of the children.

We herewith submit a tabulated statement of the financial reports for the year 1915, together with a tabulated statement covering the last five years.

The Committee has refrained from making any reference to the Homes for Aged Brothers and their Wives, as that matter is now in the hands of a Special Committee.

The appropriation to the four Homes from the Grand Lodge for 1915, amounted to \$66,195.36, and the Committee would recommend a continuing of the same assessment of forty cents on each member.

The Committee has many serious matters come under their observation, which must be met in the near future, but none more serious than the defective child, who cannot, through mental or physical reasons, be admitted to the Orphans' Homes. They cannot and should not be housed with normal orphans, but means should be adopted whereby such child or children could be cared for. They should not be placed in pauper institutions.

We would also recommend that at least 25,000 copies of the report of the Committee be printed and mailed by the Grand Secretary with other papers, to every Lodge in the State, to be distributed to the members of the Order.

All of which is respectfully submitted.

The Committee on Aged Odd Fellows' Fund presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Aged Odd Fellows' Fund begs to report that they have paid Brother James G. Mitchell, a non-beneficial member of Patton Lodge, No. 1089, I. O. O. F., formerly a member of Morris Run Lodge, No. 698, I. O. O. F. (now defunct) fifty-two dollars during the past year.

Brother Mitchell has been sick for years; we understand that he is very feeble with little prospects of improving, and almost in want, and we therefore

*Recommend*, That the Grand Lodge place the sum of fifty dollars in the hands of the Committee on Aged Odd Fellows' Fund with authority to use as much thereof as they deem necessary and the condition of Brother James G. Mitchell requires; we further

The Committee on Appeals for Aid presented the following report which was referred as per Resolution of the Grand Lodge.

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Appeals for Aid respectfully reports that during the year past it has considered and acted upon the following Appeals for Aid:

L'Alliance Lodge, No. 683, of McDonald, in behalf of Brother ——. This was handed down by the former Committee. After due and careful consideration the appeal was approved, and relief granted in the sum of \$100.

Charter Oak Lodge, No. 349, I. O. O. F., Mill Village, on behalf of

Brother———. This was at first denied, but upon rehearing, relief was granted to the extent of \$150., payable \$3.00 per week until the amount is exhausted.

Abbott Lodge, No. 1015, Germania, in behalf of Brother ———. Relief granted to the extent of \$100, if the Lodge out of its Treasury or by individual donation of its members will raise a like amount.

Olyphant Lodge, No. 581, of Olyphant, in behalf of Brother ———. Relief granted in the sum of \$200. This was granted after No. 581 and another fraternal organization to which the Brother belonged, had raised a like amount.

The Committee in reaching its decision in one of the Appeals before it said in part: "It is a duty imposed on a Lodge to care for its Brothers, and the Grand Lodge cannot undertake to relieve a Lodge of this duty. It is not the function of the Grand Lodge to furnish capital to Brothers to aid them in setting up business. This is a matter that should be taken care of by the local Lodge, as by so doing the members will have a direct personal interest in the matter, and will see that every dollar so appropriated will be properly applied."

This is earnestly commended to the Brethren of the Order as affording food for careful thought.

The Committee on Correspondence presented the following report which was referred as per Resolution of the Grand Lodge.

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Correspondence submits the following:

The bright bow of promise shines with added lustre over Odd Fellowship in this country. There has been a refreshing of interest and a budding forth of dormant energy everywhere.

During the last six months wide spread industrial prosperity has brought lodge acquisitions where a large number of prospects had been nipped by the frost of business depression a year ago.

All ardent advocates of altruism will rejoice at this manifested flowering of fraternity and fruitage of benevolence.

Statistics are not yet available to show the gains of 1916, in figures, but they will certainly be gratifying.

During the past year, notwithstanding the unfavorable conditions, a substantial gain was made being a tribute to the loyalty, interest and activity of the membership. The net increase in the subordinate membership was 12,307; in the Encampment branch 628; in the Rebekah branch, 11,165; in the Patriarchs Militant branch, 175.

Eleven Jurisdictions had severe losses, ranging from three hundred to over two thousand. Of these, with the single exception of Washington, all are southern States. Georgia suffered most with a loss of 2,600 members.

The Grand Secretary of that Jurisdiction attributes the tremendous loss to the fall in the price of cotton over a year ago. He writes,

"Georgia is an agricultural State and the Order in Georgia has a large percentage of members engaged directly or indirectly in agricultural pursuits. Georgia produces more cotton according to its area than any other State in the Union; consequently is more seriously affected by the market price of cotton than any other State. So, when the price fell in the Fall of 1914, from 15 to 6 cents per pound, it carried almost everything with it. As the result of the condition produced, we suffered with it."

Oklahoma deserves great credit for its showing, having gained over 700 members and now having 35,000 members. Oklahoma seems to be destined as the greatest Jurisdiction of the South. The pride of the Jurisdiction is its two Odd Fellows' Homes, worth \$165,000, with no indebtedness, in which 160 persons are being cared for, from the two extremes of life. It seems that the Jurisdictions that prosper most are those that are most concerned about the care of the innocent and the infirm.

Our Order increased three-fourths of one per cent. during the past year. despite the industrial depression that existed then. The previous year the gain was one and three-fourths per cent. The year prior to that it was one and one-fourth per cent. Four years ago it was almost two and two-thirds per cent.

This progress proves the stability of our Order and forecasts its future progress. Let us hope that till 1919, when we celebrate the Hundredth Anniversary of our Order we will have attained the coveted two million mark.

Pennsylvania as the leading Jurisdiction, remains in the van guard, and is widening the breach between her and her nearest competitors. Her gain was 4,291 members, while New York, her nearest competitor only gained 2,056. Illinois, third in the race had a slight loss of 97 members.

The acquisition of Lodge Halls has become a distinguishing feature. The feature has become so pronounced in most progressive Jurisdictions that many of the Lodges are now getting the desire to own their own places of meeting.

This has been a great factor in developing the social benefit of Odd Fellowship. In many of the Western Jurisdictions Odd Fellow Lodges have become the social centers of the new towns.

The Grand Secretary of Idaho writes: "Odd Fellows' Lodges have been the social centers in nearly all of our new towns, and have aided them in their growth along the lines of good citizenship. It has been said and with much truth, that one can always locate the Odd Fellows' building in any Idaho town, because it is the best building in that town."

Pennsylvania has not been lax recently in the erection of fitting Odd Fellow buildings and there is promise of more progress along this line.

A splendid building bearing the insignia of our Order serves as a good investment, fitting memorial and effective advertisement of our Order. It awakens interest among the members, and enthuses and inspires activity.

It is gratifying to view the financial condition of our Order. The total expenditure for relief for one year was over six million dollars. Since 1830 the total expenditure for relief has been over one hundred and sixty millions. What a fountain of relief from which flowed the laden streams of Friendship, Love and Truth! What a source of happiness to the sick and disabled and their dependent ones.

Actuated by the loving impulses and guided by the teachings of our beloved Order, forty-one grand Jurisdictions are now maintaining and operating Homes for those requiring care and protection.

Among the more recent ones are those at Canon City, Colorado; Gainesville, Florida and Reno, Nevada. The Canon City Odd Fellows' Home cares for Odd Fellows, wives, widows, orphans and Rebekahs. Besides the buildings there is forty acres of land. The cost of the Home was about \$65,000.

The Gainesville Odd Fellows' Home cares for the same class of dependents as the Canon City Home, having one building and two acres of ground, costing \$20,000.

The Royal D. Hartung Home for Orphans and Foundlings at Reno, has a building and one half block of land valued at \$7,000.

Under the forty-one grand Jurisdictions operating Homes, 4,678 dependents are being protected.

Eleven hundred and sixty-one aged men and 374 enfeebled women enjoy a sweet retreat from the harsh cares of the world.. 1115 boys and 1028 girls find a sheltering care and safety from worldly snares.

It has cost over three-fourths of a million dollars to maintain these institutions, but is it not money well spent?

As a conclusion, we congratulate the Odd Fellows' of Pennsylvania upon their active and effective work in carrying out loyally the benevolent principles of Odd Fellowship.

Faternally submitted,

SAMUEL F. BAIR.

H. E. WALTON.

The Committee on Testimonial to Retiring Grand Master presented the following report which was referred as per Resolution of the Grand Lodge.

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee appointed at the last annual session of the Grand Lodge, on testimonial to Paul A. Benson, the retiring Grand Master, begs leave to report as follows:

On account of the decease of Past Grand Master Paul A. Benson, at an early period after the last session of the Grand Lodge, the Committee was unable to perform its duties during his lifetime. The duty devolving upon the Committee therefore revolved itself into the purchasing of a suitable memorial for our last Past Grand Master, instead of a testimonial to him.

The Committee at the urgent request of many of the Brothers in Erie County, with the consent of the family, have purchased a memorial to be erected on the lot in the Erie Cemetery where the remains of Past Grand Master Benson are buried, at a cost of five hundred dollars. The appropriation of two hundred dollars made at the annual session of the Grand Lodge in 1915, has been applied in payment of said memorial.

The Committee would recommend that the Grand Lodge make an additional appropriation of three hundred dollars to cover the payment of the balance due on said memorial.

ROGER MACDONAGH, P. G., No. 718,

The Committee on Competitive Degree Work presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Committee on Competitive Degree Work begs leave to present the following report:

From the time that the first circular announcing the Contest was sent out until the last contest had been held, the Lodges in the North-western section of the State, especially in the eligible district, showed the greatest interest in this work.

Many letters were received making inquiries regarding the contest. Some of these letters were from Lodges outside the fifty mile radius, and such Lodges were of course ineligible to enter.

Sixteen Lodges entered the contest, from sections in the eligible zone. The Committee found itself in quite a dilemma. To have the one set of Judges view all the work would require many times the amount of the appropriation. To find five judges who were willing to give up the time necessary to visit so many different localities, scattered throughout the eligible territory, was found an insurmountable difficulty.

The Committee therefore after a consultation with the Grand Master, decided to resort to elimination contests, grouping the Lodges according to their geographical proximity. A set of five judges was appointed to view the work in each of these elimination contests. The winner in each case was to appear before the Grand Lodge Committee's Judges in the final contest.

Four such contests were arranged as follows:

Irwin Lodge, No. 1100, of Erie; Clement Lodge, No. 220, of Union City and Grape City Lodge, No. 1073, of Northeast were assigned to a Committee of Judges consisting of L. A. Jones, of 349, N. E. Stevens of 929, F. J. King, of 974, Alfred Owens, 1143 and W. S. McCormick of 718.

Lodge No. 1073 was declared the winner of this contest and was notified to appear in the final at Erie March 11.

Albion Lodge, No. 376, of Albion, Nickel Plate, 1125, of Girard, Lake Shore, 718, of Erie and Spring Valley, 401, of Springboro were assigned to Committee of Judges consisting of W. J. Gordon, of 188, J. F. Heidler, 1111; Henry Weis, 416; C. H. Pelton, 1169, and C. E. Zeiders, of 162.

Lodge, No. 718 was declared the winner of this contest and notified to appear in the finals at Erie, March 11th.

Nos. 376 and 401 withdrew prior to the elimination contest.

Riceville Lodge, No. 418 of Riceville and Queen City Lodge, No. 304, were assigned to a Committee of which the D. D. G. M., Brother J. M. Siverling was chairman, but Lodge, No. 418, withdrawing made this elimination contest unnecessary. Lodge, No. 304 was therefore declared the winner of the contest and notified to appear in the final at Oil City, March 10th.

Venango Lodge, No. 255, of Franklin and Latonia Lodge, No. 1018, of South Oil City were assigned to a Committee of Judges consisting of M. C. Keifer, W. W. Cameron, Delos A. Reed, John J. Ross and M. H. Lilly, all of Lodge, No. 589.

Venango Lodge, No. 255 was declared the winner of this contest and notified to appear before the Judges in the final at Oil City, March 10th.

Sharon Lodge, No. 347, of Sharon and Adoniram Lodge, No. 739, being in close proximity and quite remote from other entrants the Judges of the final contest found that the work of these two Lodges could be viewed on the same evening and no elimination contest would be necessary.

The following Judges were appointed to view the work of the Lodges remaining in the contest at the completion of the above elimination contests: L. A. Jones, of 349; J. M. Siverling, of 901; Thos. S. Strauss, of 1011; C. W. Fenton, of 195, and F. W. Jackson, of 931. These Judges

were notified to appear at Sharon and Sharpesville March 9, to view the work of Nos. 347 and 739, at Oil City, March 10th, to view the work of Nos. 304 and 255, and at Erie, March 11th, to view the work of 718 and 1073.

The final contests were held as planned on the respective dates as above resulting as follows:

No.	NAME OF LODGE.	RITUALISTIC WORK. PERFECTION—20 Points.	DELIVERY AND IMPRES- SIVENESS OF CHARGES. PERFECTION—25 Points	DRAMATIC INTERPRE- TATION. PERFECTION—15 Points.	UNWRITTEN WORK. PERFECTION—25 Points.	FLOOR WORK. PERFECTION—15 Points.	TOTAL.
718	Lake Shore	19.80	24.85	14.88	24.00	15.00	98.54
255	Venango	19.83	24.56	13.77	24.00	14.09	97.07
304	Queen City	19.00	24.57	14.00	24.00	14.05	96.07
1073	Grape City	19.68	24.28	14.00	23.05	14.00	95.46
347	Sharon	19.25	23.43	14.00	23.00	14.32	94.00

Lake Shore Lodge, No. 718 was therefore declared the winner and ordered to appear before the Grand Lodge at the next session of the same, in Exposition Park.

On March 9th, the Judges and the chairman of the Committee appeared in Sharon to view the first contest. Adoniram Lodge, No. 739, having withdrawn, there remained only Sharon Lodge to work. The Sharon team was very fine and the Lodge can well be proud of them. The Committee desires to extend their thanks to Sharon Lodge for their splendid reception and entertainment. About 250 Brothers were present and witnessed the work.

On the morning of March 10th. the Committee proceeded to Oil City, via Meadville, stopping at that place long enough to pay a visit to the Orphans' Home, located there. The visitors were well repaid for their visit.

Oil City Lodge, No. 589, had called a special meeting of that Lodge, for the purpose of allowing Venango Lodge, and Queen City Lodge, to compete in their magnificent new Hall. The thanks of the Committee are due for their kindness in this and in other respects.

At 8.00 P. M., the Team of Venango Lodge, No. 255 appeared and gave a splendid exemplification of the Degree. The marching of the "Guards" was especially fine. Space, interval and cadence was almost perfection and the Judges and Committee were unanimous in declaring that it was the most wonderful exhibition of military precision they had ever witnessed.

The Team of Queen City was due to take the floor at 9.30, but their train, owing to the heavy snows was delayed for over one hour, and they did not get on the floor until after 11 o'clock. Over five hundred Brothers were present and most of these waited until Queen City's work was done. This Lodge made a splendid showing and they are to be highly congratulated.

On the morning of March 11th, the Judges and party proceeded to Erie, via Corry, to view the work of Grape City, No. 1073, and Lake Shore, No. 718. The surprise of the contest was the magnificent work of No.

1073, this being a new team of which little was expected. Their work was almost equal to any of the older teams, and they should feel greatly encouraged. Lake Shore was the last team to appear before the Judges and their work was a revelation. Too much praise cannot be bestowed upon them. Such a great crowd of Brothers was present that the teams were hampered in their floor work, but each managed to put on the Degree in fine style.

The work of all of the teams was far beyond the expectations of the Judges, there being but little superiority in the work of the highest over the lowest as the close scores will show. The Committee desires to thank all of the Lodges. Judges and Brothers taking part therein, hoping that the wonderful improvement in Degree work will continue.

#### RECOMMENDATIONS.

Your Committee recommends that Lake Shore Lodge, No. 718 be awarded the prize and \$300.00 for expense and in view of the great interest shown by the Lodges throughout the State in these contests, the general improvement in the manner of conferring the degrees and increased attendance in many Lodges growing out of the same, your Committee recommends that the contests be continued.

The experience of the Committee in the past years makes it appear necessary that some changes be made, we therefore recommend that the Grand Lodge appropriate \$450 or as much as may be necessary thereof for the expenses of such a contest. The same to be divided as follows: \$50.00 for the purchase of a silver loving cup of special design; \$300.00 for the expenses of the winning teams, and \$100.00 or as much as may be necessary thereof for the necessary travelling expenses of the Judges of the contest and the expenses of the Committee.

The following conditions and rules superseding the present conditions and rules:

4. Where two or more Lodges are entered from any District, or from one County, or where such entrants are in close proximity to one another, the Committee may arrange elimination contests, appointing Judges to view the work in each such elimination contest, in the respective Hall of each such entrant. 6. Rating will be made on the basis of 100 points in the following order: Unwritten work, 25; Delivery and impressiveness of Charges, 20; Ritualistic Work, 25; Dramatic Interpretation, 15; Floor Work, 15.

7. Introduction of tableaux and features wherein words are not used is permissible, but there must be no deviation from the language of the Ritual.

The Representative to the Orphans' Home at Philadelphia presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

OFFICERS AND BROTHERS: As your Representative to the Home for Orphans' of Odd Fellows of Pennsylvania located at Philadelphia it gives me pleasure to present the following report:

At the present time there are 65 children under our care. During the year 14 children were admitted and 12 were released to their mothers.

During the year two of our girls graduated from the Girls' High School with high honors, one of whom, Viola Farwell, being chosen as the Valedictorian of the Class. She also won a scholarship at the University of Pennsylvania, where she is now pursuing her studies. This is certainly to be commended and speaks well for the management of your Home at Philadelphia.

The children are all making rapid progress in all lines of educational work as their reports show.

The health of the children has been good, although a number of cases of measles occurred last month, but with the attention shown by our medical staff and also our Matron, Mrs. L. A. Enoch, it was of short duration. They are all enjoying good health at present.

The religious exercises every Sunday afternoon conducted by the various Lodges in our District still continue their interest, and by this means our Order is brought in close contact with what is being done for the children of our deceased Brothers.

One of the most interesting events of the year was the exercises conducted by the Grand Lodge, at which time an address was delivered by Rev. W. Barnes Lower, D. D., of Calvary Presbyterian Church of Wyncote, and also one by our Grand Master J. P. Hale Jenkins. One of the pleasing features of these services on Sunday afternoons are the selections rendered by the Orchestra, who are making a name for themselves and the Home.

The Junior Christian Endeavor Society hold their meetings Sunday mornings and since its organization nine years ago, has not missed holding a weekly meeting. These meetings are attended by a number of outsiders, who enjoy them very much. On Sunday evening, June 27, 1915, the Eighth Anniversary of the Society was celebrated by an elaborate exercise, entitled "The Junior Jubilee." This exercise was written and arranged by Brother George Hill, assisted by Mrs. Enoch. It was presented by the children in a manner satisfactory to give credit to the Home.

One of the most important events of the year has been the starting of a Manual Training Department. For some time the question has been agitated and we are glad to say that the matter was taken up by Henry Disston Lodge, No. 8, of Tacony, who have fitted up one of the rooms in the basement for a shop and installed therein a complete set of work benches and tools of every description. An instructor has been engaged and already the boys seem to be very much interested in the work. This feature of Manual Training should be encouraged as it will help to develop the boys for a future career of usefulness.

Reunion Day was observed September 13, 1915, when the members and friends of the Home came in large numbers to renew old acquaintances and enjoy the festivities of the occasion.

On Thanksgiving Day friends of the Home sent large donations of fruits, jellies, etc., and were entertained by the children in the evening in the Auditorium by singing, recitations and music. A very pleasant time was spent by all who attended.

We regret to report the death of two of the members of the Board of Directors during the year: Mrs. S. L. Martindale and Brother Wm. J. Barstow. They were both faithful in the performance of their duties and were always ready to do the best they could for the welfare of our wards.

The Permanent Fund of the Home still continues to grow, and at the present time amounts to nearly \$70,000.

The location of the Home in Philadelphia is very convenient to the members of the District and is increasing in value every year. We regret to state that the City of Philadelphia compels us to pay taxes which last year amounted to nearly thirteen hundred dollars.

The Trustees of the Permanent Fund have used care in selecting the investments of the Home and the books and securities are well kept and guarded.

The Officers of the Home are zealous in their efforts to do all in their power for the welfare of the children.

The meetings of the Board of Directors are well attended. The different committees appointed from the Board of Directors to do the routine work of the Home are faithful and untiring in their efforts for which this great Order of Odd Fellowship stands.

I desire to thank the Officers and members of the Board of Directors of the Home for courtesies extended to me, and to the Grand Master for his appointment.

BENJAMIN F. CALVERLEY, JR., *Representative.*

The Representative to the Orphans' Home at Meadville, presented the following report which was referred as per Resolution of the Grand Lodge :

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your representative to the Odd Fellows' Orphans' Home of Northwestern Pennsylvania, located at Meadville, in his several visits to the Home during another year becomes more and more impressed with the grand work the Order is accomplishing in caring for the orphaned children of our deceased Brothers. During each year children having received good moral training and an education, go out from this Home fitted to take up life's work, and others find shelter and comfort until in more mature years they too may do likewise.

On my last visit to the Home early in April no sickness existed, and with the exception of a few cases of children's diseases, which is common in all households, the health of all during the year has been excellent.

On February 1, 1916, Miss Neuman, who for some years has been matron tendered her resignation, which was reluctantly accepted, and Miss Aegers was elected to fill the vacancy. The new matron, being a trained nurse as was the former, the health of the children should be safeguarded. She comes to us well recommended and we feel confident will be successful.

The Board of Trustees have been faithful in the performance of their duties, and too much praise cannot be awarded them for the time given and personal money expended to see that the wards placed in their care may have proper attention. It is to be regretted that many other members of the Order have not spent of their substance as have the Trustees, for if such were the case, the new buildings mentioned in my last report would be in course of erection, and money enough in the treasury to meet all necessary requirements. However, the fund for a building to be used as boiler house, laundry and isolation ward has now reached sixteen thousand (\$16,000.00) dollars, and four thousand (\$4,000.00) dollars more is necessary before building operations can proceed. We trust that before another year the fund may be raised, and the building completed.

There were on April 1, 1916, ninety-two (92) children in the Home. The lack of accommodations is now forcing us to send our children elsewhere.

The publication, *The Pioneer*, mentioned in my last report, has a steadily increasing circulation, and is fulfilling the purpose for which it was intended, namely, that the members of the Order in this District might be kept in closer touch with the activities of the Home.

The Representative to the Orphans' Home at Ben Avon presented the following report which was referred as per Resolution of the Grand Lodge :

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your representative to the Home for Widows and Orphans at Ben Avon offers the following as his report:

While there can be much said along lines of interest, it would be unwise to write what is a reiteration of former references. Only those who have been, or are now interested and actively connected with this Home have a fair conception of the work of the past and what is being done to-day.

But we cannot rest with what has been done. We must look ahead and try to see future possibilities along the lines we have been pursuing, and as contingencies or emergencies arise, be willing and able to meet them ably, promptly and efficiently.

I believe I can safely say that only a small percentage of the members know what is being done for the children of our deceased Brothers under the supervision of this Grand Lodge.

The girls and boys who have had the shelter, care and privileges of the Home and have gone out into the world and those who will go out in the future will stand before the world as monuments erected in the name of the Order, showing some of the good the Order has done in endeavoring to carry out the teachings and the lessons imparted to every member. Feeding, clothing and educating the orphans is the command of our laws. To do this it is necessary to make the proper provision for it.

Building. The building is part frame and very old, requiring repairs annually beyond its worth which seems like a waste of money. We need a new building, modern, substantial up-to-date, fire-proof and sanitary in all respects, to properly protect those who are sheltered under its roof. And we are optimistic enough to have the confidence that the members of the sixteen counties comprising our Home District will furnish the means to provide it. Every Lodge has some assets. Some large, some small. Brothers the greatest asset the Order has to-day is the dependent orphans. They must be as carefully looked after as the assets of your Lodge. Yes more so, as they will become the future men and women of the country. Methinks I hear many favorable responses to this assertion.

In caring for the orphans we are engaged not only in a fraternal and charitable work, but a human, Christian, God-given work for our unfortunate fellow beings. In helping others we bring pleasure and happiness into our lives, and then think for a moment of the brightness and sunshine we bring into the lives of those we help.

Industrial Trade School. This has been very useful and under their instructor the classes of boys make many useful and ornamental articles that are disposed of, realizing sufficient to meet expenses of this branch. A boy not only learns to use tools and something useful. But it gives him opportunities to work off some of his surplus energy. Keeps him out of mischief, but above all he is acquiring something useful to himself in after life, regardless of what business, profession or calling he may take up.

Domestic Science. This embraces everything that a girl should learn in good housekeeping. Sewing, making and repairing all kinds of clothing. Also everything along the lines of preparing food. The serving of it, waiting on the dining rooms and all duties appertaining to a thorough knowledge of such work. To see these girls at these duties gives you a knowledge of their efficiency.

School. All attend the Ben Avon Public School. Nine of the youngest are in the kindergarden, the others in the different grades. In scholarship and deportment their reports show high averages. Some of them much above the average child of the same age. They are assisted and helped by Miss Mary E. Hayne, Matron, and her assistant in the evenings in their studies, which may account for their progress in school.

Sunday School, Church and Christian Endeavor Society. Each is a part of the religious training. More attention given to these than in many families. It is remarkable. The influence Miss Mary E. Hayne, the Matron has over the children. Firm kindness wins their respect and love. No punishment required.

Health. No sickness during the year. No need of calling the Doctor at any time. This speaks of itself for the care of the children and location.

Boys who have gone out and entered shops of manufacturing plants

where they are learning trades, or in offices doing clerical work are all doing well and making good. In almost every instance they are earning more than needed to support themselves, and when they are motherless, have started saving accounts. In almost every case there is some member of the Board of Directors keeping a supervision over each one until they become of age.

Residents. During the year nine girls and thirteen boys were admitted. Eight girls and seven boys were taken out by mothers, or other relatives, or placed in a position to earn a living.

There are in the Home now 35 girls and 50 boys, and two widows; Total population of 87.

We were favored by the presence of J. P. Hale Jenkins, Grand Master; Perry A. Shanor, D. G. M.; Usher A. Hall, Grand Secretary; Edward W. Snyder, Grand Patriarch; Elizabeth McDonald, President Rebekah Assembly and many other prominent members of this and other jurisdictions during the year, including Nebraska and Oklahoma.

### EVENTS DURING THE YEAR.

May 22. Musical and social entertainment at the Ben Avon Schools, all our children taking part therein.

July 26. J. P. Hale Jenkins, Grand Master, accompanied by Geo. F. Bainbridge, P. G., visited the Home.

August 14. Eighth District Picnic at Homestead Park. This Association has reason to be congratulated in its continued success in sociability and attendance, increasing every year. Months ahead the children look forward to the Homestead Picnic, where they get a solid day of enjoyment, including a splendid dinner and supper and free transportation.

August 20. Thomas Hawkes. Treasurer of the Philadelphia Orphanage paid us a visit to-day.

September 9. Annual visit by the Committee on Homes and Kindred Charities of the Grand Lodge, Brothers Graham, Dixon, Hollinger, McLean and Loch, accompanied by J. P. Hale Jenkins, Grand Master.

September 30. A delegation of about fifty members from Bedford County coming ninety miles by automobile, visited the Home this afternoon and spent a pleasant hour, becoming better acquainted with the Home and its work for the children, and leaving many favorable expressions.

October 17. Robert Gorman, Secretary Philadelphia Orphanage, Mrs. Gorman and William Douglass, Secretary of the Veteran Odd Fellows Association, favored us with a delightful visit this afternoon.

October 19. Grand Encampment meeting at Greensburg. Upon invitation all of the children of the Home arrived at Greensburg by special car, where they were received by the local delegation, marched to the I. O. O. F. Hall and became the guests of the Rebekahs of Greensburg, who served them with a bounteous dinner of chicken and trimmings. The children participated in the parade, and Capt. Holman with the Cadets gave an exhibition drill before 2,000 people at the armory.

March 31. A very enjoyable entertainment was brought this evening by Indian Mound Lodge, No. 1117, and Carnation Rebekah Lodge, No. 240. Piano solos, recitations, music and songs, together with a most laughable play entitled "Murder will out." The children will not very soon forget Brigdet and Dinah as laugh promoters.

I could give a long list of such visits and events, but they would take up too much space, and might not interest some people.

The Annual Meeting was held April 18th, in the Chapel of the Home. Nothing out of the ordinary. But the Representatives will keep on in their efforts to secure sufficient funds for a new building.

In conclusion, I must say that the officers and most members of the

Board of Directors give a great deal of their time to the business of the Home, and they deserve much credit from the members of the Order for the time and interest given to the care of these little ones.

Together with the following Supplemental Report :

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

SIRS AND BROTHERS: I desire to submit this Supplemental Report in justice to all parties interested, as the subject was not referred to, in my original Report.

Complaint of Peters Creek Lodge, No. 248, I. O. O. F.

A short time prior to the last Session of the Grand Lodge (1915) the Secretary of the Ben Avon Home received a request from Peters Creek Lodge, No. 248, I. O. O. F., for blanks to secure admission to the Home of the children of an insane father.

The Secretary referred this request to the Chairman of the Committee on Homes and Kindred Charities, who answered that "under no circumstances could these children be admitted to the Home," and on this authority the Secretary so advised Peters Creek Lodge. The case was never presented to the Directors. (See pp. 628, 629, 689, 692, Journal, 1915.)

Following the complaint to the Grand Lodge the necessary blanks were forwarded to Peters Creek Lodge. Applications for admission to the Home of three children were received. One child, being afflicted with epilepsy, was refused; the other two were favorably passed upon for acceptance.

The mother declined to send the two children unless the afflicted child was also accepted.

Then the case rested. The management did its whole duty, and we can realize that the mentally afflicted cannot be properly cared for in the Home, nor should this be anticipated by either parent or Lodge.

You will see that when the subject was properly brought before the Directors of the Home, in accordance with the Recommendation of the Committee on Homes and Kindred Charities, and the action of the Grand Lodge, the Home did its part.

The mother's action has deprived the two who could be cared for by the Home of its sheltering care, if they really need it.

Respectfully submitted,

M. D. WILEY, *Representative.*

The Representative to the Orphans' Home at Sunbury, presented the following report which was referred as per Resolution of the Grand Lodge :

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

OFFICERS AND BROTHERS: As your Representative to the Odd Fellows' Orphans' Home of Central Pennsylvania, located at Sunbury, I am pleased to report to you that the splendid report which year after year has marked the record of this institution and made it a model among homes for the care and education of orphan children, continues with the same unflagging interest, a magnificent evidence that the care of the orphan as manifested here is our Order's boldest challenge to the world that Odd Fellowship in Pennsylvania heeds the words of the Master, "Suffer little children to come unto me and forbid them not, for of such is the Kingdom of Heaven."

At this Home a few minutes ride by railroad from Sunbury, nature could not be more generous than she was in planning a beautiful landscape—combining a hillside slope with gently rolling fields down to the railroad tracks which pass through the farm property, and over the broad and fertile meadows to the Shamokin Creek on the south, with a range of the Blue Mountains farther on to add grandeur to the vista which everywhere spreads itself in glorious beauty. In the midst of this sets the fine buildings of the Sunbury Home, gems in the crown of a brotherhood whose central link is Love..

Rounding out the twentieth year of its existence, our Sunbury Home can look back with pleasure to the spirit of pluck evidenced in its humble beginning which involved a debt of five thousand dollars to start with; bring the years of the past to the present and realize it has made progress of the most substantial character, so that to-day its buildings and farm property reach a value of more than \$105,000, all fully paid. While all this has been in the work of accomplishment, there has been each year following an increase in the expense of carrying on the work of the Home, and our family of little ones which twenty years ago numbered a dozen as this work was begun, is now 170, making a community of children of which none happier and healthier will be found in any similar community. Conservative as has been the development of this Institution, from the old farmhouse which became the first Home of the children, and those in charge, now our Nursery Department, so developed as to provide for thirty-six of the smaller children and attendants, we have built many other buildings. First of these is the substantial three-story administration building with two-story dormitory extensions. High basements afford dining room and kitchen, laundry and wash rooms, locker and indoor recreation rooms, and other conveniences for caring for 130 of the larger boys and girls, the superintendent's apartments and the rooms of teachers and other necessary attendants. Despite this there has come the call for additional room if the greatest of all our charities is to reach a broader realization, for in whatever we are able to do in caring for and educating the orphan we lend a proportionate aid to the mother who in the bereavement she has sustained in the loss of husband and father is too often alas illy able to do for her little ones. To meet this increased need the Property Committee after due consideration of the question, and attention to plans already prepared by Superintendent E. E. Chubbuck, recommended to the annual meeting of the Board of Directors in January last the erection of additional three-story wings to the main building, one on the northwest corner, the other on the southeast corner, the total cost to be approximately \$15,000. This recommendation was unanimously approved by the directors, subject, however, to the final action of the Representatives to the Home at their coming meeting in July next. It is not to be anticipated what their action will be, but there is an expectant hope that they will realize the importance of the need, give it their authority and that before another winter comes, the additional wings of the Home will be ready for use.

There is as yet no organized system at the Home for the manual training of the children, excepting that which comes in domestic science for the girls through the kitchen and the sewing room, and for the boys in agriculture and horticulture as the farm work develops, and in the bakeshop. True all cannot be farmers, nor can all be developed as bakers, but there are some to whom this work fits nicely. The blacksmith shop and the carpentry work of the Home make of some of the older boys "handy men" around the place, and it is pleasing to note the keen interest of these in work of this nature. With proper instruction they are sure of becoming an important part in the economics of the Home, saving many runs to Sunbury for repairs to the wagons and small implements used in the farm work.

In the basement of the splendid school building are unused rooms which can be adapted for manual training purposes, and I have suggested to the directors that here was a desirable opportunity for the development of a printery where could be printed not alone the "Bugle Notes" but from which could be furnished much of the printing needed by the Grand Lodge, as well as by subordinate Lodges all through the State, pledging myself to give material assistance to such movement whenever the Home was ready to inaugurate it. An undertaking of this nature would certainly equip a number of our boys for a useful trade; help wonderfully in their intellectual development; arouse in them the desire for wider knowledge of the power of the press and undoubtedly develop their ability to write upon topics coming under their observation.

The school building amply meets present requirements, and the corps of teachers, thoroughly earnest in their work in most pleasant environment, are getting the very best there is in the children out of them. County Superintendent, I. H. Mauser, who makes frequent visits to the Homes, gets keen satisfaction out of the progress of our school which he places at the very forefront of the township schools under his supervision.

The new and capacious barn, viewed from railway or highway, is the admiration of all, and many interested in barn construction marvel at its completeness, and wonder how it was ever erected for less than \$6,000. But this was just possible under the economical supervision of Superintendent Chubbuck, as was the fine school building erected at a cost far below the estimates of nearby contractors, and which system will also be effectively carried out in the proposed additions to the main building.

The new garage building of brick and concrete, which also furnishes a gymnasium and a band practice room, will be completed within the next month. It will prove an asset to the Home's equipment, not to be measured in mere dollars and cents. Its cost is approximately \$1,000, the work of construction having been aided largely by boys of the Home, some of whom will develop as stone masons and bricklayers if much building is continued here.

Since the first of the current year, fifteen fine grade cows have been added to the farm stock, making a total herd of twenty-seven cows, the productive value of which can be best appreciated in the increased milk supply for the use of the children. Under conditions similar to those of 1915, the value of the milk should reach an excess of \$2,000, basing it at three cents a quart, usually close to the cost value of the milk in that part of the State, while the retail value is seldom less than six cents. Our farms total nearly three hundred acres, two-thirds of this being fast developed as superb farmland. The total value of the products last year was \$5,455.59, the prices placed at figures less than the real market value. The live stock and poultry on the farm at present has estimated value of \$5,000, under the care of an attendant who thoroughly understands his work. During this year it is planned to add very largely to the number of poultry, several of the older boys and girls being interested in their care as an educational advantage which may aid them in future life.

The general health of the Home the past year has been remarkable, despite many cases of severe colds and grip in the early winter months. One death occurred in the Home during the year—that of Marlin Woodling, whose home was in Shamokin. He was nearly seventeen years old, a bright promising youth, foremost in his studies, an honor student. He was a member of the Home Band, and his already developed musical attainments gave promise of a most useful career. Pneumonia, developed from a cold with which he was afflicted the day of the director's meeting, January 12, but which he refrained complaining of, because it might have prevented his appearing with the Band that day, caused his death within a week's time. His death was keenly felt in the Home circle; the example of his beautiful life is a pleasant memory to those from whom our Heavenly Father, who doeth all things well, called him.

There are three other features in the Sunbury Home to which I must direct your attention before closing this report, because of their development and their value. These are our boy's Band of twenty-seven pieces, under the efficient direction of Brother William H. Calhoun, of Northumberland Lodge, No. 196, a bandmaster of renown in Pennsylvania; an orchestra of twenty pieces, comprised of boys and girls, also under the supervision of Brother Calhoun, who, however, makes no pretensions to being an orchestra leader, but who has done amazingly well in training the crude material at his command in the delightful harmony of music, as was amply evidenced at the directors' meeting, when they made their first appearance. The band has been in existence a year and a half, and is in demand for all public occasions throughout the central Pennsylvania District, winning the heartiest applause everywhere. The same measure of success is assured the orchestra. The third feature is the Moving Pictures of the Home. These are up to the minute evidences of the Home life and its pleasures. They have been seen in many cities and towns in the central counties of the State to the edification of many hundreds of people who from them have had a splendid illustration of what this particular Orphans' Home is accomplishing in humanity's cause.

The original cost of these pictures has been more than realized, but now they will be able to add to the Home's revenues, for many towns are clamoring for them.

A feature planned for the Home this year is the observance of the twentieth anniversary of its founding, the celebration to be held on Labor Day, Monday, September 4th. The Committee arranging this comprises Dr. W. H. J. Holman, Chairman; Fred C. Hanyen, Grand Treasurer; Robt. Davis, Roy D. Beman, and J. W. Maus, with several sub-committees aiding in furthering the plans. It is expected to have an anniversary celebration which will add further testimony to the work Pennsylvania Odd Fellowship is doing in caring for the orphan children of Brothers who have been called from them.

I cannot close without special reference to the splendid management of the Sunbury Home, as shown in the untiring work of Brother J. W. Stroh, President of the Central Pennsylvania Association, who makes it frequent visits from his home in Sunbury; to the very zealous Board of Directors who guard its every interest in an able and business-like manner, and last but not least to Brother E. E. Chubbuck, the Superintendent, and his very estimable and helpful wife who as matron directs her part of the Home's work with abundant evidence that she is a woman with a real mother's heart, and a love for children in her keeping that is doing much in moulding their lives into paths which lead to joy and happiness. What a blessing that God has directed Brother and Sister Chubbuck to the work at Sunbury Home; may they be long spared for the work for which the sunshine of their hearts and the warmth of their love is so beautifully adapted.

I have made frequent visits to the Home at Sunbury, and have a thorough appreciation of the great work it is doing, always experiencing an added thrill of pleasure when something new in its progressive work shows itself. As your official visitor to the Home, I desire to express my heartfelt appreciation of the honor.

Respectfully submitted,

M. E. SANDERS, *Representative.*

The Representative to the Rebekah Home at Philadelphia, presented the following report which was referred as per Resolution of the Grand Lodge:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

GREETING: Your Representative to the Rebekah Home of Philadelphia presents his report as follows:

Another year has passed and we are still working for the good and welfare of those committed to our care.

We feel very thankful for the kindness of those who from time to time have lent us their time, labor and assistance in this work, encouraging us in our efforts to care for the aged.

The Lodges, Encampments, Rebekah Lodges, Veteran Odd Fellows and Active Odd Fellows Association have come nobly to us with their sympathy and encouragement, thus making the labor one of love and we appreciate it very much.

The President Mrs. Engelman is present every Sunday and at other times welcoming friends and visitors. The health of the Old Ladies is reported good thanks to the very efficient staff of doctors.

The new heating plant installed in 1914, through the efforts of Sisters who solicited the expenses for the same, has proven its efficiency in keeping the Home warm and comfortable during the past severe winter. Our Sisters are earnest workers in this work and should be encouraged wherever possible.

They have religious services every Sunday afternoon. Come and help us.

We have at this time 17 inmates in the Home, with 5 applicants on the list for admission. During the year we have admitted three, buried two and we need more room. We need the help of the entire order at this end of the State.

The Home is always open to visitors who will receive a hearty welcome to inspect the same.

We are looking forward to the time when the Grand Lodge will seriously consider this subject and instead of voluntary contributions, we will have the united support of the entire order, thus carrying out the lessons we teach that a Brother shall not be separated from his wife in his old age when we shall really have a Home to go to. Let us not weary in well doing, realizing that we have a bright future in store for us. Let us increase our faith, dispel all doubt and may success crown our efforts.

Do not lose sight of Thursday, June 1, Donation Day.

Come and help us.

Fraternally yours,

JAMES E. CADMUS, *Representative.*

The Special Committee on Aged Odd Fellows' Homes presented the following report:

EXPOSITION PARK, PA., May 16, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

Your Special Committee on Aged Odd Fellows' Homes, continued by a recommendation at the Annual Session in 1915, as may be found on page 648, of printed Journal, with instructions to further inquire into and investigate the desirability and feasibility of establishing a Home for the Aged Odd Fellow and his wife, to be supported wholly or in part by this Grand Lodge, and report its findings to this Grand Lodge, with such recommendations as to methods, plans, etc., as may seem to it best for the accomplishment of this purpose," would respectfully offer the following report:

In view of the fact that the subject matter of this report is one of vital importance—not only to every Lodge in our Jurisdiction—but to every individual member as well, we invite the earnest, thoughtful consideration of every Representative to what your Committee herewith offers. In conference with the officers and representatives of the two Homes in our Jurisdiction, located at Philadelphia and Grove City, we have studied the question in all its bearings. We are persuaded that the plan embodied in the recommendations herewith submitted offers the most desirable and feasible method for this Grand Lodge,—the strongest in the world of Odd Fellowship—to assume the full measure of its duty, so long deferred, to our aged and dependent Brothers.

As to the question of this Grand Lodge establishing a Home for the aged brother and his wife, separate and independent of the two Homes already established, your Committee has every reason to doubt the desirability or feasibility of such a proposition under existing circumstances and conditions that obtain in our Jurisdiction at the present time. The duty of establishing Homes for the care of our aged and dependent Brothers is one that primarily belongs to this Grand Lodge, and it may be said, without harsh criticism, that this Grand Lodge has not, in past years, measured up to its responsibility in the line of this necessary and important duty. It is only during the past two or three years that the awakening has come. In granting permission for the establishment of the two homes now in our Jurisdiction for the care of our aged Brothers, this Grand Lodge graciously assigned to the Lodges entering these two Home corporations a duty and a responsibility that belonged to itself. Hence we stand to-day in our boasted strength, as the greatest Juris-

diction in the world, and face the spectacle of having approximately thirty per cent. of our membership protected by Homes for the care of our aged and indigent Brother, while the other seventy per cent. are without such protection. This is not Fraternity—it does not reflect the spirit of Brotherly Love—it is not Odd Fellowship.

The consensus of opinion among the Brethren throughout the Jurisdiction is that it is high time for this Grand Lodge to take up this necessary and all-important work in providing Homes for our aged brother and his wife. The question is how shall we best proceed to carry out this beneficent purpose. The good Brothers and the Lodges that have pioneered this work by establishing the two Homes in our Jurisdiction, have blazed the way for this Grand Lodge to take hold of the work and enlarge and perpetuate it. They have done a noble work in providing these blessed asylums from the storms of life for their aged and dependent Brothers, and they are worthy of the highest commendation. Being the offspring of this Grand Lodge, they are a credit to the parent body. Were this Grand Lodge to establish another Home independent of the two already established, such a course would be unfair, to say the least, to the Lodges that established the two Homes now in our Jurisdiction, for they would be compelled by the enactment of such legislation, to contribute towards the establishment and maintenance of such additional Home.

If the attitude of the two Home corporations to-day were unfriendly or antagonistic toward their Brethren, if their terms of admission to Lodge membership were exorbitant, then your Committee would recommend the establishment of another Home. But they are neither antagonistic nor unfair in any sense toward the Lodges not holding membership in their corporations. Their doors are open to the entire Jurisdiction, and they are willing to have this Grand Lodge assume a protectorate over them and to provide for their further enlargement and support—to the end that their worthy institutions may be opened to the entire Jurisdiction. Herein lies the opportunity for the Grand Lodge to open the doors of these two Homes to the whole Jurisdiction by assessing the Lodges that have never purchased a membership, the minimum entrance fee of one dollar per member, and a per capita tax of not less than twenty-five cents a year for the support and maintenance of the Homes. The entrance fee of one dollar per member to each Lodge need not prove burdensome, for this fee can be paid in four annual installments of twenty-five cents per year. The income derived from the entrance fee would all be needed to enlarge and improve the Homes in order to meet the natural increase in applications for admission that would result from opening the Homes to the entire Jurisdiction.

The Home at Grove City, Mercer County, is ideally located on a beautiful level farm of 105 acres. The Home at Philadelphia is not so fortunate, but this property could be sold and the Home moved to a more desirable location in the country. Both corporations can continue under their present charters under the Jurisdiction of this Grand Lodge as sponsor for their maintenance and support just as our Orphan Homes exist to-day. They can be governed by a Representative form of government, just as they are at present, with one Representative appointed by the Grand Master on their respective Board of Directors, and the Committee on Homes and Kindred Charities to exercise a supervision and audit their accounts.

The Home at Grove City admits a brother and his wife, the Home at Philadelphia admits only a brother. Your Committee is of the opinion that such Homes should admit not only a brother and his wife, but the indigent aged widow of a brother as well. A brother may contribute to the support of these Homes during all the years of his active life, and not need the Home for himself, but after he has passed to the Great Beyond

his widow may need the shelter and protection of the Home, and your Committee believes that of a right she should have it.

To sum up the whole question of this Grand Lodge providing Homes for our aged brothers, the conditions and circumstances as they exist to-day, as affecting the proposition, and how these conditions can best be met, and the desired object accomplished, the matter resolves itself into these two simple questions:

Should this Grand Lodge perform this work? To this question there can be but one answer—Yes.

How can it best be done? There are only two methods by which the work can be accomplished, namely:

First—Levy a per capita tax on the entire membership in such sum that in the aggregate will be sufficient to purchase ground and erect suitable Home buildings. This course embodies two propositions; either a heavy financial burden must be suddenly placed upon the Lodges; or else the burden made light and await through a period of years before the desired object can be accomplished. The main objection to this plan is that it would place an extra and unjust burden upon the Lodges that have already established two Homes in our Jurisdiction.

Second—The two Homes already in our Jurisdiction can be made available at once by levying a moderate entrance fee on easy terms, on those Lodges that have not purchased a membership in the Homes.

Of course, either plan necessarily carries with it a small per capita tax for the support and maintenance of the Homes.

Therefore, Grand Master and Brother Representatives, after due consideration of all the facts, circumstances and conditions as they exist in our Jurisdiction to-day, as pertaining to the question of Homes for our indigent aged brothers, your Committee is persuaded that it is high time, and the golden opportunity now presents itself for this greatest Jurisdiction in the world of Odd Fellowship to perform its whole duty to our aged brother and his wife. That this duty can be performed without any financial hardship being imposed on the Lodges or individual members, we fully believe.

The way is clear to enact the necessary legislation at the present session to open the Homes to the entire Jurisdiction, notwithstanding the provision of Article XIV, of this Grand Lodge Constitution, in reference to amendments thereto, the proviso in Article XIV, Section 3, clearing the way for immediate legislation. To make our position clear to all on this point, we beg to quote a Resolution offered by Grand Representative Henry Steuernagel of Pennsylvania, at the session of the Sovereign Grand Lodge of 1894, as may be found in Journal of Proceedings, page 14,180, and adopted at that session, as follows:

*“Resolved, That it shall be lawful for State Grand Bodies whose Constitutions are unalterable for a period of time, to so amend their Constitutions as will provide for the levy of a per capita tax upon the members of the Jurisdiction for the purpose of establishing and maintaining Homes for Aged and Indigent Odd Fellows and widows of the deceased members of the Order. and Homes for the care, protection, and education of orphans of deceased Odd Fellows.”*

Your Committee would therefore offer the following amendment to Article VII, Section 5, of this Grand Lodge Constitution, to be designated as Section 5-a; Insert—

A per capita tax of not less than twenty-five cents, and not exceeding forty cents, shall be levied on each member of the Order in this Jurisdiction each year, the amount to be collected by the Lodge and forwarded to the Grand Secretary in two equal

payments, on March 31st, and September 30th, of each year, for the support and care of indigent aged Odd Fellows, their wives, and the indigent aged widows of deceased members of the Order.

As conforming thereto, we also offer an amendment to the Constitution for Subordinate Lodges:

Article VI, Section 3, after the word "Homes," in the third line, insert "and Aged Homes," so that, as amended, the section will read—

Sec. 3. Each member shall also pay, on or before the last meeting night in September and March in each year, such sum as may be required by the Grand Lodge under its laws for the support of the Orphans Homes and Aged Homes. Said tax shall be paid by the Lodge to the Grand Lodge and forwarded with the per capita tax in September and March of each year.

In pursuance of the foregoing proposed amendments, your Committee offers the following recommendations:

First.—We recommend that this Grand Lodge assumes the care and support of the two Homes now established at Philadelphia and Grove City, and that these Homes shall be subject to supervision by the Committee on Homes and Kindred Charities; that the accounts of the Homes shall be examined and audited by the Committee on Homes and Kindred Charities, who shall also act in conjunction with the Finance Committee, of this Grand Lodge in recommending, from year to year, the necessary per capita tax for the support of these Homes.

Second.—That the two Homes be managed by a Board of Directors under the representative form of government, as they are at the present time—the State being divided into two Home Districts of 33 and 34 counties, respectively, east and west.

Third.—That the Home shall be for the care and support of indigent aged Odd Fellows, their wives, and the indigent aged widows of deceased members of the Order.

Fourth.—That an assessment of one dollar per member be levied on each member of the Order in this Jurisdiction, as reported at the close of term September 30th, 1916, to be collected by the Lodges, and forwarded to the Grand Secretary, for the purpose of enlarging and improving the Home buildings; provided that Lodges may pay this assement in four annual payments of twenty-five cents each year. the first payment to be made at the close of term in March, 1917. Provided, further, that this assessment be remitted to all Lodges that have paid for a membership in the Home at Grove City, and all Lodges holding membership in the Home at Philadelphia.

Fifth.—That after September 30, 1916, each Lodge in this Jurisdiction shall pay to the Grand Lodge for every member initiated, or admitted by card from another Jurisdiction, or reinstated or admitted by dismissal certificate, the sum of one dollar, payable at the close of each term, beginning March 31st, 1917; the amount so paid to be used for the erection and repair of buildings.

Sixth.—That a committee of five be appointed by the incoming Grand Master, to act in conjunction with the executive officers of the two Homes in revising the Constitution and By-Laws of the respective Homes, so as to bring them into conformity with the provisions of the foregoing proposed amendments and recommendations.

In conclusion, your Committee begs to say that in the discharge of the very important duty assigned to them, we have kept this one thought before us—THE GREATEST GOOD TO THE GREATEST NUMBER, WITH JUSTICE TO ALL CONCERNED. Should the plan embodied in the fore-

going recommendations meet with the approval of this Grand Lodge, there will, of course, remain many details to be worked out to perfect such a far-reaching transition. Should the proposed plan fail to meet with your approval, our prayer is that some other plan may be found for the fulfillment of the fundamental objects of Odd Fellowship in our Jurisdiction.

All of which is fraternally submitted,

HALL OF BIRMINGHAM LODGE NO. 48, I. O. O. F.

PITTSBURGH, PA., May 4, 1916.

*To the Grand Master Officers and Members of the Grand Lodge of Pennsylvania, I. O. O. F.*

DEAR SIRS AND BROTHERS: At a regular meeting of this Lodge on May 4th, 1916, it was

*Resolved*, That we petition the Grand Lodge to enact such legislation that will make ample provision for housing and maintaining the aged widows of our Brothers who have passed on.

Birmingham Lodge has passed through an experience in which they do not feel any pride. A worthy widow, aged 73 years, applied for admission to the Ben Avon Home. We were informed there was no room and also that there was no provision for support. The Rebekah Home would not receive her as they admit none but Sister Rebekahs. Thus, she became an outcast, and in order to secure shelter and food, she was compelled to forsake her church and faith and become a member of another denomination.

Now Brothers, this should not be. The mothers have had to bear the brunt in bearing children, taking care of them in sickness and in health, training them for useful lives and in making a good home for the husband, and then laying them all away, and when she only is left, maintains herself for years and then becomes unable to support herself and she applies to Brothers of her husband's Lodge and they cannot obtain admission in a Home for her, we feel that we are not living up to our obligations in taking caring of the widows.

We appeal to you to take this matter up, and make proper provision for these worthy women.

Respectfully submitted in F. L. and T..

DEAR SIR AND BROTHER: WHEREAS, the date for the meeting of the Grand Lodge falls on the same date as the Primary Election in May, this Lodge recommends that proper legislation be enacted at this Session of the Grand Lodge which would eliminate these conflicting dates, believing that this change will afford more Brethren an opportunity to attend these Sessions.

Will you kindly read this communication in one of the Sessions of the Grand Lodge?

We have for several years called attention of Lodges to the many errors and omissions appearing in the returns, and must again repeat that there seems to be more carelessness in making up the returns than ever before. This year there were mistakes in 181 of the returns. This is a source of much trouble to your Committee and expense to the Grand Lodge. Lodges should instruct their Secretaries to make careful examination of the return sheets before they are mailed to the Grand Secretary, as the members who go to Lodge to vote for Grand Lodge Officers are entitled to have their votes counted and not have them thrown out because of carelessness and inattention to the simple instructions printed upon the return sheets sent out by the Grand Secretary.

We hope the future will bring in returns which are correct.

We thank Thee that we are this morning refreshed in body and spirit for the duties and the responsibilities of this new day. Yesterday is history, to-morrow is not our own. It is for us to improve the present moment.

We would not forget this morning our Heavenly Father, the aged of our number in their home in the little cottage on the hillside, the children that are orphaned and the widows in their homes.

Oh, God, we pray Thee on this morning let Thy richest blessing rest upon us for the good of mankind, for the uplifting and the bettering of the membership of our Order, and to Thee we ascribe all the praise, through Christ. Amen.

The Committee on Financially Weak Lodges made the following report :

EXPOSITION PARK, May 17, 1916.

*To the Officers and Members of the Grand Lodge, I. O. O. F., of Pennsylvania.*

At the last Session of this Grand Lodge, May, 1915, the following Resolution was adopted:

That a Committee of Five be appointed by the incoming Grand Master to investigate the causes which have contributed to the weak financial standing of many Lodges in this Jurisdiction, and to suggest a plan that will improve such conditions.

The undersigned on April 28th, 1916, were appointed such Committee.

While we have not yet had sufficient time to fully attend to the duties assigned to us, yet we have carefully considered the subject and realize the urgent need of such an investigation, the extensive labor involved by the necessarily wide scope of the inquiry, and the ultimate beneficent results accruing to the Order at large.

Upon our introduction into the Order we are told that according to our Laws we can be Odd Fellows only while we act like honest men. Therefore to be consistent members of our Universal Brotherhood, we

are compelled to acknowledge the actual condition of a meagre existence of many deplorably weak Lodges within the bounds of our Grand Jurisdiction.

Just as the prudent husbandman will remove the blanched branch from an otherwise healthy tree, or uproot the withered vine, so we as true and loyal Odd Fellows, ever mindful of the sacred trusts of our Fraternity, should remove all impediments, either numerical or financial to the onward march and advancement of our Brotherhood. Believing as we do, in the first great principle that our forefathers selected as the cornerstone of Odd Fellowship, and upon which we further believe the present structure will rest until the end of time; it behooves us to carefully examine and divest our Order of every timber, stone, or subordinate part that is crumbling beneath the gnawing tooth of time. Thus will be built a more stately mansion with each passing year; thus may we rear each new temple of achievement, greater than the last, until its spires reach the realization of our highest thoughts and ideas.

Our Order is a Beneficial Order; the financial standing is therefore a vital factor to our success or failure.

Every Lodge that dries up and becomes non-beneficial is a body blow to Pennsylvania Odd Fellowship; it is like a stone dropped in a pool of water; its effect is greater where it falls, but waves extend out on all sides to the farthest shore. And no one can tell what effect the failure of a Lodge in one section of the State may have upon that in another. Bad advertising makes for poor business.

In viewing the scope of our duties we have to inquire

First. WHEN is a Lodge financially weak?

Second. WHEN Lodges are financially weak?

Third. What CAUSES have contributed to this condition?

Fourth. What is the remedy and solution of the problem?

We are unanimously of the opinion that a danger line should be enunciated and established in Lodge finances beyond which no Lodge should be suffered to go and authority should be vested in someone or somebody whose duty it would be to enforce the remedy, whatever it may be.

It undoubtedly will be found by this Committee that we will need the co-operation and service of the Grand Secretary's Office, the statistical arm of the Order; and we will probably want to ask the experience of other Jurisdictions in our problem, which will entail printing and distribution; and it may be that we will deem it necessary to employ professional actuarial advice to find out just at what point a Lodge is in dangerous waters; authority for all of which we believe should be granted now, so that we may not be handicapped in our efforts.

We therefore recommend

1st. That this Committee be continued.

2nd. That it be authorized to make use of the services of the Grand Secretary's Office in the compilation of the necessary statistics.

3rd. That Subordinate Lodge Officers be advised to give your Committee full and complete information.

4th. That it be authorized if deemed necessary, to employ the services of a competent actuary.

5th. And that an appropriation of \$200.00 or as much thereof as may be required be made to cover the necessary expenses of this Committee.

All of which is fraternally submitted,

Almighty God, our Heavenly Father, before entering upon the responsibilities of this afternoon hour, we would pause just long enough to hear Thee say unto us: I was hungry and Ye fed me; I was thirsty, and Ye gave me drink; I was sick, and Ye visited me; I was naked, and Ye clothed me.

We pray Thee, our Father, that our deliberations this afternoon may be such that as we go from the session of the Grand Lodge, men and women throughout this great Jurisdiction may understand we are putting into practice these precepts of the Master.

We ask it for Christ's sake. Amen.

Considering the number of Subordinate and Rebekah Lodges who have held Public Installations, we find that it has been a stimulus to the Lodges, and the Committee believes the continuation thereof is beneficial to the Order at Large in carrying its principles and objects to the uninformed. We desire to most forcibly call the attention of the Brethren to the latter part of our Grand Master's Report in reference to the subject of "Suspensions." We believe that this is a matter for grave consideration and serious thought. Suspensions are likened to a running wound which is constantly and seriously drawing upon our strength and vitality. We unanimously recommend that our incoming Grand Master appoint a Committee of five to consider the causes of the high percentage of suspensions in several Lodges in our Grand Jurisdiction, to report at the next Session of the Grand Lodge and make such suggestions and recommendations that will tend to relieve, if not eradicate the infliction.

For the information of the membership throughout this Jurisdiction, your Committee has prepared the following tabulated report:

Your Committee finds that the Grand Secretary has very ably complied with the resolution passed at the last Session of the Grand Lodge, and has forwarded to the Press and several associations, copies of the Journal of said Session and would suggest that the same be continued each year.

We would also call your attention to that part of the Statistical Report of the Grand Secretary in reference to the average cost of relief and working expenses, per week, per member, in comparison to the low rate of dues, and request that each Representative shall call the attention of his Lodge to the same.

If a proper remedy can be devised to overcome the loss by suspension referred to by the Grand Master, there is no doubt that what the Grand Secretary says of our future membership in his report as to the slogan of 1919 "200,000 members," will be realized.

Brothers, think this over carefully and do this, your INDIVIDUAL PART of the work of our great Order.

All of which is respectfully and fraternally submitted,  
 JAS. S. MONTGOMERY, P. G. M.,  
 L. C. TOWNSEND, P. G., No. 84,  
 J. REED IRVINE, P. G., No. 202,

 WARREN S. ELY, P. G., No. 193,  
 JOHN J. NOLAN, P. G., No. 149,  
 BLAIR N. REILLY, P. G., No. 1000.

James S. Montgomery, P. G. M., Rep. of No. 719, moved that the report be received, entered on the Journal, and the recommendation adopted.

The motion was adopted.

Grant R. McGlathery, Rep. of No. 239, moved that an appropriation of \$25.00 or so much thereof as may be necessary be made to care for the monument of Past Grand Master Aaron Nichols.

Hermann W. Roller, P. G. M., P. G. P., Rep. of No. 7, moved to amend that a similar appropriation be made to care for the Nicholson Monument in Mount Peace Cemetery, Philadelphia.

Perry A. Shanor, Deputy Grand Master, moved to refer both requests to the Finance Committee.

The motion was adopted.

The order of business being the Memorial Service,  
 Grant R. McGlathery, Rep. of No. 239, moved that after the various reports have been read, the Grand Lodge rise, stand in silence with bowed heads for one minute, to be followed by prayer by the Grand Chaplain.

The Grand Secretary then read the Report of the Committee on Memorial Day, as follows:

EXPOSITION PARK, PA., May 18, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.*

SIRS AND BROTHERS: Your Committee on Memorial present the following as their Annual Report. Another year has passed and we meet again in Annual Session, not only to legislate for the membership of this Great Jurisdiction, but to pause a moment and do honor to the memory of 2000 or more Brothers and Sisters who passed through the valley of the shadow.

The Representatives who attended the last Session at Stroudsburg remember that matchless orator, dignified gentleman and magnificent Odd Fellow—Hon. Robt. T. Daniel, Grand Sire of the Sovereign Grand Lodge. It was scarcely a month after delivering that wonderful address to this Grand Body, he was called to his Eternal Home, almost without a moment of warning.

A year ago this Grand Body had for its presiding officer Hon. Paul A. Benson, we all loved him and little did we think when we said farewell at the close of the Session, that we would never meet again on this side of the River of Life. Kind-hearted, generous, faithful to every trust and when in the very prime of manhood the Master called him Home. He left behind him a life wellspent in service to his God and his brother man.

We beg to report that the matter of repairs to the monument and cemetery lot of Past Grand Aaron Nichols, the first Grand Master of this Jurisdiction, has been attended to.

The lot is located in Cedar Grove Cemetery in the City of Chambersburg. It is near the entrance and faces the principal avenue. The monument is of brown stone. Both the monument and lot are now in excellent condition, and your Committee personally inspected the work after its completion. Past Grand Master Nichols is buried in the lot beside the body of his wife Sarah.

The inscription on the monument follows:

Aaron Nichols, First Grand Master of The Grand Lodge I. O. O. F. Pennsylvania. Born 1778—Died 1856. Past Grand 1806. Grand Master 1823-1824. Grand Treasurer 1824-1826. Erected by the Grand and Sub-ordinate Lodges of Pennsylvania. "Visit the sick, relieve the distressed, bury the dead and educate the orphan," is the command of our laws.

Your Committee received several estimates for doing the work and finally awarded the same to Berger & High, of Chambersburg. We desire to return our thanks to D. D. G. M. Daniel Suter, for his assistance in securing for the Committee estimates and furnishing information.

Your Committee has been advised that during the past year, Memorial Day, in June, has been more generally observed than ever before, and we recommend a continuance of this observance and of the use of the form adopted by this Grand Body in 1914 and 1915.

We further recommend that this Grand Body continue to care for the grave and lot of our first Grand Master, Brother Aaron Nichols, and an appropriation be made each year for that purpose.

Respectfully submitted,

Rev. John Richelsen, on behalf on the Committee on Memorial to Hon. Paul A. Benson, P. G. M., presented the following report:

EXPOSITION PARK, PA., May 18, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.:*

SIRS AND BROTHERS: Your Committee appointed to prepare a Memorial on the death of Past Grand Master Paul A. Benson, offer the following report:

## IN MEMORY OF

**Paul Allen Benson,**

PAST GRAND MASTER, I. O. O. F., OF PENNSYLVANIA

"Thou shalt be missed, because thy seat will be empty."

Whoever sat at King Saul's table in David's seat, it was empty to Jonathan; or rather, it was still David's place. In this hour we may say of Paul A. Benson, in words like those of Jonathan: "Thou art missed among us, brother; we have marked the empty seat and our hearts are bowed in grief."

Past Grand Master Paul A. Benson was born August 26, 1865, in Waterford Township, Pennsylvania. He received his early education in the Waterford Academy, and subsequently at Allegheny College. In 1890, having been admitted to the bar, he removed from Waterford to make his home in Erie. In 1896, he was elected District Attorney. By appointment of the Governor, Paul A. Benson was commissioned as law judge of Erie County on April 5, 1911, and in November, 1911 he was elected by a large majority for a further term of ten years on the bench. It was in the midst of this service of judgeship that he was called from earth.

In the very prime of life, it seemed that his passing was like the blotting out of the noon-day sun. As the news of his decease reached the great circle of his friends, the shock of its impact was stunning and bewildering. "How are the mighty fallen in the midst of battle! O Jonathan, thou wast slain in thine high places. I am distressed for thee, my brother Jonathan."

Judge Benson's death occurred on July 21, 1915, and he was laid to rest on July 24, carried by the affection of an entire community and with the tribute of bench and bar and his fraternal orders, to his last resting place.

At this time and in this place we may well speak of Paul A. Benson in that relationship by which we came closest in touch with him—as a member of our great Odd Fellow Fraternity.

In the case of him whose memory hallows this place and hour, the spirit of our fraternity was a heart-reality. With him Odd Fellowship was not an outward garment to be assumed or discarded as circumstances might suggest, but with him Odd Fellowship was an inward state which simply found its natural expression through the organization of our Fraternity. And in electing him to the highest offices within our power, we did but honor ourselves.

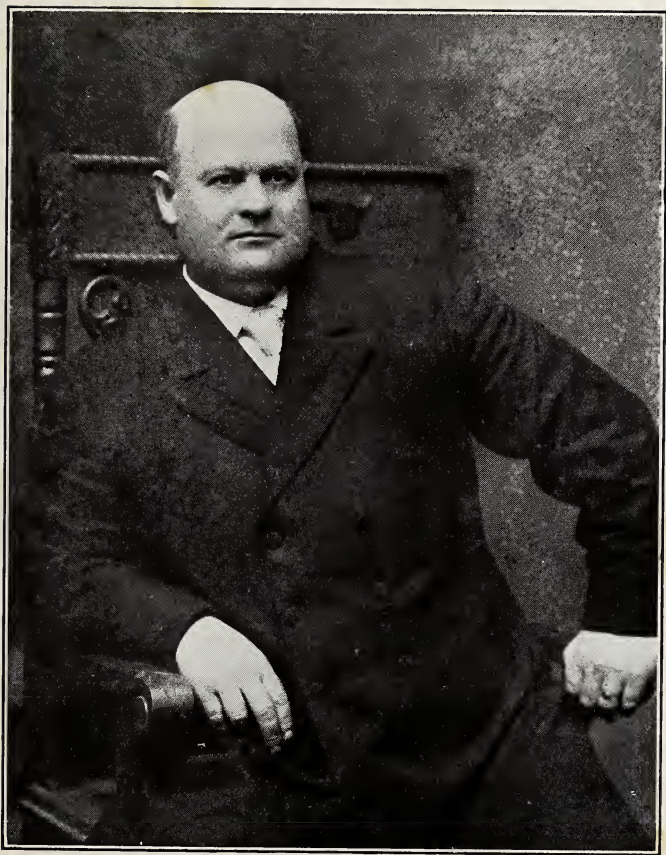

Great of heart and soul was Paul Benson; nobility of purpose marked his conduct; he knew not how to be mean or small.

Intellectually, Paul A. Benson was a rigorous thinker and had the power to express himself clearly and convincingly as well as with charm and grace. Odd Fellowship owes to Past Grand Master Benson much of its present high standing for with his fine enthusiasm and lofty idealism in interpreting the aims of Odd Fellowship, he exalted and emphasized the best things in our Order.

While we, who are left on this side of the flood, retrace with sorrowing hearts the places where once we used to walk with him who now is gone, yet we will also lift our eyes beyond our clouds and hail him, our brother, now glorified: "he fought the good fight, he finished his course, he kept the faith."

"O blest communion, fellowship Divine!  
We feebly struggle, they in glory shine;  
Yet all are one in Thee, for all are Thine.

PAUL A. BENSON  
PAST GRAND MASTER

"And when the strife is fierce, the warfare long,  
Steals on the ear the distant triumph-song,  
And hearts are brave again, and arms are strong.

"The golden evening brightens in the west;  
Soon, soon to faithful warriors cometh rest,  
Sweet is the calm of Paradise the blest.

Alleluia!"

Judge Benson was married on June 30, 1897, to Miss Mary Fraser, and she with two sons, Hugh and Everett, survives him.

As an expression of our deep respect and great affection for Past Grand Master Paul A. Benson, we recommend the adoption of the following resolution:

"*Resolved*, That this Memoriam relating to Brother Paul A. Benson, Past Grand Master, be adopted by this Grand Lodge by a rising vote, and that it appear in the printed proceedings of this Session with a photograph of our deceased Brother, and that a copy thereof, suitably bound, be presented to Mrs. Benson."

Fraternally submitted,

EDWIN L. RITTER, P. G. M.,  
WILSON K. MOHR, P. G. M., G. R.,  
ROBERT GRAHAM, P. G. M.,  
HERMANN W. ROLLER, P. G. M.,  
GRANT R. McGLATHERY, G. C.  
CHARLES A. MERTENS, P. G.,  
JOHN RICHELSEN, P. G. C.

At the conclusion of the reading Brother Richelsen addressed the Grand Lodge as follows:

*Grand Master and Brothers:*

Words would fail me if I attempted to speak from the depth of my own feelings concerning the passing away—as we feel like saying—the unkindly passing away of our great Brother and friend, Paul A. Benson.

We feel that memory is the only friend that grief can call its own. Under the surroundings and in this hour, the vision of him rises before our eyes. The thought of the strength of his loyalty, his devotion to us as friends and his devotion to the institution which we represent and the sense of the loss in his being taken from us overwhelms us.

Odd Fellowship meant much to Paul Benson. We who have been privileged to speak with him concerning his hopes and ideas concerning Odd Fellowship realize that it was for him a natural mode of expressing that which was in his own heart and which meant much to Odd Fellowship. I think that his going up and down through this Jurisdiction meeting the members, making new friends for Odd Fellowship, was a powerful inspiration for the very best things that are in our Order. And the one memorial that we can erect to him, the one principle that we can give him that really has force behind it, is to emulate, as far as lies in us, his spirit of devotion and loyalty to Odd Fellowship and to the highest things that Odd Fellowship expresses.

W. Ed. Marsh, P. G. M., on behalf of the Committee on Memorial to William A. Witherup, P. G. P., P. G. M., presented the following report:

EXPOSITION PARK, PA., May 18, 1916.

*To the Grand Lodge of Pennsylvania, I. O. O. F.:*

SIRS AND BROTHERS. Your Committee appointed on Memorial on the death of Past Grand Master William A. Witherup, in submitting this report, realizes to the full the "Frailties of human nature," and "certain decay of all earthly greatness" and how feeble are the efforts of the Committee to record on our fraternal page a suitable memorial to the true life, worth and character of our beloved Brother and how soon the activities of the most noble and devoted life ceases from its labor of love no matter how full and complete, and the many channels in which its efforts are directed. Another Brother who gallantly proved his loyalty to his country and its flag in the days of its peril and who in his daily life exemplified the fraternal spirit of humanity, has gone to receive his reward. He, too, has fallen asleep.

"Blessed are the Dead," and "Their works do follow them."

"Sometime at eve when the tide is low  
I shall slip my mooring and sail away,  
With no response to the friendly hail  
Of kindred craft in the busy bay.  
In the silent hush of the twilight page,  
When the night stoops down to embrace the day  
And the voices call in the water's flow;  
I shall slip my mooring and sail away.

"Through the purpling shadows that darkly trail  
O'er the ebbing tide of the Unknown Sea,  
I shall fare me away with a dip of the sail  
And a ripple of waters to tell the tale  
Of a lonely voyager, sailing away ..  
To the Mystic Isles where at anchor lay  
The crafts of those who have sailed before  
O'er the Unknown Sea to the Unseen Shore.

"A few who have watched me sail away  
Will miss my craft from the busy bay.  
Some friendly barks that were anchored near,  
Some loving souls that my heart held dear,  
In silent sorrow will drop a tear—  
But I shall have peacefully furled my sail  
In mooring sheltered from storm or gale,  
And greeted the friends who have sailed before  
O'er the Unknown Sea to the Unseen Shore."

The life of Brother Witherup was one of very active participation in a large field of usefulness, covering a period of nearly 55 years. He was born at Troy, Ohio, June 11, 1845, and at about 17 years of age left school to answer the call of his country, enlisting in Company D, First Regiment, Ohio Volunteers, at the outbreak of the Civil War. Evidence of his American manhood and military valor is shown by the fact that he was taken prisoner at Stone River, twice wounded at the battle of Missionary Ridge and honorably mustered out of the service in 1864. But this did not end his career as a soldier. The military turn of his mind led him to enlist in the National Guard of Pennsylvania, and he was for many years a captain in the State Fencibles, and in the National Guard some of our members first made his acquaintance.

He was initiated into Apollo Lodge, No. 296, I. O. O. F., April 14 1866, and from the first became active in the great work of Odd Fellowship.

WILLIAM A. WITHERUP  
PAST GRAND MASTER, PAST GRAND PATRIARCH

uniting with all its branches, was Grand Patriarch of the Grand Encampment in 1886-87, and was elected Grand Representative from the Grand Encampment to the Sovereign Grand Lodge in 1897, serving two terms in the highest tribunals of the Order. He was elected Grand Warden of the Grand Lodge in 1890, and Grand Master in 1892. All positions in both Grand Bodies in which he served he filled with credit to himself and honor to this great Fraternity.

He was among the first to unite with the Patriarchs Militant, and took an active part in organizing and mustering cantons in that branch. He served as Chief of Staff of the Second Army Corps and was Brigadier and Chief of Staff under Grand Sires John W. Stebbins, Fred Carlton, and A. S. Pinkerton. He was also a member of Theresa Rebekah Lodge, No. 147, and active in its affairs for years.

He was a Trustee of the Odd Fellows' Hall Association, beginning in 1872, and its Vice President, a Representative to the Odd Fellows' Home, and one of its Board of Managers; also closely identified with the Home for Orphans of Odd Fellows' of Pennsylvania, and was a member of the Veteran Odd Fellows' Association of Pennsylvania, and its Senior Past President.

Brother Witherup was by profession an expert accountant and served many years as Treasurer of the Naefie & Levy Ship Building Company. He was tall in stature and of a fine commanding appearance, and with his genial nature he drew to himself friends wherever he went and was never known to prove recreant to the friendship or trust reposed in him. He was, for many years and at the time of his death, a loyal and consistent member of the First Congregational Church of Germantown, Philadelphia, Pa.

The recording hand of brotherly love may but reebly bring out the true worth of such a life as that of Brother William A. Witherup, but its true merit and worth will be recorded indelibly in the Divine Source from whence emanated that second commandment, "Thou shalt love thy neighbor as thyself," and that record we may safely say will in effect record that.

"His life was gentle and the elements  
So mixed in him, that Nature might stand up  
And say to all the world—" THIS WAS A MAN."

He died September 12, 1915, leaving a widow, one son and five daughters.

As a mark of respect and love for our deceased Brother your Committee submits the following resolution for adoption:

*Resolved*, That the memoriam relating to Brother William A. Witherup Past Grand Master, presented by the Committee on the subject, be adopted by this Grand Lodge by a rising vote, that the memoriam appear in full in the printed report of the proceedings of this Session, accompanied by a photo engraved of our Brother, and that a printed copy thereof, suitably bound, be presented to the family of the deceased.

Wilson K. Mohr, P. G. M., G. R., Rep. of No. 847, presented the following Memorial Address:

At no time are we more deeply reminded of the uncertainty of life and the quick summons of Death's messenger than when we engage in these memorial services to our departed brethren. These are moments when our hearts soften to the remembrance of dear friends and brothers whom we shall never greet again in this world. No longer will we hear their footsteps fall upon the pathways of life. No longer will their voice sound throughout our halls or their warm hands meet ours in fraternal greetings. Their names are mentioned with reverence, the rich legacy of a life well spent are hallowed in memory. The good they accomplished are memorials which need no words of ours to perpetuate. The faithfulness with which they served Odd Fellowship in the honored positions they held are evidenced in our records for the future.

Everyone whose memory we recall today held a distinctive place in our Order, and contributed in his own peculiar way towards the upbuilding and spread of our noble Fraternity. Some of these brethren attained to the highest rank in our Grand Lodge—men who possessed the esteem, the friendship, the love, and the loyalty of their brethren. How well they served us, how well they labored, and how true they were to the trusts reposed in them, the printed pages of our history will reveal. Each one of them has heard the plaudits of his brethren and, as the conquering hero, wore the laurel crown of praise. Now, when the Grim Destroyer has laid them low, we recall them only as we knew them, paying tribute to their virtues inscribed on the tablets of love and memory.

However, in this hour of sadness it is natural that we should linger at the memory of one, who, just one year ago, in the fulness of apparent health and vigor presided at a similar service of honoring our dead. At that time we recall that Grand Sire Robt. T. Daniel was also present, but within a week thereafter he had been stricken and the genial smile had faded forever and the eloquent and silvery tongue had been silenced under the cold touch of Death. Our Grand Master, who rivalled our lamented Grand Sire in the warmth of his friendly greetings and who was much loved by the brethren also within a short period of time followed at the same touch.

"Thus pass away the men of might,  
Whose noiseless footprints stamped the age.  
Their thoughts that filled the earth with light  
Still glow and blaze on memory's page."

Past Grand Master Benson was a prince among men, fraternally, socially, politically and morally his life spelled success. All the praises we could sing, all the encomiums we could shower, all the glory with which we would hallow his memory, are comprehended in that splendid characteristic of his life—"he was a true brother and friend."

I have lost a true friend, the brotherhood a good and faithful brother, the community an honored and upright citizen, the church a faithful member, and the home a kind and loving husband and father.

"His memory is the shrine of pleasant  
Thoughts, soft as the scent of flowers;  
Calm as on windless eve the sun's decline;  
Sweet as the song of birds among the flowers;  
Rich as the rainbow with its hues of light;  
Pure as a moonbeam of an autumn night."

Grant R. McGlathery, Rep. of No. 239, addressed the Grand Lodge as follows:

Men die but their works live after them!

As a great steamer was leaving its dock men and women, standing on the shores of the Atlantic, saw friends bidding farewell to loved ones leaving the port and watching the steamer in its course over the waves

until it had gone from view behind the horizon. And as that steamer went beyond the view it finally reached the port on the other side, where there were loved ones to meet those who had left from this side. So during the past year, Grand Master, two thousand of our Brothers have left this world and crossed the Great Beyond, the River of Life, there to be met by loved ones who were waiting to receive them.

I recall, as though it were yesterday, when we met in Grand Lodge Session in the town of Stroudsburg, and listened to that magnificent orator, the Grand Sire of the Sovereign Grand Lodge, as he told us the story of Odd Fellowship in those polished words, with that eloquence and dignified manliness; and, in less than a month we heard that God had placed His hand upon that noble brow and he breathed no more.

A great playwright recently said to loved ones who surrounded his bedside, "Let me lie down and sleep—blessed sleep—sweet sleep."

Grand Sire Daniel slept and slept into eternity.

There is a time in the history of men when silence is golden. That time is at this moment with me. For twenty years Paul A. Benson was my personal friend. A year ago in the town of Stroudsburg I said farewell to him expecting to meet him again, but I never will on this side of the River of Life. God gave him his reward. Past Grand Master Benson in his life work stood before us and pleaded for David—pleaded for the Davids of Pennsylvania, with a heart that responded to the call of suffering and the call of his brother men.

Silently, one by one, in the infinite meadows of Heaven, blossom the lovely stars, the for-get-me-nots of the angels. And as those stars are the for-get-me-nots of the angels, so one man whose name was Paul A. Benson, will be the for-get-me-not to you and to me. As a noble, true Odd Fellow and man, as a loyal judge, he stood before the people in his community honored and beloved as an Odd Fellow throughout this entire jurisdiction none knew him but to love him, none spoke but to praise.

But, my Brothers, to-day there is one place over yonder in the City of Erie, where there is a widow and two sons bowed in sorrow. Oh, as this day has come and as they think of that devoted father and that faithful and beloved husband, with their hearts breaking, may the Spirit of the living Christ enter into that home and cheer those loved ones, and may He be a father unto those boys and a husband unto that widow.

My Brothers, little did we expect that Paul A. Benson should be taken from us. He did not suffer long. It was God's way. It was God's will. It was God's wish. He called him home, and he is no more.

Grand Master, a friend of Judge Benson said to me this morning. "As you speak of him, won't you say (and I say it for that friend and for the memory of the Judge)

"When the Golden Bowl is broken and the silver thread is loosed,  
When the last farewell is spoken, and silent death draws nigh,  
Will you walk around my tomb, a soft and silent tread,  
You who know me while I'm living, will you mourn me when I'm dead?"

When Alfred Tennyson was lying upon his death bed, and his friends were there to say their last farewell, one of them said to him, "Will you write us something as a message to your loved ones and to the world? Whereupon Alfred Tennyson inscribed these words—these golden words of hope and promise—words that lead me to-day nearer to the Throne of God and make the memory of Paul A. Benson sweeter than ever before:

"Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell  
When I embark.  
"For tho' from out our bourne of Time and Peace  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar."

Farewell, Paul A. Benson, we shall never see you again in this world; but some day by the providence of God, we will meet you on the shores of another world.

God's way is best. Let us say this morning "Thy will, O God, be done."

Dear friends, this morning as we bear this tribute to his memory and drop flowers of love and affection upon memory's altar. Oh, that the spirit of Paul A. Benson as it looks down upon this Grand Lodge might inspire you—might inspire me—to nobler and better work in the cause of manhood, in the cause of Odd Fellowship, and might draw us nearer, yes, nearer to the Throne of the living God.

Grand Master, let me express this thought in closing. I stood one day at Sandy Hook on the shores of the Atlantic. There was a great incoming steamer approaching with hundreds of human souls on board. As it approached the light house the machinery was stopped and the pilot boat approached. The commander of that great steamer and all his crew and all the passengers placed themselves in charge of the crew of the pilot boat, and in a few minutes they started up through the bay and through the narrows, and finally were landed at the dock in the great City of New York.

As the Pilot approaches in the great pilgrimage of life, as we travel along life's pathway, may the inspiration of this sad hour give us new hope and new life and new zeal. Let us place ourselves in the hands of the Great Pilot, the Hero of the Cross, the Conqueror of the Tomb, who for twenty centuries has made this world better, who has promised never to leave us or forsake us in the hour of darkness, in the hour of sorrow, in the hour of affliction.

May God guide us and direct us. Let us place ourselves in the hands of the straight Pilot. He was the Pilot of Paul A. Benson. Let Him be our Pilot, and He will guide us safely across the Great River, until finally, God grant, Grand Master, you and the officers and every member of this Grand Lodge may be docked in the harbor of eternal rest, there to meet our loved ones who are waiting to greet us in the presence of the Master himself.

May God be with us till we meet again.

At the conclusion of Brother McGlathery's address, and in pursuance with his motion, the Grand Master called up the Grand Lodge and directed that it remain in silence with bowed head for one minute, after which the several resolutions were declared adopted.

The services of the Memorial Hour were concluded with the following prayer by the Grand Chaplain:

Oh Thou God of our Fathers and our God. In the presence of this great silent yet impressive lecturer that has spoken to such an army of our members, and removed their helpful service from us, we call upon Thee our common Father, for help and comfort, as in Thee, alone can we find what we need to save us from calamity that would be ours without Thee. While we walk the Valley of Shadow of Death let Thy rod and staff comfort us. Let Thy hand lead us. Let Thy spirit fill us with all helpful inspiration and holy desire. We represent Thee properly to a hopeless and lost world. May our lives tell the truth about Odd Fellowship and then it can be truthfully said this thing was not done in a corner. With enlarged hearts may we march on to sure and eternal victory. May the homes made desolate be Thy dwelling place. Enter Thou the home of our departed Grand Sire and departed Grand Masters, yea every home made to mourn our common loss. May Thy will be ours and ours be lost in Thine. May we be inspired to lofty motives and high ideals, and at the last at the final roll call may there be not one missing. In Thy name we ask it. Amen.

Robert Graham, P. G. M., Rep. of No. 343, moved that a Committee of three be appointed to procure a suitable Testimonial for the retiring Grand Master.

The motion was adopted, and the Grand Master appointed the following Committee :

Robert Graham, P. G. M.  
 Irwin Fisher, P. G., of No. 430.  
 Wesley B. Beyer, P. G., of No. 57.

Bloomfield H. Howard, P. G., of No. 1135, addressed the Grand Master, Perry A. Shanor, as follows :

*Grand Master.*

In behalf of Aspinwall Lodge, No. 1135, I wish to congratulate you upon the honor which this Grand Lodge has conferred upon you. Your own local subordinate lodge from start to finish has stood by you. It was not long after you became a member of our Lodge that your ability as a man, your integrity as a citizen, and your loyalty and devotion to Odd Fellowship was recognized. It was not many moons until you were elected Noble Grand, the highest honor that is within the gift of the local subordinate lodge.

But we did not stop there. Year after year you have been elected our Representative to the Grand Lodge, and when the time came to vote for you and support you for the office of Grand Warden, you received our unanimous support and vote.

The grandest lodge and the grandest fraternity in all the world is the Independent Order of Odd Fellows, and the grandest and best and greatest Jurisdiction of this great Order is the grand old State of Pennsylvania. And you have received the highest honor within the gift of this Grand Lodge, and the honor that has come to you has come jointly to your subordinate lodge, Aspinwall, No. 1135.

And now, as a token of our love and esteem, I have the privilege of presenting you this suit case. It has been said that there is no distance too great for you to travel whenever you think or dream or imagine that you may be of service to some unfortunate Brother, or you may be of assistance to some struggling subordinate lodge. And so in presenting this to you we admonish you to always keep it packed ready to start on a journey upon a moment's notice. The schedules are not always arranged to suit personal convenience, and I assure you in the future you will have more calls than you have had in the past. Perhaps you will be in the same predicament as the traveling man who sent a telegram saying: "Can't come home to-night; just gave berth to an old lady."

I hope you will not have the same experience that a Brother friend of mine had, who was, by the way, a minister. He had a suit case or a grip or something of that description, and he gave it to the porter at the station to have it checked, and the porter in some way or other got it mixed. The reverend gentleman was of an evangelical turn of mind, and had just started to conduct a series of meetings in a remote part of the country somewhere. He got to the place about the time for the meeting to begin, and when he opened up his suit case, instead of finding the bible and the bundle of sermons, and the night shirt which he had brought on with him, he found a night shirt, a box of tobies and a bottle of whiskey.

It is said that a twin sister to a suit case is an umbrella. So I have

also the honor of presenting you with the other useful member. And as a suit case is the means for carrying the article we hope that it may be emblematical of your carrying the judgment and wisdom and fortitude through your administration as Grand Master, and that the umbrella, useful in protecting you from rain and storm, may be symbolical of your friends who will shield you from envy and hatred and unjust criticism.

And now, Grand Master, in view of the love of your own subordinate Lodge, let me appeal to the Lord of Hosts and the God alike of peace and of battle, that your administration may be most happy and most successful.

The Grand Master replied to Brother Howard's address as follows:

Cold indeed and stony would be the heart that would not be touched by an incident like this. I am very proud of the position that I now occupy. I am proud of it because of the honor it brings to me, and I am proud of the honor that it brings to my lodge. I am deeply touched by this manifestation of love and esteem from the boys of 1135. It was not necessary, however, for any kind of manifestation to be made that I might know that their hearts were with me. During all the years of my membership in that Lodge I have had so many repeated manifestations of their affection and confidence that no presentation of this character was necessary to advise me that on this day they were full of joy at the preferment that had come to one of their members. During the year that is to come my energy and enthusiasm and zeal will be the greater because of my desire to reflect honor, not so much upon myself, as upon the good Lodge, which is responsible for my being here. It is a good Lodge, composed of just such men as you have heard this morning, who are earnest in their loyalty and affection to this Order. Take back to the boys of 1135, Brother Howard, my message of gratitude and of esteem and say that I am strengthened in this the most important hour of my life, with assurance that through this year, through all its burdens and all its cares and all its labors, I will have their prayers and their thoughts to strengthen me and help me.

Albert N. Dick, Rep. of No. 796, addressed the Grand Master as follows.

It is a very difficult matter for the average citizen of Allegheny County to mount to a platform anywhere and not boast about the greatness and the bigness of his native county. Our Junior Past Grand Master says that we are all afflicted with a sort of community egoism and dearly love to brag, particularly are the Odd Fellows fond of boasting about their vast membership in that County. However, on this occasion I do not intend to indulge in our favorite indoor sport, nor to refer to the greatness or bigness of the people of our community, further than to say that they are all greatly delighted at your elevation to the highest office within the gift of the Grand Lodge of Pennsylvania.

Once again, I have been commissioned by my Brethren of the West to convey to you their congratulations and their good wishes, to assure you of their continued confidence, and to present you with something of a tangible nature as an expression of their appreciation.

This traveling bag is from the Brethren generally, of Allegheny and the West.

It appears to have become a habit in this Grand Lodge to present the newly installed Grand Officer with a traveling bag, and it is a mighty appropriate present, because it serves notice on him that he will be expected to perambulate this great State and preach the gospel of Odd Fellowship in many towns and hamlets, some of which are not on the map. You have

another bag in which to carry your suit and your clothes. This one is scarcely large enough to carry the fraternal love, the friendship and the esteem that your Brethren of the West have for you.

I also have here a fountain pen. If you will go back over a score of years and delve in memory's storehouse, you will be able to dig up recollections of a little old smoky town. There is a little old dingy lodge room there, lighted with smoky coal oil lamps, and heated by an old-fashioned egg-shaped stove. The walls are dark and grimy, but the fires of love burn brightly on the altar there, and light up the faces of the Brethren who sit around the wall. You know them all. You can call their names one after the other from the pages of memory's roll book for you were once a member of that old Lodge. It was there that you served for the first time in the chairs. It was there you wore for the first time the regalia of a Past Grand, and went out for the first time to this Grand Lodge to begin your distinguished career. You were a Representative of that Lodge on that proud day of your life when Past Grand Master David Craft, now deceased, referred to you as "The distinguished and dignified young gentleman from No. 440." You have wandered far away from that town. You are no longer a resident of West Newton, you don't belong to West Newton Lodge, No. 440 any more, but you have not forgotten the boys up there and they have not forgotten you. West Newton is no longer a smoky, grimy, little town. The Lodge does not meet in the same old lodge room, they have one of the best lodge rooms in the western part of the State. Everything is changed about that town since then except the love that the boys of West Newton bore for you. Accept this pen from them, and they hope that with it you will be able to direct the destinies of the Grand Lodge during the interim.

Grand Master, no doubt with your former experience you were prepared for a present this morning, but like the prospective father, I don't believe you were prepared for triplets. We have another one, Grand Master, I have here a gavel, just a common ordinary-looking gavel, trimmed with silver, suitably inscribed; but when I have told you the history of that little article, I am satisfied, knowing your sentimental and fraternal nature as I know it that you will part with all your other earthly treasures before you allow the ownership of this gavel to pass to another. This gavel was made from a piece of wood that was long in the possession of Fred. W. Jackson, of No. 931. It was taken from an old walnut tree that stood on the battlefield of Gettysburg right near the Codori House where Pickett made his famous charge. The shot and the shell from the guns of the North and the guns of the South tore through the branches of that old walnut. Many a musket bullet was embedded in its trunk. Its roots drew up from the saturated soil the blood of the heroes of the North and the heroes of the South and forced that heroic blood up through the sap canals of that tree, and it became a part of the tissue of the wood, and out of that sacred material the boys of the Ben Avon Home fashioned you a gavel. As you look upon it, let it remind you all of the heroic deeds of your countrymen, let it remind you of the battlefield of Gettysburg, of the Wheat Field, the Peach Orchard, the Devil's Den, the gallant charge of the fiery Pickett and the equally gallant defense of the Union Commander, calmly riding in that part of the battle where the bullets flew the thickest, the superb Hancock, than whom no braver man ere wore the Union blue. Let it remind you of those who fell on the battle field that day, and let it remind you further that if you search throughout the world, nowhere will you find soldiers who were truer and braver than the men who fell on either side at Gettysburg. And don't forget, Grand Master, in this day when the rumors of war are in the world that if it ever should come to pass that a foreign foe attacks our flag, there are thousands upon thousands of your Brother Odd Fellows in Pennsylvania who are ready to sacrifice the last drop of their heart's blood in the defense of Old Glory. In addition

to the sacred and patriotic associations clustering around that gavel it symbolizes all of the peaceful principles for which Odd Fellowship stands, for it suggests that Odd Fellows care for their orphans, and without the care of the orphans the assertions of all our other principles would be as sounding brass.

Let it recall to you the scenes of its creation: the earnest little mechanic standing in front of the rapidly gyrating lathe with his cutting tool in his hand; the sweet faced anxious Matron standing close by watching its development; for that is no common material in the lathe, but a holy and a sacred relic, and the raw material must not be wasted; and then the little boy finishes it, polishes it, and sends it here, and with it sends his love.

Accept it now, Grand Master, and with it accept the love of boyish hearts, and may you rule over the Grand Lodge with it, and may the time come when you carry it outside of the great State of Pennsylvania to preside over a greater and grander lodge than even the Grand Lodge of Pennsylvania.

I have a letter from the boys that I desire to read, a letter accompanying this gavel, from the boys of Ben Avon Home. It is very short.

PERRY A. SHANOR, *Grand Master of the Grand Lodge of Pennsylvania, I. O. O. F.*

DEAR GRAND MASTER: We are sending you a gavel to be presented to you at the Grand Lodge upon your installation. This gavel was made by the advanced class of the Industrial School at the Ben Avon Odd Fellow's Home. The work was undertaken at the suggestion of Robert Mullen, and was turned out of a piece of wood from the battle field of Gettysburg. We have learned to love you and your funny stories.

We have but little or nothing to give you except our love and this gavel, with the hope that you will value it for its historical connections as well as for our sakes.

Hoping you will preside over the Grand Lodge with it, and some day over the Sovereign Grand Lodge, we remain.

Lovingly,

The Grand Master replied as follows:

*Brother Dick and my Brothers.*

I may have some trying experiences during the coming year; there may be difficult positions into which I am placed; there may be complicated questions to solve; but during the twelve months that are to come I will not be confronted with a more difficult task than that of replying to this address.

The other night I sat in this chair and watched the conflict on the floor between David and Goliath. It seems to me it has, in a sense, been repeated and it can be said in this Grand Lodge this morning, that with a sling of eloquence and a stone of oratory a David has prostrated a Goliath.

It is not often that words fail me. I generally talk too much, but I have neither the ideas nor the words with which to express the overwhelming sense of gratitude that I feel at this splendid manifestation of love and confidence and esteem coming from so many different directions. I wonder if it is all. It may be possible to get accustomed to things like this. I don't believe it would be very unpleasant if you would become accustomed to it.

To the boys of Allegheny, the County that has the largest membership in the State of Pennsylvania, secured through the self-sacrificing love and loyalty and ability of the members of the Order in that great County. I

would not feel like accepting the position I have taken this morning did I not know that during the year that is before me, I will have the co-operation and support in an unlimited degree of the boys of Allegheny County and the surrounding Counties as well. Take back to them my esteem, my love, and my gratitude, and the expression of the joy I feel in knowing that through the duties and the labors of a year as Grand Master I can lean upon their strong and broad shoulders, always knowing that there I have a support which will never fail me.

And to the boys of West Newton; It would have been a pretty good thing if I had belonged to some other Lodges. I believe those of you who aspire to become Grand Master ought to take a hint from this and move occasionally. I remember the old frame building in West Newton, with the coal stove and the oil lamps, where I first presided over the deliberations of a Lodge of this Order; and I remember the love that was there and the earnestness that was there, and the zeal that was there, and the affection for this Fraternity, and the friendship which the member of that Lodge had for each other. And, my Brothers, I have frequently seen repeated in the modest Lodge, in the modest building, in the humble community, the same most splendid and desirable conditions of fraternity, which I saw, and felt, and in which I lived, in that Lodge in West Newton; and I sometimes think that frequently in the smaller Lodge, in the smaller community, the bonds of love are firmer than in our more pretentious centers of civilization.

Say to them I have not forgotten them or the days I spent in their midst, and that through all the years that have gone since then, the recollection of the happy hours spent in old 440 have furnished the food for many an hour of pleasant remembrance.

I can not answer the part referring to the presentation from the boys of the Home. Whenever we think of them our hearts are so filled that our tongues become dumb. Oh, what joy it ought to be to every man in this room that we have a part in the training and development of the boys and girls of our Brothers who have gone before. No greater work can man have, no greater labor can he perform, no greater interest can be his than that of working for the development of human souls. And this is a manifestation of the splendid efficiency of the work at Ben Avon, the first home, I believe, in all the grand domain of Odd Fellowship, to introduce into its school the teaching by manual training.

I shall preserve this gavel as long as I live, and as I look upon it I shall know that with it came the love and esteem of the boys of that Home.

I am reminded of a contrast to-day. Some years ago it was my privilege to preside over the State Convention in the State of West Virginia. The implements then to assist me in preserving order and in issuing the commands from the chair were a megaphone and a beer mallet. That Convention was just as large as this Grand Lodge, composed of 1200 delegates. Next May I shall preside over the deliberations of this Grand Lodge with a gavel made by the boys whose fathers were members of this Order but have gone to the Grand Lodge above, which gavel represents all there is in this great Fraternity, in its objects, in its purposes, in its motives, and in its aims. I shall do all I can for the Orphanages of the Order during this year, I shall take an additional interest in them, if possible, because of this manifestation of esteem coming from the boys of the Home of my own District.

Hermann O. Mueller, Rep. of No. 319, moved that the Minutes of today's Session be approved without reading and that this Grand Lodge do now adjourn sine die.

The motion was adopted.

The Grand Master called upon the Grand Chaplain to address the Throne of Grace which he did as follows :

And now, Thou God of love and peace, we commit ourselves, our friendships and our interests unto Thy care and keeping until we meet again. We beseech Thee that Thy grace may go with all of us to our several places of dwelling and to our spheres of activity. Guide us day in and day out by Thy love and by Thy goodness, and when Thou art through with us and our earthly course is ended, by Thy grace may we lay down the tasks of life assured of Thy welcome and Thine eternal benediction. Amen.

At 11. 20 A. M., Robert W. Montgomery, Deputy Grand Master, by direction of the Grand Master, declared the Annual Session of the Grand Lodge of Pennsylvania, I. O. O. F., for the year 1916 to be closed without day.

Attest :

*Cisher A. Hall*

*Grand Secretary.*

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges Nos. 653, 613, 211, 124 and 740.

For the Term beginning in April of this year, I installed the Officers of Lodges Nos. 613, 211, 124 and 740; and was assisted by Past Grands R. H. Bushman, C. Hartzell, C. K. Gilbert, Geo. Neely and others.

Dispensation for Advancing Candidates have been issued during the year to No. 124, for which I received the sum of \$1.00, and enclose herewith remittance to cover this amount.

This District to-day includes five Lodges, with a combined membership of 735.

I find the general condition of the Lodges in my District to be as follows: Gettys, No. 124; Sylvania, No. 613; Valley Home, No. 740, are good and will continue to improve; Montana, No. 653; York Springs, No. 211 as far as improving the Lodges by getting new material, no interest shown in the Lodge.

GEO. C. FEISSEL, D. D. G. M.

### Allegheny County—First District.

PITTSBURGH, PA., April, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 9, 24, 34, 64, 182, 360, 385, 431, and 1171.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 9, 24, 34, 64, 360, 385, 431, and 1171; and was assisted in this work by Past Grands E. S. Beggs, of No. 431, G. M.; C. S. Henderson, of No. 385, G. W.; Wm. Miller, of No. 385, R. S.; Jos. Marwood, of No. 360, F. S.; J. O. E. Lawton, of No. 360, G. T.; Wm. J. Jacobs, of No. 64, G. C.; H. E. Robinson, of No. 34, G. S.; E. B. Allen, of No. 34, G. H.; Robt. Jackson, of No. 34, and H. A. Miller, of No. 9, Organists.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 9, 24, 34, 64, 182, 360, 385, 431, and 1171; total visitations 194.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 1171, 24, for which I received the sum of \$9.00, and enclose herewith remittance to cover this amount.

This District to-day includes eight Lodges with a combined member-

ship of 1,364, being a decrease of one Lodge and 122 Brothers since April first of the previous year.

Iron City Lodge, No. 182, consolidated with Col. T. M. Bayne Lodge, No. 1098, and moved to Bellevue on January 28, 1916. This leaves 8 lodges in the First District in good prosperous condition. It is hard to gain members in this District, as it is in the center of the business district and the hall rents are very high. The Lodges of the First District have given me their hearty support and are all working in harmony, and I would like to see them unite and be one grand big Lodge.

R. S. DONALDSON, D. D. G. M.

### **Allegheny County—Second District.**

WILKS, PA., April 27, 1916.

In compliance with the duty required of me by Article VIII. of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 460, 585, 794, 801, 1036, 1037, 1040, 1107, 1149.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 289, 460, 475, 883, 1036, 1107, 1149, and was assisted by Past Grands H. G. F. Koch, Jno. Weber, D. H. Lardin, A. G. Thompson, Jno. L. Berggan, Ed. Davies, Jno. Wolfrom, W. E. George.

Special Dispensations for Installations were issued by me to Harry W. Steele, P. D. D. G. M.; Ed. W. Rossell, P. D. D. G. M.; Harry C. Haus, P. G.; Newton W. Simon, P. G.; Harvey C. Riley, P. G.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 289, 460, 475, 794, 801, 883, 1036, 1037, 1107, 1149, 585, 1040.

This District to-day includes twelve Lodges, with a combined membership of 2,402, being an increase of eight Brothers since April 1st of the previous year.

I find all the Lodges of my District are starting to increase their membership, which is very encouraging, while we have not made a very large gain this year, we hope for a better one next year.

WILL H. McKOWN, D. D. G. M.

### **Allegheny County—Third District.**

PITTSBURGH, PA., April 29, 1916.

In compliance with the duty required of me by Article VIII. of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 748, 1024, 842, 796.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 906, 48, 748, 796, 362, and was assisted by Past Grands H. G. Schnuck, Thos. L. Taylor, Geo. Neiser, Fred. Lehne, Jr., John A. Vogel, Robt. Baird, Wm. Howarth, Harold Wilharm, and R. S. Haslam.

Special Dispensations for Installations were issued by me to A. N. Dick to install Nos. 362, 906, and 48, and Wm. Jaecke to install No. 486; Aug. Zeigler, No. 45, for term beginning October last; A. N. Dick, to install Nos. 842, 1024; Geo. Hager, to install No. 486; Wm. Jaecke, to install No. 45, for term beginning April last.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 45, 48, 362, 486, 748, 796, 842, 906, 1024, at least one visit each month.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 48, two; No. 362, five; No. 748, one; for which I received the sum of \$4.00, and enclose herewith remittance to cover this amount.

This District to-day includes nine Lodges, with a combined membership of 1,761, being an increase of four Brothers since April first of the previous year.

I find all Lodges in my District to be in a good prosperous condition, with the possible exception of No. 362. This Lodge has had a very bad year, regarding sickness and deaths; but they are bound to come back and at present are more active and doing more work than any other Lodge in the District. The attendance at all Lodges is good and, everything points to a prosperous future.

J. A. WHITEHEAD, D. D. G. M.

### Allegheny County—Fourth District.

N. S. PITTSBURGH, PA., April 25, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 241, 403, 690, 692, 973, 1159, and 1066.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 1066, 1057, 182, 530, 693, 403; and was assisted by Past Grands Fred Rechter, W. N. Warrick, John Rapp, Thos. Kilpatrick, Clifford Gracey, C. L. Brown, Albert Patterson, Louis Herman and Wm. Pherson.

Special Dispensations for Installations were issued by me to N. E. Cole, to install No. 1098; to Lee McQuistion, to install No. 693; to Wm. Elton, to install No. 1057; to Geo. W. Richards to install No. 530; to Rev. Martin Leiseder, to install No. 971; to Charles Waslosky, to install No. 414; to Anton P. Schonell, to install No. 652; to W. B. Official Visitations on other than Installation Nights were made to Lodges, Nos. 403, four; 1066, four; 414, five; 971, three; 652, four; 973, five; 530, six; 1057, four; 1159, four; 241, five; 693, four; 182, three; 692, two; 690, regular.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 1057, one; 403, two; 1066, two; 690, three; 973, three; 241, one, and 971, one; for which I received the sum of \$9.00, and enclose herewith remittance to cover this amount.

This District to-day includes fourteen Lodges, with a combined membership of 2,541, being an increase of fifty-nine Brothers since April first of the previous year.

I find all the Lodges in my District are in good condition. A few of them are not overburdened with wealth, but are doing good work. We have gained fifty-nine members since April 1st of 1915, but this was mainly through the consolidation of Iron City Lodge, No. 182 of the First District with Col. T. M. Bayne Lodge, No. 1098, of this District. We have been unfortunate in that we have lost forty-nine Brothers by death. We have also initiated one hundred and nine members during the year. As times are much better now, I look for a larger increase the coming year.

GEO. F. THOMAS, D. D. G. M.

**Allegheny County—Fifth District.**

ETNA, PA., April 29, 1916.

In compliance with the duty required of me by Article VIII. of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed. and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 379, 587, 453, 752, 804, 1004, 1052, 743, 1112, 1135.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 379, 453, 587, 743, 752, 804, 1004, 1048, 1052, 1112, 1135, and was assisted by Past Grands Jas. McCaslin, P. D. D. G. M.; Karl J. Hartmann; Harry J. Hartmann, P. G.; Herman A. Staum, P. G.; Henry Brinker, P. G.; John E. Seel, P. G.; Geo. T. Woffington, P. D. D. G. M.; E. C. West, P. D. D. G. M.; L. King, P. G.; Thos. M. Hathaway, P. D. D. G. M.; W. H. Gass, P. D. D. G. M.; Ernest Hundertmark, P. G.; F. A. Reedy, P. G.; Jas. G. Sample, P. D. D. G. M.; Karl A. Hartman, P. G.; Alex. Andres, P. Special Dispensations for Installations were issued by me to Ira L. Humes, P. G., of No. 587; to Carl Oestreicher, P. G., No. 971; to Henry Bergman, P. G., No. 414.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 379, two; 453, three; 587, one; 743, one, 752, three, 804, two; 861, fifty; 1004, two; 1048, two; 1052, one; 1112, two; 1135, two.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 804, 861, and 743; for which I received the sum of \$7.50, and enclose herewith remittance to cover this amount.

This District to-day includes twelve Lodges with a combined membership of 1,869, being an increase of eleven Brothers since April first of the previous year.

Although there were 89 initiated, ten taken in by card, and three reinstated, death call of 22, suspension of 60 and withdrawal of nine reduced our gain to eleven for the District, as the hard times are without doubt responsible for the high rate of suspensions. As prosperity has returned, I sincerely hope the coming year will make more than good the loss and help to reach the 200,000 mark set by the Grand Lodge. The financial condition of the Lodges is good and Freeport Lodge is added to the list of Lodges owning their own building during my term of office. I have enjoyed the past year as the Deputy of this District and thank all who have helped me during this time.

HERMAN A. FISCHER, D. D. G. M.

This District to-day includes eleven Lodges, with a combined membership of 2,725, being a decrease of one hundred and two brothers since April first of the previous year.

I find the Lodges in my District are all doing good work and with good prospects for the ensuing year. While there has been a loss in membership since the last report, yet the outlook for the future has never been brighter. During my term I have had the individual support of all the Lodges in the District for which I feel very grateful, and ask of them the same support for my successor.

### **Allegheny County—Seventh District.**

COULTER, PA., April 18, 1916.

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 1068, 506, 727, 571, 209, 364, 147, 552, 555.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 555, 571, 209, 364, 147, 552, 506, 1068, 727, and was assisted in this work by Past Grands Harry J. Forgie, Wm. A. Forgie, Henry Leasure, Alex. Harris, Hugo Drescher, Benjamin Copeland, James Cornell, Wm. Malone and Andrew Hutchinson.

The District to-day includes nine Lodges, with a combined membership of 848, being a decrease of twenty-eight Brothers since April first of the previous year.

I find the Lodges in my District in fairly good financial condition. Some of the Lodges have lost in membership, some have just held their own. I think this District will increase in membership next term owing to better working conditions throughout the District.

ANDREW W. FORGIE, D. D. G. M.

This District to-day includes eight Lodges with a combined membership of 2,250, being an increase of 41 Brothers since April 1st of the previous year.

Four of the Lodges in this District made a gain namely 892, with 2; 991, with 14; 1043, with 10; and 1049, with 29. Two Lodges holding their own and two with a slight loss. On the whole considering the times this District has done well. It is with regret that I lay down the duties of my office, and in doing so it is only with words of commendation for the officers of the various lodges in my District and especially those who so ably assisted me on my staff.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 49, 396, 616, 787, and 1178.

Dispensations for Advancing Candidates have been issued during the year to Lodge. No. 616, for which I received the sum of \$3.00, and enclose herewith remittance to cover this amount.

This District to-day includes six Lodges, with a combined membership of 736, being an increase of 31 Brothers since April first of the previous year.

Just now the Lodges are in a very good working mood. One Lodge initiated ten candidates and one twelve, and another fourteen, and at this report they are all taking in members and expect a good increase in the coming year.

JOHN W. KRAMER, D. D. G. M.

### **Allegheny County—Tenth District.**

PITTSBURGH, PA., April 17, 1916.

In compliance with the duty required of me by Article VIII. of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed. and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 429, 723, 864, 989, 1117, and 1137.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 429, 723, 864, 989, 1117, and 1137; and was assisted in this work by Past Grands F. C. Bundy, Jno. S. Irwin, John Storer, Frank Lough, J. E. Mitchell and W. G. Allen, all members of Sheridan Lodge, No. 1137. Brother R. S. Thayer of the same Lodge assisted as pianist.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 429, 723, 864, and 1117. Social and fraternal visits were made to all Lodges in my District, when time and opportunity permitted. Visited my own Lodge, Sheridan, No. 1137, every Friday evening, with perhaps one or two exceptions during the past year.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 723 and 1137; for which I received the sum of \$4.00, and enclose herewith remittance to cover this amount.

This District to-day includes six Lodges, with a combined membership of 822, being an increase of four brothers since April first of the previous year.

The general condition of the Lodges in this District is encouraging, and indicates that many active brothers endeavor to promote the true spirit of Odd Fellowship by devoting their time and giving assistance in the upbuilding of our Grand Order, and although this year's increase over last year is only four members, it is certainly gratifying when we take into consideration that there were 14 Brothers called to the Great Beyond, and 29 suspensions during the last year in this District. Nos. 429, 864, 1117, and 1137. are in a prosperous condition, both financially and numerically, and are doing good work in their respective localities. No. 723 on account of a badly scattered membership has poor attendance at its meetings, and consequently lacks the interest for promotion, and no doubt an amalgamation with No. 429 would be a good step. No. 989 appears to be isolated from at least a partially populated territory from which it could possibly draw new material, and as its present members consist of many Brothers, who, on account of mining propensities, have moved to quarters where they can follow their vocation, and have depleted the attendance, it follows that this Lodge will be more or less stationary, however the Brothers are working with enthusiasm and fraternal spirit to retain the members in good standing.

### **Armstrong County—Second District.**

RURAL VALLEY, PA., April, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 688, 340, 932, 312, 766, 738, 1076, and 599.

For the Term beginning in April of this year, I installed the Officers of Lodge, No. 766, and was assisted in this work by Past Grands, Brothers A. J. Caylor, of No. 766, and Brother Geo. G. Coggon, of No. 340, and other Past Grands of the various Lodges.

Special Dispensations for Installations were issued by me to Lodges No. 1076, 340, 735, 738, 688, 1139, 599, 932, 312 and 1139.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 1076 and 599; for which I received the sum of \$3.00, and enclose herewith remittance to cover this amount.

This District to-day includes ten Lodges, with a combined membership of 1,044, being an increase of 56 Brothers since April 1st, of the previous year.

The general condition of the various Lodges in this District is of a very healthy nature. The increase in membership suggests and proves the above statement. I believe there has been more sincere work accomplished by the Lodges during this past year than for many years previous. Odd Fellowship is progressive in its character, and if the members could be induced to adhere more closely to the principles of the grand old Order, nothing could stop her in the effort to fraternize the world. My parting advice to the Lodges of this District is this: attend the regular sessions of the Lodge; consider, seriously, the obligations and teachings of the various Degrees; when you initiate a candidate into your Lodge, try to make a real Odd Fellow out of him. Your life, individually, will be the best example you can present to him, and also to the uninformed. Let us be real Odd Fellows and not counterfeits.

### Beaver County.

BEAVER, PA., April 29, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 366, 348, 450, 546, 720, 742, 749, 758, 786, 812, 1065, and 1115.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 348, 366, 450, 546, 720, 742, 749, 758, 786, 812, 1065, and 1115, and was assisted in this work by Past Grands Frank Potter, W. E. Freed, W. C. Alberts, H. A. Heberling, and P. D. D. G. M. J. C. Gutermuth and E. D. Dinsmore.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 348, 366, 450, 546, 720, 749, 758, 786, 812, 1065, and 1115.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 348, 1065, 786, and 366; from which I received the sum of \$4.50, and enclose herewith remittance to cover this amount.

This District to-day includes twelve Lodges, with a combined membership of 1,816, being an increase of 108 Brothers since April first of the previous year.

I find the condition of the Lodges throughout the county with two or three exceptions, to be in very good condition. Am especially pleased with the increase in membership of Beaver Falls Lodge, No. 758, and wish also to mention Clover Lodge, No. 348, Robertson Lodge, No. 450; S. M. Kane Lodge, No. 786; and Russell Lodge, No. 1065. Nos. 366, 546, and 749 have not been doing much, but are somewhat handicapped on account of conditions of the locality in which they are. The financial conditions of the various Lodges is very good. Some of the dormant Lodges are taking on new life and I anticipate a very successful term for my successor. Public installations were held at Russell Lodge, No. 1065, and Edith Lodge, No. 812, each of which was a big success, and I think a benefit to the Lodges and Order in general. Have had the help of an excellent team who committed all their charges. Let our slogan be 2000 members for Beaver County during the next term.

This District to-day includes eight Lodges, with a combined membership of 676, being a decrease of 18 Brothers since April first of the previous year.

Notwithstanding the small decrease in membership, the Lodges of the District are alive and have manifested a very decided interest in Orphan Home work, and in the social and fraternal events in their several communities. During the late spring most of them have been doing active degree work, and will soon bring the deficit into an increase. The attendance in the Lodges is much larger and a higher and broader conceptions of the mission of Odd Fellowship is evidenced all over the District.

ship of 724, being a decrease of one Brother since April first of the previous year.

Saxton, No. 594, and Rays Hill, No. 776 are in excellent condition, and are run by live men on a high moral plane. There have been fifteen initiations during the year in this District. I have been in all the Lodges, except Amicitia, No. 775.

The condition of Odd Fellowship in Reading is not very encouraging as far as new members are concerned. The attendance in the various Lodges is good and looks promising for the coming year. The installation of both terms was a great success. Installation work being done without the assistance of any books, also having the assistance of the Odd Fellows' Orchestra of nine pieces, which was greatly appreciated. There was not one idle minute during installation as the orchestra played selections between the charges, makin it very entertaining for the members.

This District to-day includes eighteen Lodges, with a combined membership of 3,667, being a decrease of thirteen Brothers since April first of the previous year.

The condition of the Lodges in this District is very good, especially the term beginning Oct. 1, 1915. The industrial conditions for some time in Blair County were largely the cause of loss of membership. As above conditions have revived, the various Lodges are taking on new activity, and all the Lodges in this District are working very hard to overcome those losses, and expect to make a good showing in membership by the next report. I have heard of some very good deeds done by the Brethren that do not show up in the Report; but will be remembered by the public at large to the benefit of Odd Fellowship in Blair County.

This District to-day includes eight Lodges with a combined membership of 570, being a decrease of two Brothers since April first of the previous year.

I find Nos. 54, 87, 177, 422 decreasing in members and losing financially; No. 300 good working Lodge; No. 447 is holding its own; No. 265 is showing unusual activity, and made a good increase in membership during the term. Could get no report from No. 426 in April.

I find the Lodges in my District in good condition. Special mention should be made of No. 272, Beaverdale Lodge, which increased its membership during the year from 41 to 115 members, who I believe will make excellent Odd Fellows. Joseph Green the acting Past Grand deserves much credit for his untiring efforts; the increase was all during his term of office as Noble Grand. Beaverdale is now a real Lodge. No. 523, Alma Lodge, the richest Lodge in the State, is in excellent shape, and is a real Odd Fellows' Lodge. It is a pleasure to visit here. No. 838, South Fork has moved into their new hall and are progressing nicely.

BELLEFONTE, PA., April 30, 1916.

In compliance with the duty required of me by Article VIII. of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 153, 276, 597, 717, 894, 895, 955, 1031, and 1032.

For the Term beginning in April of this year, I installed the Officers of Lodge No. 153, and was assisted in this work by P. G.'s O. A. Barlet, D. Miller, L. A. Stover, T. S. Hazel, Past Grand Patriarch H. F. Whiting, Past D. D. G. M., R. M. Krebs, Past D. D. G. M., J. H. Eberhart and others. I was accompanied by the Orchestra of Centre Lodge, No. 153, on my visits to State College, Pine Grove Mills, Boalsburg, and Rebersburg, and the music furnished these various Lodges was much appreciated.

Special Dispensations for Installations were issued by me to T. M. Gramley, R. M. Krebs, B. D. Brisbin, J. C. Etters, Geo. Jackson, H. M. Hosterman, L. P. Bower, and H. N. Royer.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 895, 276, 153, 955, and 597; for which I received the sum of \$5.00, and enclose herewith remittance to cover this amount.

This District to-day includes nine Lodges, with a combined membership of 1,117, being an increase of 79 Brothers since April first of the previous year.

Seven of the nine Lodges of our District made a gain in membership during the past year. Millheim, No. 955, leading with a gain of 42 per cent., and Centre, No. 153, coming second with a gain of 11 per cent. All our Lodges are in a very good condition. A number of Lodges have made fraternal visits to other Lodges during the year. This is true of Centre Hall Lodge, No. 895. Their degree team accompanied by many other members, visited Centre Lodge, No. 153, and conferred the second degree in a very creditable manner. State College Lodge, No. 1032, also visited Centre Lodge, No. 153, and conferred degree work very satisfactorily and in March, Centre Lodge, No. 153, chartered a special train and about sixty members visited State College Lodge, No. 1032, and conferred the third degree. This meeting was attended by more than 200 Odd Fellows, and fifteen or more Lodges were represented. I consider these fraternal visits of great benefit in increasing true fraternity among the Brethren in the Lodges of our District and if the Order all over the State, who have not tried it, will take up the matter they will learn for themselves the immense amount of benefit that can be derived from it. On the night of installation, April 6, 1916, Centre Lodge, No. 153, initiated a class of twenty candidates. Also several other classes, one of eight and one ten, were taken in during the past winter.

Dispensations for Advancing Candidates have been issued during the year to Lodge, No. 201; for which I received the sum of 50 cents, and enclose herewith remittance to cover this amount.

This District to-day includes eight Lodges, with a combined membership of 940, being an increase of four Brothers since April first of the previous year.

Phoenix, Vincent, Berwyn and Malvern Lodges show a gain in membership and each have prospects of more new members. Ivanhoe Lodge is well fixed financially, but interest is lacking in the Order. Pilgrim Lodge has a good dues-paying list of members, but their meetings are marked by small attendance. Paoli has shown a marked decrease in membership; but at present is showing a lively interest in the fraternal side of Odd Fellowship. Academy Lodge is in fairly good shape. A recent anniversary celebration with the Grand Master and Grand Secretary present has awakened interest.

I find what Lodges I have visited in person are progressing nicely with one or two exceptions. Fox Lodge, No. 825, has made a vast improvement on their Lodge room, and expect to have one of the finest and most convenient Lodge rooms in the District.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 679, 925 and 1023; for which I received the sum of \$4.00, and enclose herewith remittance to cover this amount.

This District to-day includes nine Lodges, with a combined membership of 1,145, being a decrease of 24 Brothers since April first of the previous year.

I find some of the Lodges are doing good work, taking in members and reinstating suspended members. Some seem to have lost interest in the work, and the list of suspensions rather large and attendance not what it should be.

This District to-day includes five Lodges, with a combined membership of 878, being an increase of eighteen Brothers since April first of the previous year.

I find the Lodges in my District show a healthful condition. Attendance very good. The prospects for the future look very bright. There has been a gain of 18 Brothers in the year just closed. Although the numbers are not as great as they should be for the interest that is displayed at the present time, all are working hard.

BERWICK, PA., April 13, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 60, 140, 246, 310, 681, and 809.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 60, 140, 246, and 310, and was assisted in this work by Past Grands E. H. Sloan who installed the officers of No. 264. and P. L. Appleman who installed the officers of No. 746, P. M. Zehner, who installed No. 310, and Tillman Stadler, who installed No. 809.

This District to-day includes eight Lodges, with a combined membership of 1,995, being an increase of 31 Brothers since April first of the previous year.

I find the Lodges in this District to be in healthy condition as a whole. While a few of the Lodges have lost in membership for the year, yet the others have gained enough to give the District a net gain of 31. We have lost 19 members in the District by death during the year. Each Lodge in this District has a degree outfit and an organized degree team. Berwick Lodge, No. 246, who, I reported a year ago, as having lost every thing by fire, have rebuilt larger and better than before, and we believe they are holding their own among the largest Lodges of the State. Owing to the very bad condition of the roads in this section, I have been unable to visit the Lodges in this District as often as I would have liked to.

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 304, 418, 482, 772, 889, 901, 903 and 1056.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 6, 304, 418, 482, 772, 901, 903, and 1056.

Special Dispensations for Installations were issued by me to Bro. R. W. Reynolds, of Hydetown, No. 6, and Bro. F. L. Marsh, of Centreville, No. 889.

This District to-day includes ten Lodges, with a combined membership of 1,410, being a decrease of 43 Brothers since April first of the previous year.

I find a decrease in membership in the Lodges in the last year which I cannot account for, as all of the Lodges are in better financial condition than they were in the fall, but have lost in membership. I think it is the non-resident members who lose interest and are suspended for non-Lodges and the degree staffs take an interest and do the work in a very payment of dues. I have witnessed degree work in nearly all of the creditable manner. I have not granted any dispensations this term for advancing candidates.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 108, 168, 395, 401, 476, 545, 734, 902, 980, 1158.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 108, 401, 734 and 890; for which I received the sum of \$3.50, and enclose herewith remittance to cover this amount.

This District to-day includes 15 Lodges. with a combined membership of 2,322, being an increase of 15 Brothers since April first of the previous year.

I find the general condition of the Lodges in my District to be very good generally. They are all beginning to take on new life, and at the present writing most of the Lodges are preparing to put on the work for the Month of May, and the condition is very much improved. Cochran-ton Lodge, No. 902 is wide awake and I see in the future a bright prospect for them. At their regular meeting April 19, 1916, they voted to immediately purchase the building they are at present occupying and gave their trustees power to proceed and close the deal. Fallowfield Lodge, No. 1128 is most pleasantly and prosperously located in their new and beautiful country home, which was dedicated by me on the 16th day of October, 1915. Cussewago Lodge, No. 108 is most comfortably located in their newly remodeled and very up to date Temple on Centre Street, Meadville, Pa. They are now very prosperous and have rededicated themselves with new activity and interest and are reaping the harvest.

This District to-day includes six Lodges with a combined membership of 567, being a decrease of six Brothers since April first of the previous year.

I find the Lodges in my District in a good condition financially, but not initiating many new members. The decrease in the last half year was not as many as the first half. One Lodge, week after I installed their officers, received six applicants.

### Dauphin County—Southern District.

HARRISBURG, PA., April 17, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 68, 69, 70, 184, 307, 629, and 1120.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 68, 69, 70, 301, 307, and 1120, and was assisted in this work by Past Grands W. T. Fitzpatrick, T. P. Carey, Geo. L. Rouch, T. M. Eves, Jas. W. Ritchie, Clinton W. Byer, C. M. Fetterhoff, S. Weidenmyer, D. E. Newman, Chas. S. Shelly, C. A. Wilhelm, G. Dobson, T. Ford, W. H. Skinner, and H. D. Myers.

Special Dispensations for Installations were issued by me to Geo. T. Rouch, Chas. F. Fitzel, J. D. M. Reed, J. W. Ulrich, W. S. Lunkle, C. Nissley Mumba, Isaac F. Bogner, John H. Schaner, D. H. Rhine.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 70, 160, 307, 1120, 69, 63, and 301; for which I received the sum of \$19.50, and enclose herewith remittance to cover this amount.

This District to-day includes eleven Lodges, with a combined membership of 1,775, being an increase of fifty-nine Brothers since April first of the previous year.

Only two of the Lodges showed a loss in both terms. One of which had a loss in the first term held its own in the second and we believe will show an increase at next report. One which showed a loss in both terms is in a rural community where the population is decreasing. In all respects the prospects on the whole are better at this time than for some months. Difficulty has arisen in regard to dispensations. Brothers who work at night have difficulty in managing to be present at stated times, and it would help these if the law could be modified so as to obtain dispensations on short notice. The Past Grands' Association are publishing a paper, the "I. O. O. F. Monthly Record," devoted to the "Good of the Order." Copies are free and much good is expected from it. The Harrisburg Lodges are considering the building of a temple to meet in. We are using every means available to establish a lodge at Hershey. Our slogan, 500 additional members by 1920.

This District to-day includes eleven Lodges, with a combined membership of 2,238, being a decrease of 54 Brothers since April first of the previous year.

I find a good fraternal feeling; but serious loss in membership principally in the country Lodges, due to the poor season for farmers last year, they say. Find all have had very heavy sick lists this past winter. Have tried to impress them with the 200,000 membership idea.

### **Fayette County—First District.**

BROWNSVILLE, PA., April, 1916.

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 51, 336, 511, 565, and 656.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 1, 336, 511, 565, and 656.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 51, 336 and 565.

This District to-day includes five Lodges, with a combined membership of 492, being a decrease of seven Brothers since April first of the previous year.

I find the general condition of the Lodges in my District to be good. All but one Lodge have taken in new members during the term. But the financial distress in Uniontown during the past year has caused several Brothers to get behind and be suspended. But four of the Lodges had degree work on the night of installation. So I think No. 1 District will show an increase during the next term. Old No. 51 initiated a class of 18 on April 13, 1916.

### **Fayette County—Second District.**

UNIONTOWN, PA., April 27, 1916.

This District to-day includes seven Lodges, with a combined membership of 836, being a decrease of nine Brothers since April first of the previous year.

I find the Lodges in this District to be in a prosperous condition, with one or two exceptions. Nos. 1173, 1188, and 254, are very active. Lodges Nos. 1173 and 254 taking great pride in their Degree Team, which has a tendency to increase their attendance. I have been greatly assisted at my installations by my staff, composed of Brothers who were proficient in the work, thereby rendering it unnecessary for any rituals to be used. Considering the impressiveness of the installing ceremonies, when carried out in proper manner, I think it money well spent if the Deputies would all carry their Staff, and pay their expenses out of the fees he receives. It appears that some are in it for the money only and never try and get their report in the Journal, for which I think a penalty should be attached.

Have a higher view of the principles of the Order and are taking higher ground, recognizing the Fatherhood of God and the true Brotherhood of Man. Nearly all have gained in numbers. Our county gained 59 members from April 1st, 1914, to April 1st, 1915, and to this April 138. During the two years 197. I call special attention to our new Lodge, Timblin, No. 280, reporting 73 members. All new not one from another Lodge, and doing finely.

Curtis, Chris. Kellar.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 603, 297, 267, 492, 1151, 170, 668, 958, 257, 490, 703, 859, 976, 1160, 907, 833, 540, 816, 763, 939, and was assisted by the same Past Grands as above.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 1151, 859, 816, 1160, 939, for which I received the sum of \$8.00, and enclose herewith remittance to cover this amount.

This District to-day includes 19 Lodges, with a combined membership of 2,792, being an increase of 200 Brothers since April first of the previous year.

I find the general condition of the Lodges in my District to be as follows: Nos. 490, 492, 859, 170, 816, 939, 833, 1151, 1160, 763, 703, 603, 267, 903, 976, 958, 291, in good working order to increase their membership and perfect themselves in degree work. Nos. 540 and 668 are standing still for the lack of interest.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 858, 170, 492, 833, 976, 703, 267, 763, 1151, 603, and 939.

One of the most interesting events which took place during my term as District Deputy was the dedication of the Odd Fellows' Building in Dunmore on Thursday evening, Jan. 27, 1916. The building is the property of Dunmore Lodge, No. 816, and is a credit to Odd Fellowship. It is a three-story brick structure on the main thoroughfare and is valued at \$14,809.19. The building was first erected in 1890, and was destroyed by fire five years later. Nothing daunted the Lodge rebuilt at once, but was unwilling to have the building dedicated until every cent of indebtedness was paid. The last mortgage was cancelled in January, and arrangements were made at once for the dedication.

### Luzerne County—First District.

KINGSTON, PA., April, 1916.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed, and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 314, 433, 512, 670, 709, 721, 767, 784, 863, 887, 941, 953, and 1186.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 314, 433, 512, 670, 709, 721, 767, 784, 863, 887, 941, 953, and 1186, and was assisted in this work by Past Grands L. Griffith, Riley Imboden, W. A. Kivler, David Doughton, Simeon Thomas, Charles Bachman and Claude G. Harsch.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 433, 512, 887, 863, 941, 953, 1186, 314, 709, 784, and 670.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 863, 953 and 709; for which I received the sum of \$3.00, and enclose herewith remittance to cover this amount.

This District to-day includes 13 Lodges, with a combined membership of 1,897, being a decrease of seventy-three Brothers since April first of the previous year.

The Lodges in my District are in a splendid condition financially, except No. 670, whose membership is mostly old and are dying off and thus reducing both membership and finances. While I regret to report such a large decrease in membership the reason for said decrease is caused by some of the Lodges unloading their dead wood for some years. The District suffered heavily through the loss of members by death, there being 39 in all. I find a seeming lack of enthusiasm in a good many of the Lodges in the matter of increasing their membership. Some of the Lodges are becoming active and are getting in new members. I believe that a greater effort should be made to commit the charges to memory and to secure an impressive delivery of the charges. Good delivery without the use of the rituals never fails to favorably impress the candidate. I am pleased to report that a good many of the Lodges in my District are making a special effort along this line. No. 863 and 953 made the largest increase in membership. Where initiations are more frequent the attendance is larger and the interests greater. I believe that the First District of Luzerne County is as progressive as any in the jurisdiction and that they can be relied upon to do their share in raising the standard and efficiency in Odd Fellowship, and that they will contribute their share toward the 200,000 mark. We look forward to a prosperous year.

The Lodges throughout the District are in good condition financially and all but two of the Lodges have increased in membership. Jeremiah Lodge, No. 1144 has the honor of initiating the greatest number of candidates during the year. The spirit of Odd Fellowship has manifested itself very strongly throughout the District and our District meetings have been largely attended.

I find the general condition of the Lodges in my District to be good, except Harvey Lake Lodge, No. 757. Those members I expect now to take a more active part. The decrease in membership is mostly due to heavy suspensions, which total 31.

I find Nos. 1001 and 1028 in fairly good condition considering circumstances in their towns. No. 851 while not in the best of condition shows a marked improvement over one year ago. I think some of the younger Brothers are taking more interest in this Lodge in the last six months than formerly. Balance of the Lodges in this District in good condition, both financially and in membership, as the gain of 74 would indicate.

Interest has been picking up of late, and I predict a gain for the coming year.

All the Lodges are in a splendid financial condition, and all have grown numerically except Valley Forge, No. 459, which had the misfortune to lose one by withdrawal, but we were pleased to see them elect four candidates on the night of installation. This is the smallest Lodge in the District, having a membership of 30; but having assets of over \$2,800.00; No. 1038 has been specially active this past term, having made a gain of 33 members Manatawny Lodge made a gain of 21, and each of the other Lodges of the District a gain of from two to four. All the Lodges of the District have made fine financial gains.

No. 917 has increased 46.9 per cent during the past two years, bringing the membership up to 527. Three Lodges in this District own their own Halls, while the fourth is contemplating building one in the very near future. All Lodges are very efficient in their degree work, except No. 1133, which entertains fair prospects for the coming term. If all Districts were as active as this, the Grand Lodge slogan 1919 PENNSYLVANIA 200,000 would be changed to one more in keeping with the spirit, at the coming Grand Lodge Session.

Dispensation for Advancing Candidates was issued by me during the year to Lodge, No. 89; for which I received the sum of \$1.00, and enclose herewith remittance to cover this amount.

This District to-day includes eight Lodges, with a combined membership of 889, being an increase of 38 Brothers since April first of the previous year.

Some of the Lodges are very enthusiastic in trying to increase their membership, while the others seem to be satisfied to be at a standstill. Part of my prediction of last year was fulfilled about increasing in membership, although the increase was only 38, it goes to show what can be done if you have a few live Lodges in your District. I cannot help but make special mention of Good Samaritan Lodge, No. 89, which increased its membership 81 in the past year, and that accounts for the increase in

the District. I hope that more of the Lodges will be instilled with the same spirit that prevails in Good Samaritan, and make this a banner year for the Fifth District.

EUGENE SERFASS, D. D. G. M.

### **Philadelphia County—Sixth District.**

This District to-day includes six Lodges, with a combined membership of 531, being a decrease of 16 Brothers since April first of the previous year.

While there is a decrease in the membership and financial standing of several Lodges in the District, the spirit exhibited by most of the Lodges seems to point to a greater degree of work in the District than for some time past. This spirit has in several cases developed in additions to the Lodge, and I hope to be able to present a far better report for the next year than has been shown for some years past.

This District to-day includes seven Lodges, with a combined membership of 1,291, being an increase of 231 Brothers since April first of the previous year.

The members of the Seventh District are doing their best to bring the membership up to the 200,000 mark by 1920 in the State. 138 candidates were initiated during the year, the total assets of the seven Lodges

in the Seventh District is about \$53,000. Nos. 1074, 1096 and 325 consolidated under the name of Purity Lodge 325, which placed it among one of the best Lodges in the District. Fourth of July Lodge, No. 144 moved from 4th and Reed Sts. to 7th and Girard Avenue and I believe the increase in membership during the coming year will be great in the Seventh District.

I find the Lodges in my District are in good condition, with the exception that some of the weaker Lodges are struggling to get along and have suggested to the incoming D. D. G. M. to use his influence to merge two or three of them into one good strong Lodge.

This District to-day includes five Lodges, with a combined membership of 857, being an increase of 28 Brothers since April first of the previous year.

The Lodges in my District I'm very happy to say have shown an increase in membership from the last report of 28 members. There are five Lodges in my District, with total assets of \$48,785.17. Bustleton Lodge, No. 1193, held a public installation on April 12, 1916. Their lodge room was crowded. The installation was done by James W. Edwards and

suite of Kenderton Lodge, No. 266. While there is an increase both in membership and finances in my District, there is a feeling of activity among the members to try and make this a great year for the Twelfth District.

Dispensations for Advancing Candidates have been issued during the year to Lodges, Nos. 680, 589, 956 and 680; for which I received the sum of \$38.00. and enclose herewith remittance to cover this amount.

This District to-day includes 12 Lodges, with a combined membership of 2,711, being an increase of 20 Brothers since April first of the previous year.

I find a gain in membership in all but three of the Lodges. Nearly all are having degree work, and financially all are in a flourishing condition. I regret exceedingly this is my last term as D. D. G. M., not that I wish to monopolize the honors conferred, but that I will miss the pleasure of meeting with the brethren in an official capacity, and as I hand the honors over to my successor, I wish to thank the Grand Secretary and all of the Brothers of the various Lodges in my District for the many courtesies extended to me while I have been the Grand Master's representative in Venango County. I can assure you, my Brethren, it is with pleasure I extend congratulations to my successor.

Received \$6.50 for Advancing Candidates, and enclose herewith remittance to cover this amount.

This District to-day includes twelve Lodges, with a combined membership of 1,667, being an increase of 43 Brothers since April first of the previous year.

I find the general condition of the Lodges in my District to be as follows: No. 11, a spirit of harmony prevailing, an excellent degree team, good attendance and considerable work; No. 248, barely existing. Some nights they do not have a quorum. The ones that are holding the Lodge together at this time want to consolidate with No. 377. No. 377, an excellent degree team. plenty of work, thirty suspensions this term, the wealthiest Lodge in the District and good attendance. No. 491, a real live wire, the finest hall in the District, new quarters January 1, 1916, an excellent team, the best attendance of members in District; No. 633, have a nice Hall, fairly good attendance, no degree team, but lots of interest manifested in the Lodge work. No. 696, poor attendance, 66 2-3 per cent. of the members are foreigners. The ones who attend seem deeply interested in the work, and do fairly good. No. 697, didn't see degree team work. Have heard good reports of it. Good attendance and very harmonious. No. 711, this Lodge is in bad condition and has been for the past few years. Two factions are working. One Brother preferred charges against two others on the night of my visit there. They are in bad condition financially also. No. 741, poor attendance. Two factions. One holds to the time in the week of meeting. Thursday night. The other wants the old night, Saturday night again. No. 832, we are just holding our own. Fairly good attendance. No degree team, but lots of interest and a general good will prevails. No. 768, this Lodge lost a member, Brother Dr. E. E. French, who had been Secretary for a great many years, and his place can never be filled. In other words he was the backbone of Pigeon Creek Lodge. They have fair attendance. No. 1030, this is a real wide awake Lodge. Good attendance, excellent degree work and a feeling of good-fellowship prevails.

Special Dispensations for Installations were issued by me as follows: 88, 400, 965, 1019, 1194 and 126, made necessary on account of sickness.

Dispensations for Advancing Candidates have been issued during the year to Lodge, No. 1191; for which I received the sum of \$1.00, and enclose herewith remittance to cover this amount.

This District to-day includes 13 Lodges, with a combined membership of 990, being an increase of one Brother since April first of the previous year.

I have visited every Lodge in the District and find a lack of interest in visiting sick members and believe it will be better the coming year. The conditions are not as favorable and the principal reason is the lack of money. Everywhere I went they were complaining of the lack of money.

This District to-day includes seven Lodges, with a combined membership of 1,238, being an increase of 34 Brothers since April first of the previous year.

I find the Lodges in my District are doing good work. I am specially pleased with the increase in membership in Suterville Lodge, they having taken in 23 this last term, and the prospect looks good for more this term, the financial condition of all the Lodges is very good. The officers of the various Lodges are interested and active, and putting forth every effort to secure desirable candidates to decrease the number of suspensions and to improve their degree work.

This District to-day includes six Lodges, with a combined membership of 1,045, being an increase of seventy-two Brothers since April first of the previous year.

All my Lodges are in good condition and it looks good for a nice gain in membership as No. 541 have 16 that do not appear on the report. All my Lodges are in good financial standing and wishing to help swell our number to the 200,000 in 1919, you will find the Second District will do its share. Watch the Lodges grow. I have had a Rebekah Lodge instituted in my District, also have another on the way, the one at New Alexandria is doing nicely, the other petition has 30 names and I think will be on its way in May.

### Wyoming County.

In compliance with the duty required of me by Article VIII, of the By-Laws of the Grand Lodge, I herewith submit a Report of duties performed. and the condition of the Order under my Jurisdiction, viz:

For the Term beginning in October last, I installed the Officers of Lodges, Nos. 779, 857, 699, 760, 439, 318, 530, 890, 524.

For the Term beginning in April of this year, I installed the Officers of Lodges, Nos. 779, 857, 699, 760, 439, 318, 530, 890, 524, and was assisted in this work by Past Grands N. A. Doty, F. J. Herman, R. S. Hardis. O. V. Comstock, W. C. Appleman, H. A. Allen and Arthur Crompton.

Special Dispensations for Installations were issued by me to E. E. Kocher, F. G. Lake, S. J. Brown and John S. Keeler, for April term.

Official Visitations on other than Installation Nights were made to Lodges, Nos. 699, 439 and 520.

This District to-day includes nine Lodges, with a combined membership of 750, being a decrease of 13 Brothers since April first of the previous year.

I find the Lodges in my District in a fairly prosperous condition, considering they have all been hit by sickness during the past term. While they show a small loss in membership, the Lodges have weeded out a number which should have been suspended before. Held public installations at Mehoopany, Noxen, Meshoppen, Laceyville and Tunkhannock at all of which large crowds were in attendance. The roads were practically impassible this spring and was forced to issue dispensation for installing four of my Lodges. Summing up I think the Lodges of Wyoming County are taking a more active interest in the work at present than for some time past.

I find the general condition of the Lodges in my District to be as follows: It is very gratifying to note the increase in membership in the First District and the activity of Hanover Lodge, No. 327, which has taken new life and one new Lodge started with a membership of 44, and have just initiated 13 new members.

Official Visitations on other than Installation Nights were made to all the Lodges in the District.

Dispensations for Advancing Candidates have been issued during the year to Lodge, No. 944, for which I received the sum of \$1.50, and enclose herewith remittance to cover this amount.

This District to-day includes nine Lodges, with a combined membership of 1,818, this showing a decrease of six Brothers since April first of the previous year.

I find the Lodges in this District in very good working order. During the last year there have been initiated into membership in the various Lodges good young fellows, who are taking upon themselves the work of building up Odd Fellowship in their respective Lodges. Some of the Lodges are at a disadvantage owing to the condition of the locality in which they are situated. While they do not show a large increase numerically, the fraternal spirit and the financial are much ahead of last year. Great interest is taken in degree work in nearly all of the Lodges, and the degrees are given in a very creditable manner.

## STANDING RESOLUTIONS

### APPEALS FOR AID FOR MEMBERS OF DEFUNCT LODGES.

1. *Resolved*, That there shall be annually appointed by the Grand Master a Committee of Five, to be called the Committee on The Aged Odd Fellows' Fund. To this Committee shall be referred all appeals for aid for members of defunct Lodges, who by reason of their advanced age at the time the Lodge became defunct were unable to become beneficial members of any working Lodge in the Jurisdiction.

2. *Resolved*, That all petitions for aid or relief as above specified shall contain a complete statement of the character of the brother's disability, and the cause thereof; the number and name of the Lodge of which he had been a member, and when the said Lodge became defunct; that the said petition shall be signed by the brother asking for the relief, and the same shall be approved by the Relief Committee of the Lodge of which he is a non-beneficial member, or the Lodge nearest and most convenient to the brother's residence, under the seal of the said Lodge; and that unless the application conforms to the said requirements, it shall not be considered by the Committee on The Aged Odd Fellows' Fund.

3. *Resolved*, That the Committee on The Aged Odd Fellows' Fund may upon the written authority of the Grand Master, issue an appeal to the Lodges in this Jurisdiction, requesting them to make a voluntary contribution to a fund for the purpose of relieving such members of defunct Lodges as are above referred to; the claimants upon such fund to be such members of defunct Lodges who, in order to continue their identification with the Order, shall have within one year after the surrender of the charter of their own Lodge, become non-beneficial members of some other Lodge of the Independent Order of Odd Fellows.

4. *Resolved*, That in such appeal the Committee shall state briefly the number of cases they have in their charge, and generally the necessities that call for their assistance. The moneys received from the said appeal or appeals shall be deposited in a general fund, the principal and interest whereof shall be used at the discretion of the Committee acting conjointly with the Grand Master for the relief of deserving brethren of defunct Lodges, as before described.

5. *Resolved*, That whenever the fund is exhausted, the Committee may make another appeal to the Lodges for voluntary contributions. *Provided*, That not more than one such appeal may be made in any one year. The accounts of the Committee shall be audited annually by the Committee on Finance, and the money shall be paid on the order of the Committee (approved by the Grand Master) by the Grand Secretary drawing a draft for the amount upon the Grand Treasurer, which he shall forward to the Lodge of which the petitioner is a non-beneficial member, or the Lodge nearest and most convenient to the applicant brother's residence, the Relief Committee of which Lodge shall give the brother attentive benefits and disburse the moneys to or for the brother as directed by the Committee on The Aged Odd Fellows' Fund. This Committee shall report annually to this Grand Lodge, giving a detailed statement of all their transactions, and shall be subject to any orders, or to a review of their proceedings as from time to time shall or may be made, directed and required by this Grand Lodge.—*Journal*, 1900, pp. 116, 118; revised, G. L. J., 1908, pp. 38, 65, 125; *Pennsylvania Digest*, p 22.

The sum of \$52.00 per annum is the maximum amount to be paid to any one beneficiary. The year to begin May 1st and end April 30th of the following year. *Pennsylvania Digest*, 1907, Sec. 121.

A funeral benefit, the maximum of which shall be \$60.00, is to be paid upon the death of a beneficiary. G. L. J., 1904, p. 130.

*That no Brothers be placed upon The Aged Odd Fellows' Fund after May, 1912, except such members of defunct Lodges who joined other Lodges as non-beneficial members prior to 1910.* G. L. J., 1912, p. 118.

---

### PAST OFFICIAL DEGREE.

*Resolved*, That District Deputy Grand Masters are hereby empowered to confer the Past Official Degree upon retiring Noble Grands, on the night of the installation of officers, and upon such Past Grands, not in possession of said Degree, upon presentation of certificates from their respective Lodges, under seal, certified to the fact, that they have served a majority of the nights of the term as Noble Grands, and are otherwise qualified to receive said Degree.

If the District Deputy Grand Master be not in possession of the Degree, any Past Grand, duly qualified, may confer the same, under the same qualifications, the same at all times to be conferred in the hall of a regularly constituted Odd Fellows Lodge, with none present, except those in possession of the Degree and those entitled to receive the same. G. L. J., 1912, pp. 155, 166.

---

### PUBLIC INSTALLATIONS.

*Resolved*, That the Grand Master be authorized to grant dispensations to Lodges who desire public installation, where he is satisfied as to the qualifications of the Deputy, and, *provided*, that the work shall be done without the use of books.

*Resolved*, That the Subordinate Lodges in this Jurisdiction be permitted to have public installation of their officers, in accordance with the legislation of the Sovereign Grand Lodge in 1895. And that when in the judgment of the Grand Master such public installation would be proper, he shall grant permission to the Lodge making application for the same. *Provided*, That the ceremonies be conducted by the Grand Master, or other elective Grand Officers, or by a Past Grand, who shall appear before the Grand Master or Board of Grand Lodge Officers and give satisfactory evidence, by a thorough examination, that he is fully qualified and competent to conduct such ceremonies.

*Resolved, further*, That all former legislation by this Grand Lodge in conflict with this resolution is hereby repealed.—*Journal*, 1901, pp. 554, 598.

### RULES FOR PUBLIC INSTALLATION.

1. Lodges must make application by resolution, a copy of which must be forwarded to the Grand Master, signed by Noble Grand and Secretary, with seal of Lodge.

2. The letter of application must state the place where it is proposed to hold the public installation, the name of the D. D. G. M. or Past Grand who shall conduct the same, his acceptance and reference of his fitness or ability. Should a Past Grand be selected, it must be with the appointment and approval of the D. D. G. M. of the district in which the Lodge belongs.

3. The Installing Officer must satisfy the Grand Master either in person or by satisfactory evidence of disinterested brethren of the Order, that he has the necessary qualifications and that the work shall be done without books.

4. The Installing Officer must satisfy the Grand Master that those of his team or assistants are equally qualified to perform their part of the work without the use of books.—*Journal*, 1902, p. 206.

## GENERAL LAW OF THE ORDER.

*Rights and Privileges of Non-beneficial Members.*—Non-beneficial members are entitled to the same rights and privileges as beneficial members, except in the matter of benefits. They can vote and hold office.—(S. G. L. Journal, 1892, 12,797, 13,050, 13,076).

*Veteran Membership.*—*Non-contributing.*—*Privileges.*—After a brother has become sixty years of age, and has been a contributing member for twenty-five consecutive years, his name shall not be dropped from the roll in virtue of his being more than one year in arrears for non-payment of dues, but he shall be retained as a non-contributing member, and as such shall be entitled to the password and fellowship of Lodges. Such non-contributing members shall have all the privileges of active members except benefits, and Subordinate Lodges shall not be compelled to pay per capita tax on such non-contributing members. Such non-contributing members may be reinstated in the manner as provided for the reinstatement of dropped members by the Constitution and By-Laws of the several Jurisdictions. (See S. G. L. Journal, 1901, pp. 294, 392, 414; also S. G. L. Journal, 1902, p. 1012; also S. G. L. Journal, 1905, pp. 209, 279, 292.)

## BY-LAWS.

The attention of the Secretaries of Lodges is called to the Special Instructions for Lodges when transmitting By-Laws for approval, namely:

When acting upon By-Laws, the first question to consider is, whether the proposed By-Law is a law of the Order, constitutional or otherwise; and if it is, the Lodge cannot adopt it as a By-Law. But if the proposed law does not exist it may be adopted. A Lodge may make a law where no law upon the subject exists, but it cannot collect together various provisions of existing laws and call them By-Laws. By a careful compliance with the law upon the subject stated, the Committee on By-Laws of the Grand Lodge will be saved much time and trouble, and the Lodge the annoyance of having its By-Laws returned to them for correction and without approval.

That all Lodges submitting full codes of By-Laws or amendments thereto to the Committee on By-Laws for approval, are required to furnish to the Committee on By-Laws two copies of the amendments or full codes (and one copy of printed By-Laws in case of amendments) in form. One copy, if approved, shall be properly indorsed by the Committee and returned to the Lodge; the other shall be similarly indorsed and filed in the Grand Secretary's Office as a record of the action of the Committee. Both copies *must* have the signature of the Noble Grand and Secretary, also the Seal of the Lodge.

Attention is especially called to the following section of the Pennsylvania Digest:

680. "Questions of construction as to the meaning of the By-Laws of a Lodge are first determined by the presiding officer of the Lodge, and on appeal from him to the Lodge itself, and on appeal from the Lodge to the Grand Master, in recess, or the Grand Lodge."

## CONCURRENT TERRITORIAL JURISDICTION.

*Resolved*, That so far as admission in the Order in Pennsylvania is concerned, that all present Territorial Lines be obliterated, and that the Jurisdiction of Pennsylvania be declared as one concurrent Jurisdiction, with this provision; That, if any Lodge receives an application for membership therein, from one who resides nearer another Lodge where former Territorial Lines would have prevailed, that the Lodge receiving such application shall at once forward copy of the same to the Lodge nearest the resident of such applicant, requesting such Lodge to investigate the character, health and eligibility of such applicant and report on the same within two weeks thereafter, so that the Lodge making such a request when the applicant is balloted for, may have such information in their possession so as to govern it as to the advisability of admitting such applicant to the Order.

This enactment however, not to affect the laws governing the transfer of membership or the visiting limits of a Lodge.—*Journal*, 1914, pp. 193, 212.

The Annual Session will be held at York on Tuesday, May 15, 1917, at 9 A. M.

No Past Grand can, under any circumstances, be admitted to membership in the Grand Lodge without presenting a regular Past Grand's Certificate. A Past Grand cannot be admitted upon a Representative's Certificate, nor upon the Semi-Annual Report of his Lodge, nor upon any voucher, except the Certificate prescribed in Article 11, Section 2, of the Constitution of the Grand Lodge. The Grand Officers cannot override the Constitution.

If a Representative to the Grand Lodge has not been previously admitted to membership as a Past Grand, and received the Grand Lodge Degree, he must present two certificates before he can be admitted to the Grand Lodge, viz.: a Past Grand's Certificate and also a Representative's Certificate, both of which must be signed by the Noble Grand and Secretary, and be attested by the seal of the Lodge.

No Past Grand or Representative should start for a Session of the Grand Lodge without knowing that the proper Certificates have been mailed to the Grand Secretary, nor without duplicate Certificates in his possession.

Representatives to the Grand Lodge should be elected at the last stated meeting of the Lodges in September, to serve for one year, commencing on the third Tuesday in November. If elected subsequently, it must be for the unexpired term. Should a vacancy be created by a resignation, suspension or decease, the Certificate of the Past Grand elected to fill the vacancy must set forth that fact upon its face in something like the following manner, vice A ——— B———, resigned, or otherwise the brother cannot be acknowledged as a Representative. **SUBSTITUTES OR PROXIES ARE NOT ALLOWED.**

Secretaries are relied upon to furnish properly authenticated Certificates to the Past Grands of their respective Lodges. Blank Certificates can be had by Secretaries upon application to the Grand Secretary.

Two Past Grand Certificates are sent semi annually to each Lodge in order that one may be *mailed* to the undersigned immediately after installation of the officers, and the other handed to the sitting Past Grand.
